WELCOME TO

Institute for Social Reforms and Higher Education Charitable Trust

The Institute for Social Reforms and Higher Education Charitable Trust is duly registered with the Government of India, NITI Aayog NGO Darpan (MHRD), and the Department of Income Tax under Section 80G. It operates under the Indian Trust Act of 1882, boasting registration number 4/247/137-154/104/22, and holds the NITI Aayog NGO Darpan (MHRD) registration UP/2022/0313057.

Dedicated to advancing the socio-economic standing of women and children, the Institute for Social Reforms and Higher Education Charitable Trust focuses on nurturing their entrepreneurial skills to create sustainable employment and social security opportunities for vulnerable populations.

The trust delivers welfare programs and services to individuals with disabilities, offers social security provisions for the elderly and destitute through a network of residential care facilities and non-institutional services.

Its array of initiatives encompasses skill development programs, vocational training, and entrepreneurship workshops tailored to enhance the capacities of women and children. By encouraging entrepreneurship, the trust aims to generate enduring employment prospects and establish a safety net for those at risk.

Moreover, the Institute for Social Reforms and Higher Education Charitable Trust provides a variety of welfare programs to support individuals with disabilities, ensuring social security for the elderly and destitute through residential care homes and non-institutional services. This comprehensive approach seeks to promote inclusivity and empowerment within the community.

The trust's commitment to fostering positive change extends beyond just welfare programs. It also places a strong emphasis on education and skill-building. Through partnerships with local educational institutions and organizations, the Institute for Social Reforms and Higher Education Charitable Trust has been able to provide scholarships and educational opportunities to underprivileged women and children. By equipping them with knowledge and skills, the trust empowers individuals to break the cycle of poverty and build a better future for themselves and their families.

In addition to its educational initiatives, the trust also advocates for gender equality and women's rights. It actively engages in awareness campaigns and advocacy efforts to promote gender equality and combat discrimination. By working towards creating a more inclusive and equitable society, the trust strives to empower women and children to realize their full potential and lead fulfilling lives.

Chief Guest'S MESSAGE

Shri Ram Niwas Goel Ji
Hon'ble Speaker, Delhi Vidhan Sabha

I extend my warmest congratulations to the Institute for Social Reforms and Higher Education (ISRHE) and all the distinguished recipients of the Bharat Samman Nidhi Puraskar - 2024. It is indeed an honor for me to have been invited to preside over this prestigious event as the Chief Guest.

The Bharat Samman Nidhi Puraskar serves as a beacon of recognition for individuals who have demonstrated exceptional dedication and commitment to their respective fields, contributing significantly to the advancement of our society and nation. I commend ISRHE for its efforts in acknowledging and celebrating these outstanding achievements.

The fact that this event is hosted at the CM Conference Hall, Delhi Vidhan Sabha, adds further significance to the occasion. It underscores the importance of collaboration between government institutions and organizations like ISRHE in fostering social reforms and promoting higher education for the betterment of our society.

As we gather in this esteemed venue, let us reflect on the importance of recognizing and nurturing talent, innovation, and compassion within our communities. It is through such acknowledgment and support that we can inspire others to strive for excellence and contribute positively to the growth and development of our nation.

I am confident that the recipients of the Bharat Samman Nidhi Puraskar - 2024 will continue to serve as role models, inspiring future generations to follow in their footsteps. May their achievements be a source of motivation for all of us to work tirelessly towards building a more inclusive, equitable, and prosperous society.

Once again, my heartfelt congratulations to ISRHE and all the deserving awardees. I look forward to witnessing the success stories that will undoubtedly emerge from this esteemed platform.

With best wishes,

Shri Ram Niwas Goel
Hon'ble Speaker, Delhi Vidhan Sabha

ISRHE President's MESSAGE

Dr. A K .Sharma

INSTITUTE FOR SOCIAL REFORMS AND HIGHER EDUCATION

The Institute for Social Reforms and Higher Education is committed to nurturing the future leaders and innovators across diverse domains. Our primary objective is to offer a platform for young professionals in research, business, medicine, and engineering to showcase their talents and capabilities.

We advocate for equal opportunities for all individuals to pursue their passions and accomplish their objectives. To this end, we provide an array of resources and support services tailored to assist young aspirants in achieving success in their chosen fields.

Whether your aspirations lie in academia, entrepreneurship, or community impact, the Institute for Social Reforms and Higher Education stands ready to support you. Our seasoned professionals are dedicated to providing the necessary mentorship and assistance for you to excel and realize your full potential.

If you are a young professional in the realms of research, business, healthcare, engineering, or any other field seeking to make a meaningful impact, we invite you to explore the offerings of the Institute for Social Reforms and Higher Education. With our guidance, you can transform your visions into reality and contribute positively to the world.

At the Institute for Social Reforms and Higher Education, we are firm believers in the transformative power of nurturing talent and fostering innovation among the youth. Our core mission is to empower the future leaders in research, business, healthcare, and engineering, among other disciplines.

We uphold the value that every individual merits an equitable chance to pursue their dreams and fulfill their ambitions. Hence, we furnish a comprehensive range of resources and support services designed to empower young individuals to thrive in their respective fields.

Atul Kumar Sharma

PRESIDENT - ISRHE

Managing Editor's MESSAGE

Ms. Reshu Gupta

INSTITUTE FOR SOCIAL REFORMS AND HIGHER EDUCATION

The Institute for Social Reforms and Higher Education is dedicated to cultivating the next generation of leaders and innovators across various sectors. Our foremost goal is to provide a platform for young professionals in research, business, medicine, and engineering to demonstrate their skills and potential.

We champion equal opportunities for all individuals to pursue their interests and achieve their goals. To this end, we offer a diverse range of resources and support services tailored to help young aspirants succeed in their chosen fields.

Whether your ambitions are in academia, entrepreneurship, or community service, the Institute for Social Reforms and Higher Education is committed to assisting you. Our experienced professionals are devoted to providing the guidance and support necessary for you to excel and reach your full potential.

If you are a young professional in research, business, healthcare, engineering, or any other field striving to make a significant impact, we encourage you to explore the offerings of the Institute for Social Reforms and Higher Education. With our assistance, you can turn your aspirations into reality and make a positive contribution to society.

At the Institute for Social Reforms and Higher Education, we strongly believe in the transformative influence of nurturing talent and fostering innovation among young individuals. Our fundamental mission is to empower the future leaders in research, business, healthcare, engineering, and various other disciplines.

We uphold the principle that each individual deserves an equal opportunity to pursue their dreams and achieve their aspirations. Therefore, we provide a comprehensive array of resources and support services aimed at empowering young individuals to thrive in their respective fields.

Board Member's MESSAGE

Mr. Pawan Sharma

INSTITUTE FOR SOCIAL REFORMS AND HIGHER EDUCATION

The Institute for Social Reforms and Higher Education is working in the field of environment and tree plantation. Their efforts in this area have been commendable, with a focus on raising awareness about the importance of preserving the environment and the benefits of planting trees. The Institute has organized several initiatives and campaigns to encourage individuals and communities to take action towards a greener future.

One of their most significant contributions has been in the area of education. The Institute has developed educational programs and materials that promote environmental literacy and encourage sustainable practices. They work closely with schools and universities to integrate environmental education into the curriculum and provide training for educators.

Overall, the Institute for Social Reforms and Higher Education is making a significant impact in the field of environment and tree plantation. Their work is a testament to the power of collective action and their commitment to creating a sustainable future for all.

Their dedication to environmental causes extends beyond education, as they actively participate in tree plantation drives across communities. By organizing tree-planting events and engaging volunteers, the Institute fosters a sense of responsibility towards the environment. These efforts not only contribute to greening the surroundings but also create a sense of community involvement and pride.

Furthermore, the Institute's research initiatives delve into innovative approaches for sustainable environmental practices. Through collaborations with experts and stakeholders, they strive to find solutions to pressing environmental challenges and advocate for policies that promote conservation and biodiversity.

In essence, the Institute for Social Reforms and Higher Education serves as a beacon of hope for a greener and more sustainable future. Their multifaceted approach, combining education, community engagement, and research, underscores the importance of collective efforts in safeguarding our planet for generations to come.

Pawan Sharma

BOARD MEMEBER

Proposed Initiatives for Institute for Social Reforms and Higher Education (ISRHE) in 2024

In the year 2024, the Institute for Social Reforms and Higher Education (ISRHE) envisions a comprehensive set of initiatives aimed at empowering society, providing opportunities for special-abled children, and contributing to the holistic development of the nation. By addressing key societal challenges and leveraging the potential of education, innovation, and community engagement, ISRHE aims to foster positive change and create a more inclusive and equitable society.

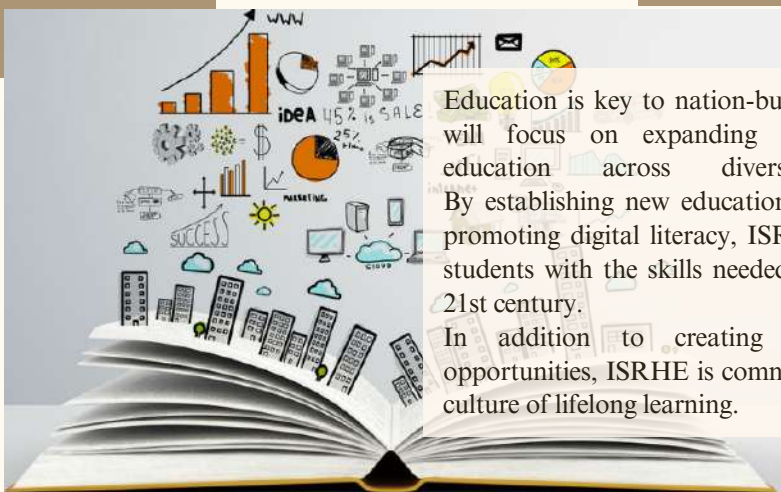

ISRHE recognizes the importance of addressing social inequalities and promoting inclusive growth. In 2024, we propose to launch community development projects focused on areas such as healthcare, sanitation, education, and livelihoods. These initiatives will involve partnering with local communities, NGOs, and government agencies to identify needs, implement sustainable solutions, and empower individuals and families to lead dignified lives.

Empowering Society

Supporting Special-abled Kids

In 2024, ISRHE will establish special education programs and inclusive learning environments for special-abled children. These initiatives will provide personalized support and vocational training, ensuring every child has the opportunity to reach their full potential.

Education is key to nation-building, and ISRHE will focus on expanding access to quality education across diverse communities. By establishing new educational institutions and promoting digital literacy, ISRHE aims to equip students with the skills needed for success in the 21st century. In addition to creating new educational opportunities, ISRHE is committed to fostering a culture of lifelong learning.

Bharat Samman Nidhi Puraskar - 2024

VENUE: DELHI VIDHAN SABHA

Shri Jas kalra

President,
The Earth Saviours Foundation

Bharat Samman Nidhi Puraskar-2024

As many of you are likely aware, Mr. Jas Kalra assumed the role of Vice President at The Earth Saviours Foundation in August 2021. Eager to learn under his father's presidency, at the age of 21, Mr. Kalra gleaned invaluable lessons from his father. However, fate had other plans. After only four months of learning from his father, Mr. Kalra tragically lost his father in December 2021. The guiding hand he expected to rely on was suddenly absent, leaving him to navigate his path alone. Reflecting on his father's teachings, Mr. Kalra recalls finding hope in the smallest gestures: a resident's smile upon finding shelter, a supportive pat on the back, or a team member's unwavering dedication to their shared cause. Drawing inspiration from his father, Mr. Kalra cherishes these seemingly mundane moments. Engaged in the noble act of sewa, he acknowledges that this journey is not always adorned with beauty. Engaged in the noble act of sewa, Mr. Kalra acknowledges that this journey is not always adorned with beauty.

Shri Jas kalra
Emerging Social
Activist in India Award

The reality he encounters, whether kind or cruel, is a testament to the complexities of the world we inhabit. Kalra views his ability to witness the unvarnished truth of life as a rare privilege bestowed by a higher power.

Humanity possesses the remarkable capacity to transform despair into hope and vice versa — a solemn truth exemplified by the abandonment of loving parents or the neglect of the vulnerable by their own kin.

Rescuing individuals from the harsh streets and providing them with sanctuary in shelter homes, Mr. Kalra finds himself not only moved by the hardships they have endured but also inspired by their resilience and willingness to rebuild their lives. The seniors, mentally challenged individuals, and marginalized women who call the shelter home are not merely "underprivileged"; they are, in Mr. Kalra's eyes, truly "privileged" for their enduring gratitude amidst adversity.

In the face of such resilience, Mr. Kalra recognizes that perhaps his father did not take away the guiding hand but instead left behind a legacy that guides him towards the right path. He expresses profound gratitude to his committed team members who work tirelessly alongside him. Their unwavering dedication allows Mr. Kalra to offer selfless service to those in need. It is without question that, without their steadfast support and the blessings of those who stood by him during his most challenging days, Mr. Kalra would not be able to fulfill the noblest service in the eyes of the divine - sewa.

Bharat Samman Nidhi Puraskar–2024

Shri Rakesh Mishra

Chairman, RPL Industries Limited, Ghaziabad

Business Tycoon of

the Year Award - 2024

Renowned for his exceptional leadership and diverse contributions to sports and industry in the vibrant city of Ghaziabad, India, Shri Rakesh Mishra has carved a distinguished legacy as the President of the Ghaziabad Cricket Association and the Chairman of RPL Industries Limited. His strategic acumen, visionary direction, and steadfast dedication have been instrumental in shaping his illustrious career.

In his capacity as the President of the Ghaziabad Cricket Association, Shri Rakesh Mishra has played a pivotal role in transforming the cricketing landscape in the region. Through proactive measures aimed at talent development, infrastructure enhancement, and fostering inclusivity, he has steered the association towards significant growth and widespread acclaim. Under his stewardship, the association has successfully hosted a multitude of tournaments, leagues, and training camps, providing aspiring cricketers with invaluable platforms to hone their skills and showcase their talent.

As the Chairman of RPL Industries Limited, Shri Rakesh Mishra has led the company to unprecedented heights of success and sustainability. By prioritizing innovation, technology integration, and customer-centric strategies, he has spearheaded initiatives to boost operational efficiency, broaden market reach, and stimulate growth. His strategic vision and decisive actions have positioned RPL Industries Limited as a frontrunner in the industry, setting new standards for excellence.

In addition to his professional achievements, Shri Rakesh Mishra is deeply committed to corporate social responsibility and community welfare. Actively engaged in philanthropic endeavors that empower marginalized communities, advance education, and champion environmental sustainability, he exemplifies a holistic approach to leadership.

Shri Rakesh Mishra's tireless pursuit of perfection and fervor for positive change resonate not only within Ghaziabad but also reverberate throughout the realms of sports, industry, and society, reflecting his profound impact on a broader scale.

Bharat Samman Nidhi Puraskar–2024

Prof. (Dr.) Jayanand
Honorable Vice-Chancellor,
Shobhit Deemed University, Meerut

Distinguished Vice Chancellor Award

Prof. (Dr.) Jayanand is a distinguished academician and seasoned leader with over 25 years of experience in the realms of teaching, research, and academic administration. Currently serving as the Vice-Chancellor at Shobhit University, Meerut, and having previously held pivotal roles including Vice Chancellor and Registrar at Noida International University, Prof. Jayanand brings a wealth of expertise to the table.

With a Ph.D. in Bioelectromagnetism from SES, JNU, New Delhi, Prof. Jayanand has made significant contributions to the fields of biophysics, biomaterials, and bioelectromagnetics. Their scholarly pursuits have resulted in the publication of over 100 research papers in esteemed national and international journals, along with authoring eight books and contributing to numerous book chapters.

Prof. Jayanand's leadership extends beyond academia, demonstrated through their instrumental roles in steering institutions towards excellence.

Their proficiency in overseeing academic planning, ensuring educational quality, and navigating accreditation processes such as NAAC reflects a commitment to institutional growth and development.

A mentor at heart, Prof. Jayanand has supervised 10 Ph.D, 25 M.Tech and 16 M.Phil scholars, fostering a culture of academic excellence and inquiry. With a steadfast dedication to advancing education and research, Prof. Jayanand has been awarded with research fellowship and grants from CSIR, ICMR, DST and MSME.

Bharat Samman Nidhi Puraskar-2024

Prof. (Dr.) P. K. Bharti

*Honorable Vice-Chancellor,
Glocal University, Saharanpur*

Dynamic Vice Chancellor Award

Dr. P K Bharti is an accomplished academic leader with a distinguished career in higher education administration. With extensive experience as a Vice Chancellor, Dr. Bharti has played pivotal roles in steering universities towards excellence in teaching, research, and innovation.

As the Vice Chancellor of Maharishi University of Information Technology in Lucknow from February 2016 to December 2018, Dr. Bharti demonstrated visionary leadership and implemented strategic initiatives to enhance the university's academic reputation and infrastructure.

Subsequently, as the Vice Chancellor of Shri Venkateshwara University in Gajaraula from January 2019 to 2022, Dr. Bharti continued his commitment to fostering academic excellence and innovation. Under his leadership, the university witnessed significant progress in various domains, contributing to its overall growth and development.

Currently serving as the Vice Chancellor of Glocal University in Saharanpur, Dr. Bharti brings a wealth of experience and a strong commitment to nurturing talent and fostering societal development through education. He believes in the transformative power of education and is dedicated to guiding the university towards greater heights of success.

Dr. Bharti's leadership philosophy is characterized by a focus on quality education, research, innovation, incubation, and entrepreneurship. He emphasizes the importance of grooming youth to become valuable contributors to the nation's progress and is passionate about creating an environment conducive to holistic growth and development.

Bharti's dedication to excellence in higher education is evident through his strategic leadership and commitment to innovation. His visionary approach has not only elevated the academic reputation of the universities he has led but has also paved the way for significant progress and development in various fields. With a strong belief in the transformative power of education, Dr. Bharti continues to inspire and guide students and faculty towards achieving greater success and societal impact. Through his emphasis on quality education, research, and fostering entrepreneurial spirit, he is shaping the next generation of leaders and innovators. Dr. Bharti's holistic approach to education underscores his commitment to nurturing talent and contributing to the overall growth and development of the academic community.

Bharat Samman Nidhi Puraskar–2024

Captain (Dr.) Dinisha Bhardwaj Singh
Principal, DPSG, Ghaziabad

Distinguished Principal of The Year Award - 2024

Captain (Dr.) Dinisha Bhardwaj Singh is an esteemed educator and leader serving as the Principal of DPSG, Ghaziabad. With a rich background in education and a distinguished military career, Captain Singh brings a unique blend of discipline, innovation, and dedication to her role as an educational leader.

Captain (Dr.) Dinisha Bhardwaj Singh is a visionary leader committed to providing holistic education and nurturing the overall development of students. She believes in fostering a culture of excellence, inclusivity, and innovation, where every student is empowered to realize their full potential. Through effective leadership and collaboration, she endeavors to create a conducive learning environment that inspires students to become compassionate global citizens and leaders of tomorrow.

Under Captain Singh's leadership, DPSG, Ghaziabad, has witnessed remarkable strides in academic excellence and holistic development. Through innovative teaching methodologies, personalized attention, and a focus on skill development, she has ensured that students receive a well-rounded education that prepares them for the challenges of the 21st century.

Beyond the confines of the school, Captain (Dr.) Dinisha Bhardwaj Singh is actively engaged in community service and outreach initiatives. She believes in instilling a sense of social responsibility and empathy in her students, encouraging them to actively contribute to the welfare of society. Whether through organizing community drives, environmental initiatives, or social awareness campaigns, she leads by example and inspires others to make a positive difference in the world.

Captain (Dr.) Dinisha Bhardwaj Singh is a dynamic leader, passionate educator, and compassionate mentor dedicated to shaping the future leaders of tomorrow. Through her unwavering commitment to excellence and tireless efforts to uplift her students and community, she continues to make a lasting impact on the educational landscape and beyond.

Bharat Samman Nidhi Puraskar–2024

Mr. Satish Sadasivan

Founder & CEO - Evolve Global Corp.

Most Promising Brand in the Field of Digital

Marketing and Business Process

Heading Evolve Global Corp since 2020, my professional voyage spans over five decades, encompassing a diverse array of experiences across various continents and industries. From the vibrant markets of India and the Middle East to the dynamic business landscapes of the United States, I have steered with fervor, creativity, and strategic insight. Our recently established holding company in New York, Evolve Global Corp, encompasses three primary entities:

- EvolveBPM: A provider of demand generation solutions with a keen emphasis on technology and innovation.
- Evolve BPO: Offers Business Process Outsourcing services, encompassing back-office solutions and multi-channel customer experience services.
- Evolve Cloud Labs: A Cloud Native Adoption platform empowered by Amazon Web Services (AWS).

Our workforce fuels the group with over 300 Full-Time Equivalents (FTEs) worldwide, spanning the USA, the UK, the Philippines, the Dominican Republic, and India.

Satish Sadasivan's career path is truly an inspiring journey of success and achievement. His leadership in sales and business units at renowned companies like HP and Cognizant has been remarkable. By cultivating various business domains from IT to BPM, he has demonstrated a unique ability to transform ideas into highly profitable ventures. Under his guidance, revenues soared from \$10 million to an impressive \$250 million, showcasing his strategic vision and business acumen.

Furthermore, Mr. Sadasivan's contribution to the field of marketing is equally noteworthy. His co-authorship of "ABMazing: The Art of Hunting Whales with Tiny Nets" reflects his expertise in account-based marketing. This comprehensive guide, available on Amazon, serves as a valuable resource for professionals seeking insights into this innovative approach.

Overall, Mr. Satish Sadasivan's career highlights serve as a testament to his dedication, creativity, and exceptional leadership skills, making him a true trailblazer in the business world.

Bharat Samman Nidhi Puraskar–2024

His story serves as a reminder that with perseverance, creativity, and a commitment to excellence, one can turn dreams into reality and leave a lasting legacy of success and positive change.

Bharat Samman Nidhi Puraskar-2024

Dr. Anil Santu Kale

President - Anand Medical Foundation

*Most Promising Educationist
& Health Care Expert Award*

Dr. Anil Santu Kale started his medical practice in Kuruli, a small village in Khed taluka, around thirty kilometres from Pune city. To avoid inconvenience of the villagers and to provide health facilities to them Mr.Kale started a small OPD. At the same place. while doing all this, there was no facility to give English medium education to the children in the village where he was practicing as a doctor. For proper education the small kids had to travel for four to five hours every day and due to this the incidence of sickness among the children was increasing. There is a Marathi school in Kuruli up to 10th standard. And after 10th. It has been a practice that the girls were put to get married once they pass 10th standard and no further education was given to them.

To educate such villagers and the girls, Mr. Kale started a nursing college which is recognised by Maharashtra Nursing council and was started in 2006 and in 2007 an English medium school was started to provide quality education to village children. Today free education is provided to poor and needy girls in nursing. Similarly, if there is any natural calamity in the state or the country.

Dr. Anil Kale is always at the forefront of providing medical facilities first Flood situation in the state Earthquake, drought, and most importantly, the crisis of the Corona disease that has come to the world. During this period, Dr. Kale has done a very responsible job of saving the lives of thousands of people without caring about his own life. And now has started a junior college for the rural areas and concentrate a vision toward health and education which is very important part of life.

Bharat Samman Nidhi Puraskar-2024

Dr. Karunesh Raghuvanshi
 Director, Mahesh Memorial Public School,
 Bagh, Dist- Dhar M.P.

Education Excellence Award

He has extended his educational endeavours to sports, with students from his school excelling in disciplines such as boxing, Cricket, Archery and throwball, achieving national recognition. His institution's involvement in various government initiatives, including Electoral events, highlights its significance in the community.

During the challenging COVID-19 pandemic, Mr. Karunesh's school played a pivotal role. It served as a makeshift hospital for an extended period, providing much-needed healthcare facilities to those in need. This act of selflessness and community support further underscores Mr. Karunesh's commitment to the welfare of society.

Mr. Karunesh Raghuvanshi's remarkable work in education has left an indelible mark on the lives of thousands of students and underprivileged children.

His three schools, catering to over 5,000 students annually, have not only made education accessible and affordable but have also significantly improved its quality. By establishing these institutions in remote areas of Madhya Pradesh, His institution also played a pivotal role in curbing migration, preventing children from leaving their villages to pursue education elsewhere. His efforts to provide education at minimal fees and abundant growth opportunities have not only enriched the lives of countless individuals but have also contributed to the educational development of the nation, fostering a brighter future for all.

He has played a crucial role in fostering their development by enhancing children's language skills, mainly through dictation exercises. Through his efforts, Mr. Karunesh has helped students improve their writing and expand their vocabulary, equipping them to communicate effectively. Moreover, his emphasis on teaching various types of letters has empowered students to write in the correct format on any given topic. This approach has elevated their proficiency in Hindi and English and strengthened their listening skills, writing abilities, and grammar.

Bharat Samman Nidhi Puraskar-2024

Shri Tape Sora has been an active and dedicated member of various organizations in Arunachal Pradesh, showcasing his commitment to community service and cultural preservation. With a rich history of leadership roles, including serving as Secretary General of the Siang District Unit of All Arunachal Pradesh Elementary Teacher Association, President of the Indigenous Faith and Cultural Society of Arunachal Pradesh, Vice President of the Galo Indigenous Faith and Cultural Council, and Advisor to the Arunachal Vikas Parishad, among others, he has left a positive impact on his community.

His contributions extend beyond administrative duties, as he has also been involved in grassroots movements such as the Donyi-Polo Movement for Gamgi construction and has been recognized for his efforts with accolades such as the Best Teacher Award in 2021 from the Lower Siang District Administration. Shri Tape Sora's work as a prominent socio-cultural reformer in Lower Siang District, Arunachal Pradesh, highlights his dedication to uplifting his community and preserving its heritage.

Shri Tape Sora's dedication to community service and cultural preservation shines through his involvement in various organizations in Arunachal Pradesh. His leadership roles, from being a Secretary General to a President to a Vice President, demonstrate his commitment to making a positive impact on his community. Beyond his administrative responsibilities, Shri Tape Sora actively participates in grassroots movements like the Donyi-Polo Movement for Gamgi construction, showcasing his hands-on approach to community development.

His efforts have not gone unnoticed, as evidenced by the Best Teacher Award he received in 2021 from the Lower Siang District Administration. Shri Tape Sora's role as a socio-cultural reformer in Lower Siang District, Arunachal Pradesh, exemplifies his unwavering dedication to preserving the region's heritage and improving the lives of its residents.

Bharat Samman Nidhi Puraskar-2024

Dr. Davinder Kaur Dhillon
Head of Physiotherapy Department,
Khalsa College, Amritsar

Distinguished & Dedicated

Head of the Department Award

Davinder Kaur Dhillon is a qualified Cardiopulmonary Physiotherapist, post-graduated in Master of Physiotherapy (Cardiopulmonary) as the university topper and currently pursuing Ph.D. from Guru Nanak Dev University Amritsar. She joined Khalsa College Amritsar in 2010 and was appointed as Head of the Physiotherapy Department at the age of 27. Despite being the youngest HOD in the college, She has proved myself as a competent administrator and have contributed in institution's growth with her excellent leadership skills. Her headship services played a critical role in taking the progress of the department to a whole new level in both curricular and co-curricular activities. Amongst many other achievements, the Khalsa College became the first Physiotherapy educational institution in north India to have the most advanced and high-tech cardio-respiratory laboratory. As Head of Department, She has contributed in the Institution's growth in various areas. She has played a leading role in getting the affiliation of the college with Indian association of Physiotherapists, introduction of 3 streams of post-graduation, affiliation with best hospitals of Amritsar, up-gradation of a common lab to specialized orthopaedic, neurology and cardiopulmonary laboratories, well-equipped charitable OPD with most advanced electrotherapy unit and remarkable improvements in academic performance as well as in infrastructure of the department. She has also held the esteemed position of the Chairperson of Indian Association of Physiotherapists' Punjab Chapter (IAPWC) and have represented female Physiotherapists of Punjab at national level from 2018 to 2021.

Davinder Kaur Dhillon's journey in the field of Cardiopulmonary Physiotherapy is nothing short of inspiring. Her dedication and achievements speak volumes about her commitment to excellence. As the Head of the Physiotherapy Department at Khalsa College Amritsar, she has not only broken barriers but set new standards for leadership and innovation. Under her guidance, the department flourished, introducing cutting-edge technology and pioneering advancements in both academic and practical realms.

Her vision and proactive approach led to significant milestones, such as establishing the first-of-its-kind cardio-respiratory laboratory in north India. Through her strategic affiliations with prestigious institutions and hospitals, she elevated the college's status and expanded its academic offerings. Davinder's tenure as Chairperson of the Indian Association of Physiotherapists' Punjab Chapter further solidified her reputation as a trailblazer in the field.

Holding an M.A. and a B.A. (Hons) from the same prestigious institution, she has consistently demonstrated her commitment to academic excellence. Sania's academic journey includes qualifying for the National Eligibility Test (NET) by the University Grants Commission (UGC) and achieving distinction in Sanskrit certificate and diploma courses.

Her intellectual pursuits extend beyond academia, as evidenced by her thought-provoking papers presented at various conferences. Notable contributions include "Redefining Feminism through a Historical Lens" and "Vinoba Bhave's Vision for a Self-sufficient India." Sania's research papers, published in reputable journals, explore diverse topics such as Nyāyacaturgranthikā, Cosmic Understanding of Kuṇḍalinī, and Vinoba Bhave's Views on Education. Beyond her scholarly achievements, Sania actively engages in extracurricular activities. As the Vice-President of the Student's Union at Shyama Prasad Mukherjee College and a participant in cultural events, she exemplifies leadership and versatility. Her commitment to holistic development is further highlighted by her involvement in the Sri Sathya Sai Human Values Programme.

Sania's journey reflects a harmonious blend of academic rigor, philosophical inquiry, and social engagement. With a keen interest in ethical challenges in media and a nuanced understanding of Vinoba Bhave's philosophy, she emerges as a multidimensional thinker poised to make significant contributions to the academic and societal discourse.

Her involvement in cultural events showcases her diverse talents and her ability to lead with grace and determination.

Bharat Samman Nidhi Puraskar-2024

Dr. Shubham Dilip Mahajan
 Founder , CEO of Prepsmart

Emerging Entrepreneur of the Year Award

Shubham Dilip Mahajan, an esteemed entrepreneur and TEDx speaker, serves as the Founder and CEO of Prepsmart, a startup currently valued at 37.5 Crores. Recognized as a prominent figure in Maharashtra, Dr. Mahajan has been honored with the Pillar of Maharashtra Award in 2022, alongside distinctions such as Edupreneur of the Year, Entrepreneur of the Year, and the Outstanding Humanitarian Contribution Award in the same year. Noteworthy accolades include being featured among India's top 40 under 40 Brightest Business Leaders.

With over 5 years of entrepreneurial experience, Dr. Shubham Mahajan is reshaping the educational technology sector by incorporating diverse elements to fortify today's educational framework, addressing skill gaps. In addition to his educational endeavors, he is set to launch a Quick Service Restaurant (QSR) startup in mid-June.

Prepsmart's core mission is to equip students for national and state-level examinations like JEE Mains, NEET, CAT, and IPMAT while imparting essential skill sets for global readiness. The startup has exhibited remarkable growth, boasting a 200% year-on-year increase. With substantial foreign investments secured, Prepsmart's valuation now exceeds 35 Crores (INR). Dr. Shubham Mahajan's commitment to fostering holistic educational approaches and entrepreneurial success underscores his significant contributions to the industry. The imminent launch of his Quick Service Restaurant (QSR) startup is a testament to Dr. Mahajan's versatility and entrepreneurial acumen.

Mahajan's vision and dedication to revolutionizing the educational landscape have not gone unnoticed. His strategic leadership at Prepsmart has not only propelled the startup to new heights but has also inspired countless individuals in the entrepreneurial and educational spheres. As he continues to push boundaries and explore innovative solutions to bridge educational gaps, Dr. Shubham Mahajan remains a beacon of inspiration for aspiring entrepreneurs and educators alike. By diversifying his ventures, he is not only expanding his influence but also demonstrating his agility in adapting to different industries.

Bharat Samman Nidhi Puraskar-2024

Mr. Shashank Jaiswal
Founder, Marketing Dude, Mumbai

Young Digital Entrepreneur , Podcast Expert Award

As the founder of Marketing Dude in Mumbai, Mr. Shashank Jaiswal bring a wealth of experience and expertise in the field of digital marketing. With a strong background in entrepreneurship and a passion for creating impactful marketing strategies, He have successfully helped numerous businesses achieve their goals and drive growth. His journey in the industry began with a solid education in marketing and business management, which provided me with the foundational knowledge and skills to excel in the competitive world of digital marketing. Over the years, he have honed my skills through hands-on experience, constantly staying updated on the latest trends and technologies to deliver innovative solutions to his clients. In addition to his role as a digital marketer, he has also gained recognition as a podcast expert, leveraging the power of audio content to connect with audiences and build brand awareness. His expertise in this area has allowed him to reach new audiences and expand his reach beyond traditional marketing channels. Overall, his diverse skill set and dedication to excellence has enabled him to make a significant impact in the industry, helping businesses achieve their marketing objectives and drive success. He is committed to continuously learning and evolving to stay ahead of the curve and deliver exceptional results for his clients. Mr. Jaiswal look forward to leveraging his expertise and experience to help you achieve your marketing goals and take your business to new heights. Let's collaborate and create a winning strategy that will set you apart in the digital landscape.

With a unique blend of entrepreneurial spirit, digital marketing expertise, and a knack for podcasting, this promising individual is poised to make waves in the world of online business. Their innovative approach to creating engaging content, building strong connections with their audience, and leveraging the power of new media platforms sets them apart as a true trailblazer in the digital landscape. Stay tuned for their next big venture - it's sure to be nothing short of extraordinary!

Bharat Samman Nidhi Puraskar-2024

Mr. Shiv Chander Arora

*Social Worker, Jalandhar,
World Human Right Protection Commission*

Outstanding contribution to the society as Social Worker Award

Mr. Shiv Chander Arora, a dedicated social worker based in Jalandhar with a passion for advocating for the rights and welfare of individuals in need. With over two decades of experience in the field, He has worked tirelessly to bring about positive change in my community and beyond. His current role as a social worker in Jalandhar involves working closely with marginalized groups, providing them with access to essential services and resources. He collaborate with local organizations and government agencies to address social issues such as poverty, homelessness, and healthcare disparities. Through his advocacy efforts, he strive to empower individuals to lead healthier and more fulfilling lives. In addition to his work as a social worker, he has also served as a member of the World Human Rights Protection Commission. In this capacity, Mr. Arora has been involved in monitoring and promoting human rights practices on a global scale. He has participated in various campaigns and initiatives aimed at raising awareness about human rights violations and advocating for justice and equality for all individuals. His educational background includes a degree in social work, which has equipped me with the skills and knowledge needed to effectively assess and address the needs of vulnerable populations. He has also received specialized training in conflict resolution, advocacy, and community organizing, allowing him to effectively navigate complex social issues and work towards sustainable solutions.

As a social worker and human rights advocate, Mr. Arora is committed to making a positive impact in the lives of those who are most in need. He believe that everyone deserves to be treated with dignity and respect.

Bharat Samman Nidhi Puraskar-2024

Dr. Anand Gupta

Brand Ambassador, Dr. Anand Fitness Art

Award for Medical Innovation and leadership

Anand Gupta contracted polio when he was just nine months old, affecting his right leg. Despite this challenge, he has made a significant impact in the fitness world. His determination, which was evident since childhood when he was discouraged from engaging in regular activities, led him to persevere and exercise like anyone else. Despite his interest, he faced rejection from multiple gyms due to his polio condition.

Dr. Anand Gupta is a renowned Brand Ambassador for Dr. Anand Fitness Art, showcasing his expertise in the world of fitness despite facing challenges from a young age. Affected by polio at just nine months old, he has overcome limitations in his right leg to excel in the field of health and wellness.

Despite being discouraged from physical activities due to his condition, Dr. Gupta's determination led him to pursue his passion for fitness from a young age. His relentless drive pushed him to seek out various gyms; however, his entry was often denied due to his polio-affected leg.

Dr. Gupta's journey is a testament to his resilience and dedication to his craft. Through his personal experiences and struggles, he has honed his skills as a fitness expert, inspiring others to push beyond their limits and achieve their health goals.

With a strong educational background and a wealth of practical experience, Dr. Anand Gupta is well-equipped to serve as a trusted advisor and spokesperson for the fitness industry.

Bharat Samman Nidhi Puraskar-2024

Students are fortunate to learn from such a seasoned professional in the field.

Nandita Singh's dedication to her craft goes beyond the classroom. Her research work on climate change adaptation strategies has been widely recognized in academic circles. Through her publications in renowned journals and participation in collaborative projects, she continues to push the boundaries of geographical knowledge.

Bharat Samman Nidhi Puraskar–2024

Dr. Gitam Singh

Shri Varshney College, Aligarh

Distinguished Professor of the Year

Gitam Singh, an accomplished Associate Professor in the Department of English at Shri Varshney College in Aligarh, is a distinguished academic with an impressive track record. With 15 research papers published in esteemed international journals and 3 books under his belt, Dr. Singh's contributions to the field of English literature are highly regarded. His wealth of experience spans 14 years, during which he has not only conducted valuable research but has also shared his knowledge and expertise with countless students. Dr. Singh's dedication to his work and passion for English literature shines through in his impactful contributions to academia.

His commitment to excellence in teaching and research has not only earned him respect among his peers but has also inspired many aspiring scholars to pursue their academic endeavors with diligence and enthusiasm. Dr. Singh's ability to engage and motivate his students is a testament to his exceptional teaching skills and deep understanding of the subject matter. His students often praise him for his approachable nature and willingness to provide guidance and support whenever needed.

In conclusion, Dr. Gitam Singh's impressive body of work, dedication to teaching, and commitment to academic excellence make him a valuable asset to the Department of English at Shri Varshney College and a respected figure in the academic community. His passion for English literature and his unwavering dedication to his students serve as an inspiration to all who have the privilege of learning from him.

Bharat Samman Nidhi Puraskar-2024

Dr. Jai Prakash Sharma
Founder of Saraswati Mactech, India

Social Activist Award

Jai Prakash Sharma is renowned as a social worker who has made a significant impact in the past decade. Amidst global crises like COVID-19, his work has garnered positive responses. Each day, his team tirelessly provides food to hundreds of individuals, offering continual economic support. Moreover, they have been instrumental in assisting underprivileged families during wedding ceremonies. Driven by a deep-rooted passion for social service, even planting trees during leisure time or delegating the task to his team, his dedication has led some to call him "crazy," but to him, this passion brings inner peace. While predominantly located in urban areas, his heart resonates with rural communities due to the love and blessings they bestow upon him. The overwhelming love and warm receptions he receives upon returning home from these areas deeply touch him, prompting him to reflect on reciprocating this love in his limited time on earth. Dr. Sharma's happiness lies in the joy of others, compelling him to contribute positively wherever he can, without seeking recognition.

While his work primarily focuses on urban areas, Dr. Sharma's heart is deeply connected to rural communities, where he receives immense love and appreciation. Beyond his team's remarkable efforts, Dr. Sharma's personal involvement in activities such as planting trees highlights his deep-rooted passion for creating a better world. Despite some labeling him as "crazy" for his relentless drive, he finds solace and fulfillment in knowing that his actions bring about positive change.

Bharat Samman Nidhi Puraskar-2024

Mr. Kshitiz Bhasin

Founder, My Chhota School brand

Social Activist Award

Kshitiz Bhasin, a professional individual, ventured into establishing my Chhota School brand at the age of 26. During that time, he started work with his father, who worked as a publisher, in selling school books. Kshitiz, a graduate from Delhi University, identified a significant gap between the demand and supply of early age education in the rural market of India. To assess the availability of early age education, Kshitiz conducted surveys in small towns, villages, and similar areas. The results revealed a lack of such educational facilities in these locations, as all schools, whether government or private, only offered classes starting from 1st grade. Recognizing the vital period of brain development until the age of six, Kshitiz realized a substantial demand for early age education in the rural market. Consequently, in 2018, he initiated a chain of affordable preschools. Kshitiz Bhasin's visionary approach to addressing the gap in early-age education has been nothing short of remarkable. His passion for making quality education accessible to all children, especially in rural areas, has been the driving force behind the success of the My Chhota School brand.

Throughout the past five years, Kshitiz successfully established the market presence of My Chhota School brand, despite the existence of prominent competitors. Kshitiz, a bachelor residing in New Delhi with his parents, envisions creating a preschool chain comprising 10,000 schools across India within the next five years. Furthermore, Kshitiz enjoys traveling as a hobby. By recognizing the importance of early childhood education and seizing the opportunity to fill that gap, Kshitiz has not only made a difference in the lives of countless children but has also carved out a unique space for his brand in the competitive education sector.

Bharat Samman Nidhi Puraskar-2024

Prof. (Dr.) Shaikh Yasmeen

*Dr. Rafiq Zakaria College for Women Navkhanda,
Aurangabad*

Dynamic Professor of the year

Professor (Dr.) Shaikh Yasmeen acquired her school education from Shad Adam Shaikh Technical High School in Bhiwandi District, Thane. Following her marriage, she pursued a B.Sc. at Maulana Azad College in Aurangabad, driven by a deep interest in life sciences. Subsequently, she completed her postgraduate studies at Marathwada University and conducted research leading to a PhD degree. Throughout her research journey, she served as a Senior Research Fellow for an ICAR Project in New Delhi and as a Field Assistant for the Ministry of Environment and Forest in New Delhi. Transitioning into academia, she started as an Assistant Professor at Dr. Rafiq Zakaria College for Women in Aurangabad, eventually progressing to the position of Professor. Noteworthy achievements include leading a major research project supported by UGC in New Delhi, as well as two minor research projects funded by Dr. Babasaheb Ambedkar Marathwada University in Aurangabad. Under her mentorship, two students have earned PhD degrees, while seven others are currently pursuing their degrees under her guidance.

Her leadership in major research projects and her extensive publication record reflect her deep knowledge and expertise in the field. Dr. Shaikh Yasmeen's contributions have not gone unnoticed, as evidenced by the numerous awards and fellowships she has received. Her active involvement in national and international conferences highlights her dedication to sharing knowledge and collaborating with peers in the academic community.

Dr. Shaikh Yasmeen has an extensive publication record at both national and international levels, with 12 books to her credit, including contributions to chapters in various publications. Her contributions have been recognized through 14 awards and 10 fellowship awards. Beyond academia, she has served as a Resource Person, Chairman, and Session Chair for national and international conferences, organizing co-curricular activities within the institution. She holds memberships in 13 academic and professional organizations, and has organized an International Webinar in addition to participating in national conferences. Dr. Shaikh Yasmeen has actively engaged in numerous national and international conferences, presenting her research findings on various occasions.

Bharat Samman Nidhi Puraskar-2024

Through weekly meditation sessions held during office hours, he fosters a culture of mindfulness and focus that extends beyond the confines of the workplace.

His commitment to corporate governance, tax advisory, and assurance services showcases his comprehensive understanding of the industry. By encouraging personal growth and holistic well-being among his staff, Alok Misra sets a high standard for leadership in the accounting and finance sector.

Bharat Samman Nidhi Puraskar-2024

Mr. Alok Kumar

Founder of Thore Network City Delhi

Award for Blockchain and AI Expert

Alok Kumar is a prominent figure in the world of blockchain technology and cryptocurrency. Known as Nikstrade in the digital realm, he has spent over 17 years in the financial industry, channeling his passion for blockchain to revolutionize digital currencies. In a world propelled by modern advancements, the confluence of finance and blockchain presents endless possibilities. Alok Kumar, known as Nikstrade in the digital realm, is a visionary leader at the forefront of blockchain technology. With over 17 years of experience in the financial industry, Alok has channeled his passion for blockchain into revolutionizing digital currencies. This biography explores his journey from humble beginnings to his role as a pioneer in the world of cryptocurrency. Born into a modest family, Alok Kumar faced academic challenges during his formative years. While he didn't rank among the top students, he was driven by a yearning for something beyond textbooks and exams. His hardworking father, a dedicated banker, instilled in him the values of hard work and persistence, forming the foundation of his unwavering determination. Inspired by the intricacies of the financial world, Alok decided to explore the domain of trading and investment. Through extensive research, rigorous analysis, and hands-on experience, he gained expertise in stock market operations.

His deep understanding of market patterns, coupled with his determination, led to remarkable achievements and earned him the respect of his colleagues. In 2009, Bitcoin's emergence marked the birth of decentralized digital currency, a transformative technology Alok recognized. Cryptocurrencies, built on blockchain technology, offered secure and transparent financial transactions, free from central authorities. Alok delved into the principles of blockchain, understanding its potential beyond finance. Starting a crypto project was no easy task. Alok faced numerous challenges but remained resolute. He assembled a like-minded team and dedicated himself to research, networking, and engaging with the cryptocurrency community. His consistent efforts established him as a trusted figure in the field.

Alok's entrepreneurial journey led to the founding of Thorecoin, a unique security token backed by a diverse basket of cryptocurrencies and digital assets. This innovation provided investors with a secure cryptocurrency investment option. Alok recognized the need for practical applications of Thorecoin, leading to the emergence of ThorePay, an unconventional payment system that facilitates transactions using Thorecoin. He also established Thore DeFi, a platform for lending, borrowing, and staking activities with Thorecoin. These developments bridged the gap between digital currencies and real-world usage.

Bharat Samman Nidhi Puraskar-2024

Mr. Roshan Kumar Gupta
Founder, Skill Trading Academy, India

Her unwavering commitment to the betterment of women and children in the education sector spans over two decades, during which she has garnered widespread acclaim both nationally and internationally. Known for her resilience and determination, she has led numerous groundbreaking initiatives that have significantly impacted the lives of countless women. Dr. Singh's collaborative efforts with governmental and non-governmental entities have extended support to tuberculosis patients, offered assistance to cancer patients, and brought about positive change in slum areas, MCD schools, hospitals, and various other institutions.

Bharat Samman Nidhi Puraskar-2024

*Mr. Nikunj Deepak Karolia
Computer Engineer, Mumbai*

Best Innovator of the Year

Nikunj Karolia, a Computer engineer hailing from Mumbai, holds a bachelor's degree in Computer Engineering from Shah and Anchor Kutchhi Engineering College and a Diploma in Computer Engineering from Shri Bhagubhai Mafatlal Polytechnic. Formerly employed at TCS for 4.5 years, he has achieved the titles of the youngest SME and youngest Contextual Master, ranking among the top 120 SMEs globally within TCS.

He created the Green Web Application Framework, a vital solution to IT-induced Global Warming. This eco-friendly web development tool, based on C programming, enhances performance by reducing memory load and web application size tenfold. Addressing the limitations of popular frameworks like ASP .NET and Spring Boot, it excels in memory performance and server longevity by implementing an optimized middleware pipeline for 3rd party features. Additionally, it enhances security through license tokens and device information storage. This breakthrough results in significant performance enhancements and a notable decrease in carbon footprint and server heat.

Nikunj Karolia's innovative Green Web Application Framework is revolutionizing the tech industry with its focus on environmental sustainability. By developing this eco-friendly web development tool, Nikunj has not only showcased his technical expertise but also his commitment to addressing the pressing issue of Global Warming caused by excessive IT operations. The impact of Nikunj's creation extends beyond technical innovation.

Bharat Samman Nidhi Puraskar-2024

Mrs. Manju Sharma

Excelling in math from a young age, he dedicated himself to solving challenges to become a self-reliant researcher, with his father being his main supporter. With a focus on mathematics, computer science, biology, and economics, he has authored 30 research papers and two books, one of which was commissioned by a publisher. Despite facing challenges, including mistreatment by doctors leading to a stint in a mental hospital, he rebounded to achieve a degree in B.Stat from ISI Kolkata, followed by a mathematics degree and two computer diplomas. Persistently pursuing his passion, he successfully published four research papers in 2019 and has continued writing papers and books since then.

In 2024, he was honored with a Doctorate from Hessen University, Germany, and received the Bharat Samman Nidhi Purosker in the same year.

Sri Prasenjit Jana's journey is truly inspiring, showcasing determination and passion in the face of adversity. His dedication to mathematics and critical thinking has led him on a remarkable path of academic achievement. Overcoming obstacles, he has emerged as a respected researcher and author, making significant contributions to various fields including mathematics, computer science, biology, and economics.

His story is a testament to the power of perseverance and resilience. Despite setbacks, he never wavered in his pursuit of knowledge and excellence. The support of his father and his unwavering commitment to his passion have been the driving forces behind his success.

Receiving a Doctorate from Hessen University, Germany, and the prestigious Bharat Samman Nidhi Purosker in 2024 are well-deserved honors for his hard work and dedication.

Bharat Samman Nidhi Puraskar–2024

Ms. Lena Lenin
CLASS XII, KV CRPF Pallipuram

Award for Distinguished Student

Lena's dedication and passion for learning have propelled her towards numerous achievements in academics, science, and sports, making her a well-rounded student at Kendriya Vidyalaya CRPF Pallipuram.

In the academic and scientific realm, Lena's brilliance shines through her accomplishments. Being awarded the title of YOUNG SCIENTIST INDIA by SPACE KIDZ INDIA in 2021-2022 is a testament to her innovative thinking and scientific acumen. Additionally, her recognition as a finalist in the KVS National Children's Science Congress and securing a position in the top 50 in Responsible AI for Youth by Intel India further highlight her intellectual prowess. When it comes to sports, Lena's competitive spirit and hard work have not gone unnoticed. Winning a Silver Medal in the KVS National Boxing Championship demonstrates her physical prowess and determination.

Moreover, her achievement of being in the top 50 in the YUVAI National Program showcases her versatility and skills beyond academics. Not to forget, her finalist position in the VAIGA AGRI Hackathon at the State Level organized by the Department of Agriculture, Kerala Government, underscores her ability to excel in diverse fields.

Lena Lenin is truly a shining example of a student who excels in all facets of her educational journey, showcasing her talents and determination in academics, science, and sports alike.

Lena Lenin stands out as a shining example of a student who excels in every aspect of her educational journey, demonstrating her talents and tenacity across academics, science, and sports with equal fervor and excellence.

Bharat Samman Nidhi Puraskar–2024

Dr. G. Thamaraiselvi

Mr. Brijmohan Kr Singh
Blockchain Expert in India,
Founder of Unitymeta Token

Blockchain Expert Award

Mr. Brijmohan Kumar Singh, a visionary leader and one of the most promising Blockchain Experts in India, has carved a niche for himself in the realm of digital innovation. Born and raised in the vibrant city of Mumbai, his journey into the world of technology began at a young age. Fascinated by the potential of blockchain technology to revolutionize various industries, he delved deep into its intricacies, emerging as a beacon of knowledge and expertise.

Brijmohan's academic pursuits led him to obtain a degree in Computer Science from a prestigious institution in India. Armed with a solid foundation in programming and technology, he embarked on a mission to explore the potential of blockchain as a transformative force in the digital landscape.

Driven by his passion for innovation and his desire to make a meaningful impact, Brijmohan founded Unitymeta Token, a pioneering venture aimed at harnessing the power of blockchain to create real-world solutions. Under his visionary leadership, Unitymeta Token has flourished into a trailblazer in the blockchain ecosystem, garnering acclaim for its groundbreaking initiatives and forward-thinking approach.

Beyond his role as the founder of Unitymeta Token, Brijmohan is renowned for his tireless efforts in guiding, helping, and educating the masses on blockchain and its features. Recognizing the importance of widespread adoption and understanding, he has dedicated himself to demystifying blockchain technology, making it accessible to individuals and businesses alike.

Brijmohan's contributions extend far beyond the confines of his own ventures. He is actively involved in various initiatives aimed at promoting blockchain education and fostering innovation within the community. Whether through keynote speeches, workshops, or mentorship programs, he continues to inspire and empower others to explore the vast potential of blockchain technology.
