RPL is committed to delivering quality products and is equipped with the latest equipment and laboratory facilities. Stringent quality checks are carried out from raw materials to finished products to ensure the best quality for our valued customers. Our esteemed Chairman, Mr. Rakesh Mishra, has a vision for excellence. To foster this culture within the organization, it is essential to have a competent workforce at various stages dedicated to innovation, continuous development, and the pursuit of excellence at all levels.

Over time, RPL has successfully established its product distribution throughout the country via the company's own sales godowns, distributors, and dealers managed by our dedicated sales team. RPL products are well-received by our valued customers and many OEMs due to consistent quality controls, timely delivery, and after-sales support.

RPL Industries Limited is located in the Industrial Belt of Ghaziabad (U.P). The plant, built on a 4-acre plot, was established in 2008. Since its inception, RPL has regularly upgraded the plant with modern equipment and technology. Currently, RPL manufactures a comprehensive range of Nylon Tyres for the commercial, farm, and industrial sectors, as well as OTR tyres. Additionally, RPL exports tyres to various countries and manufactures cycle and rickshaw tyres and butyl tubes. The company is committed to delivering quality products and has a modern testing facility and laboratory that ensures quality from raw materials to finished products.

Chairman Rakesh Mishra envisions excellence in the company's products and services.

To achieve this, experienced and skilled manpower works diligently, guided and supervised by technical experts at every step. The tyres and tubes delivered by RPL are thoroughly tested to provide the best mileage and satisfaction to every user. RPL has a vast marketing network consisting of depots, distributors, and dealers supported by marketing executives in every state. The dedicated team at RPL has enhanced the company's image and achieved success in delivering quality products and services. Under the able guidance of the Managing Director, the RPL team adheres to the motto of being committed to delivering quality and service.

With an expertise and legacy of 16 years, we aim to become a major tire industry into a sustainable and connected future, where tires are not just round rubber objects, but intelligent components that enhance safety, efficiency, and environmental responsibility for vehicles of all kinds. We envision a world where tires contribute to a greener planet, reduce accidents, and enable seamless mobility in the era of smart transportation.

# Introduction of ISRHE

The Institute for Social Reforms and Higher Education Charitable Trust, a distinguished entity registered under the Indian Trust Act of 1882 (Registration number 4/247/137-154/104/22), is a prominent organization recognized by the Government of India. Our registration with NITI Aayog NGO Darpan (MHRD) (ID: UP/2022/0313057) and the Department of Income Tax under Section 80G underscores our commitment to transparency and accountability in our endeavors to foster social change.

At the heart of our mission lies the empowerment and socio-economic upliftment of women and children. We believe in the transformative power of entrepreneurship and strive to unlock the potential of these groups by providing them with the necessary tools, training, and support to create sustainable employment opportunities. Our programs are designed to build self-reliance and economic stability, ensuring that women and children can lead lives of dignity and purpose.

In addition to our focus on women and children, the Institute for Social Reforms and Higher Education Charitable Trust is dedicated to supporting persons with disabilities. We offer a comprehensive range of welfare programs and services that cater to their unique needs, fostering an inclusive society where everyone has the opportunity to thrive. Our initiatives include educational support, vocational training, and health care services, all aimed at enhancing the quality of life for individuals with disabilities.

Furthermore, we extend our care to the aged and destitute through a well-established network of residential care homes and non-institutional services. These facilities provide not only shelter and sustenance but also emotional and social support, ensuring that the elderly and marginalized members of society receive the care and respect they deserve. Our holistic approach addresses the physical, emotional, and social needs of these individuals, promoting their overall well-being.

The Institute for Social Reforms and Higher Education Charitable Trust is driven by a deep-seated commitment to social justice and equity. Our initiatives are designed to create long-term, sustainable impact, addressing the root causes of poverty and social exclusion. Through our work, we aim to build a more inclusive and just society where every individual, regardless of their background or circumstances, has the opportunity to achieve their full potential.

In all our efforts, we prioritize collaboration and partnerships with various stakeholders, including government agencies, other non-profit organizations, and the private sector. By working together, we amplify our impact and drive meaningful change on a larger scale. The Institute for Social Reforms and Higher Education Charitable Trust is not just an organization but a movement towards a better, more equitable future for all.

## Chief Guest'S MESSAGE

**Shri Rajeev Shukla Ji**

### Message

As a Member of Parliament in the Rajya Sabha, Vice President of the BCCI, former Minister of the Government of India, and Former Chairman of IPL, it is with great honor that I extend my sincere congratulations to the ISRHE team for their exemplary organization of the World Achievers Summit & Award 2024. This distinguished event, held on the 20th of July 2024 at the Constitution Club of India, Delhi, stands as a beacon of excellence, celebrating the remarkable achievements of individuals from around the globe.

It was a privilege and a profound honor to serve as the Chief Guest for this prestigious award ceremony. The opportunity to witness the recognition of so many esteemed professionals—ranging from doctors and engineers to social workers, vice-chancellors, and other distinguished leaders—was truly inspiring. Each awardee has demonstrated a commendable level of dedication, expertise, and commitment in their respective fields, contributing not only to their professions but also to the advancement of society as a whole.

To the awardees, I extend my most heartfelt congratulations. Your exemplary work and unwavering dedication have not only earned you this well-deserved recognition but have also set a high standard for excellence within your fields. Your contributions have significantly impacted society, and your accomplishments serve as a source of inspiration for all.

I would also like to commend the ISRHE team for their meticulous planning and flawless execution of this significant event. The ability to convene such a diverse and accomplished group of global achievers is a testament to your diligence and commitment to celebrating excellence on a global scale.

As we reflect on the accomplishments recognized at this summit, I am confident that the honorees will continue to inspire and lead in their respective domains. Let us draw inspiration from their success and continue to strive for greater heights in our collective pursuit of progress and excellence.

Once again, I offer my deepest congratulations to the ISRHE team and all the esteemed awardees.

Yours sincerely,

**Rajeev Shukla**

**Hon'ble MP - Rajya Sabha,**

**VP BCCI, Ex-Minister - GOI, Former Chairman IPL**

# Guest of Honor 'S MESSAGE

**Shri Sunil Kumar Sharma Ji**

## Message

As the Honorable Cabinet Minister for Electronics & Information in Uttar Pradesh, it is with great pleasure that I extend my heartfelt congratulations to the ISRHE team for the successful organization of the World Achievers Summit & Award 2024. This prestigious event, held on the 20th of July 2024 at the Constitution Club of India, Delhi, has brought together some of the most accomplished and visionary leaders from around the world, showcasing their remarkable contributions to society.

I am deeply honored to have been invited as the Guest of Honor at this distinguished award ceremony. It was an inspiring experience to witness the recognition of such a diverse group of individuals—doctors, engineers, social workers, vice-chancellors, and other esteemed professionals—each of whom has made significant contributions in their respective fields. The dedication, innovation, and excellence demonstrated by these awardees are truly commendable and serve as an example for others to follow.

To the awardees, I offer my warmest congratulations. Your achievements are a reflection of your hard work, perseverance, and commitment to making a difference in the world. You have set new standards of excellence and have made a lasting impact on your communities and industries. Your recognition at this summit is well deserved, and I am confident that you will continue to inspire and lead in your respective fields.

I would also like to take this opportunity to commend the ISRHE team for their meticulous planning and seamless execution of this event. Bringing together such a diverse and accomplished group of global achievers is no small task, and the success of this summit is a testament to your dedication and professionalism.

As we celebrate the achievements of these distinguished individuals, let us all draw inspiration from their success and continue to strive for excellence in our own endeavors. Together, we can work towards building a brighter, more prosperous future for all.

Once again, my heartfelt congratulations to the ISRHE team and all the esteemed awardees.

Yours sincerely,

**Sunil Kumar Sharma**

**Honorable Cabinet Minister, Electronics & Information , Uttar Pradesh**

# Guest of Honor 'S MESSAGE

**Shri Rakesh Mishra**

As Chairman of RPL Industries Limited, Ghaziabad, it is both an honor and a privilege to extend my heartfelt congratulations to the ISRHE team for their exemplary efforts in organizing the World Achievers Summit & Award 2024. This grand event, held on 20th July 2024 at the Constitution Club of India, Delhi, was a remarkable celebration of global excellence, innovation, and leadership.

I feel truly honored to have been invited as the Guest of Honor at this prestigious award ceremony. The opportunity to witness such an extraordinary assembly of distinguished achievers from across the globe was a humbling experience. Each awardee has demonstrated exceptional dedication, innovation, and commitment in their respective fields, making significant contributions not only to their industries but also to society at large.

I would like to express my deepest gratitude to Shri Rajeev Shukla Ji, Hon'ble Member of Parliament - Rajya Sabha, VP BCCI, Ex-Minister - GoI, and Former Chairman IPL, for gracing the occasion as the Chief Guest. His presence was a testament to the importance of recognizing and honoring those who have made outstanding contributions to the world.

To all the awardees, I extend my warmest congratulations. Your remarkable achievements are a source of inspiration for all of us. You have set new benchmarks of excellence, and your recognition at this summit is a well-deserved acknowledgment of your hard work, vision, and dedication. Your contributions have had a profound impact, and you are truly deserving of this honor.

I also commend the ISRHE team for their meticulous planning and flawless execution of this event. Organizing a summit of such magnitude is a challenging task, and the success of this event is a reflection of your dedication and commitment to excellence.

As we celebrate the accomplishments of these distinguished achievers, let us continue to strive for excellence, fostering a spirit of collaboration and innovation that will propel us toward a brighter and more prosperous future.

Once again, congratulations to the ISRHE team and all the esteemed awardees.

Warm regards,

**Rakesh Mishra**

# Guest of Honor 'S MESSAGE

**Shri Bhante Sanghpriya Rahul Ji**

I am honored to extend my heartfelt congratulations to all the distinguished awardees who were recognized at the World Education Summit and Awards 2024, held on 20th July 2024 at the Constitution Club of India. This prestigious gathering stands as a beacon of inspiration for all those who believe in the transformative power of education. The achievements and contributions of each awardee are a testament to their unwavering commitment to nurturing young minds, fostering innovation, and paving the way for a brighter, more inclusive future.

Your dedication to the field of education is not just commendable but vital to the progress of our society. In your classrooms, laboratories, and institutions, you are not merely imparting knowledge but also shaping the values and aspirations of future generations. Your recognition at this summit is a well-deserved acknowledgment of the hard work, perseverance, and passion that each of you brings to your work. It is also a reminder of the profound impact that educators and innovators have on the fabric of our nation.

I would also like to extend my sincere gratitude to the organizers, ISRHE, for their exemplary efforts in creating a platform that celebrates educational excellence. By bringing together thought leaders, educators, and visionaries, you have fostered an environment of collaboration and learning that will undoubtedly lead to new ideas and initiatives for the betterment of our educational system. Your dedication to promoting and recognizing excellence in education is truly inspiring and plays a crucial role in driving the nation forward.

As we celebrate these achievements, let us also remember the immense responsibility that comes with being an educator or leader in this field. May your work continue to inspire others, and may you remain steadfast in your commitment to spreading knowledge and wisdom for the betterment of all.

With deep respect

**Shri Bhante Sanghpriya Rahul Ji**  
National President  
Indian Buddhist Association, India

# Guest of Honor 'S MESSAGE

**Mr. Sangsoo Koo**

I am honored to extend my heartfelt congratulations to the ISRHE team and all the distinguished awardees from around the globe who participated in the prestigious World Achievers Summit & Award - 2024, held on the 20th of July at the Constitution Club of India, Delhi. The event was a remarkable celebration of excellence, innovation, and leadership across various fields, bringing together some of the most accomplished individuals from diverse backgrounds.

As the Chairman of the Korean Association in India, I am particularly proud to witness the global recognition and collaboration fostered by this summit. Such platforms are crucial in building bridges between nations, cultures, and industries, promoting mutual growth and understanding. The presence of eminent personalities from different parts of the world under one roof, united by the common goal of advancing human achievement, speaks volumes about the inclusive vision and commitment of ISRHE.

The event was graced by the esteemed Chief Guest, Shri Rajeev Shukla Ji, Hon'ble Member of Parliament - Rajya Sabha, Vice President of BCCI, and Former Minister of the Government of India. His inspiring words and support for this initiative underscored the significance of acknowledging and rewarding talent, perseverance, and excellence in every sphere of life.

I congratulate all the awardees for their outstanding contributions and achievements. Your dedication and hard work have not only set new benchmarks but also serve as an inspiration to many. The accolades you have received are well-deserved, and I wish you continued success in your future endeavors.

Once again, my sincerest congratulations to the ISRHE team for organizing such a successful and impactful event. May the World Achievers Summit & Award continue to grow and inspire many more in the years to come.

Mr. Sangsoo Koo

Chairman, Korean Association in India

# ISRHE President's MESSAGE

## **INSTITUTE FOR SOCIAL REFORMS AND HIGHER EDUCATION**

The Institute for Social Reforms and Higher Education is committed to nurturing the future leaders and innovators across diverse domains. Our primary objective is to offer a platform for young professionals in research, business, medicine, and engineering to showcase their talents and capabilities.

We advocate for equal opportunities for all individuals to pursue their passions and accomplish their objectives. To this end, we provide an array of resources and support services tailored to assist young aspirants in achieving success in their chosen fields.

Whether your aspirations lie in academia, entrepreneurship, or community impact, the Institute for Social Reforms and Higher Education stands ready to support you. Our seasoned professionals are dedicated to providing the necessary mentorship and assistance for you to excel and realize your full potential.

If you are a young professional in the realms of research, business, healthcare, engineering, or any other field seeking to make a meaningful impact, we invite you to explore the offerings of the Institute for Social Reforms and Higher Education. With our guidance, you can transform your visions into reality and contribute positively to the world.

At the Institute for Social Reforms and Higher Education, we are firm believers in the transformative power of nurturing talent and fostering innovation among the youth. Our core mission is to empower the future leaders in research, business, healthcare, and engineering, among other disciplines.

We uphold the value that every individual merits an equitable chance to pursue their dreams and fulfill their ambitions. Hence, we furnish a comprehensive range of resources and support services designed to empower young individuals to thrive in their respective fields.

*Atul Kumar Sharma*

**PRESIDENT - ISRHE**

# Managing Editor's MESSAGE

## INSTITUTE FOR SOCIAL REFORMS AND HIGHER EDUCATION

**Ms. Reshu Gupta**

The Institute for Social Reforms and Higher Education is dedicated to cultivating the next generation of leaders and innovators across various sectors. Our foremost goal is to provide a platform for young professionals in research, business, medicine, and engineering to demonstrate their skills and potential.

We champion equal opportunities for all individuals to pursue their interests and achieve their goals. To this end, we offer a diverse range of resources and support services tailored to help young aspirants succeed in their chosen fields.

Whether your ambitions are in academia, entrepreneurship, or community service, the Institute for Social Reforms and Higher Education is committed to assisting you. Our experienced professionals are devoted to providing the guidance and support necessary for you to excel and reach your full potential.

If you are a young professional in research, business, healthcare, engineering, or any other field striving to make a significant impact, we encourage you to explore the offerings of the Institute for Social Reforms and Higher Education. With our assistance, you can turn your aspirations into reality and make a positive contribution to society.

At the Institute for Social Reforms and Higher Education, we strongly believe in the transformative influence of nurturing talent and fostering innovation among young individuals. Our fundamental mission is to empower the future leaders in research, business, healthcare, engineering, and various other disciplines.

We uphold the principle that each individual deserves an equal opportunity to pursue their dreams and achieve their aspirations. Therefore, we provide a comprehensive array of resources and support services aimed at empowering young individuals to thrive in their respective fields.

A handwritten signature in blue ink, likely belonging to Ms. Reshu Gupta.

## Editor's Choice

India's rapid digitization has transformed the way people live, work, and interact. The country has witnessed a remarkable surge in internet users, with more than 700 million people now online. However, despite this progress, the digital divide—a disparity in access to digital technology and the internet—remains a significant challenge. This divide is particularly pronounced between urban and rural areas, as well as across different socio-economic groups.

# Digital Divide &

Compounding this issue is the rising threat of cybersecurity breaches, which pose a serious risk to both individuals and the nation as a whole. The digital divide in India is largely a consequence of socio-economic and geographical disparities.

Urban areas, especially major cities, enjoy extensive internet coverage, with access to high-speed broadband and the latest digital devices. This connectivity enables urban dwellers to participate fully in the digital economy, access online education and healthcare services, and stay connected with the world.

In stark contrast, many rural areas still struggle with limited or no internet connectivity. The infrastructure required to support high-speed internet is either inadequate or nonexistent in these regions. Even where basic connectivity exists, access to affordable devices like smartphones, laptops, and tablets is often limited. This gap in digital access restricts opportunities for education, healthcare, and economic advancement, perpetuating the cycle of poverty and social exclusion.

# Cybersecurity in India

The COVID-19 pandemic has further highlighted the digital divide. As schools, businesses, and public services moved online, those without reliable internet access or digital devices were left behind. Students in rural areas faced significant challenges in accessing online education, and many small businesses struggled to adapt to digital operations, leading to financial losses and job insecurity. As India becomes more digitally connected, the risk of cybersecurity threats has increased dramatically. Cyberattacks, including data breaches, ransomware attacks, and phishing scams, have become more frequent and sophisticated. These threats not only target individuals but also pose significant risks to businesses, critical infrastructure, and national security.

In recent years, India has experienced several high-profile cyberattacks, including breaches of government databases, financial institutions, and healthcare systems. These incidents have exposed sensitive personal and financial information, leading to financial losses, identity theft, and a loss of public trust in digital systems.

In the year 2024, the Institute for Social Reforms and Higher Education (ISRHE) envisions a comprehensive set of initiatives aimed at empowering society, providing opportunities for special-abled children, and contributing to the holistic development of the nation. By addressing key societal challenges and leveraging the potential of education, innovation, and community engagement, ISRHE aims to foster positive change and create a more inclusive and equitable society.

ISRHE recognizes the importance of addressing social inequalities and promoting inclusive growth. In 2024, we propose to launch community development projects focused on areas such as healthcare, sanitation, education, and livelihoods. These initiatives will involve partnering with local communities, NGOs, and government agencies to identify needs, implement sustainable solutions, and empower individuals and families to lead dignified lives.

*Empowering Society*

In 2024, ISRHE will establish special education programs and inclusive learning environments for special-abled children. These initiatives will provide personalized support and vocational training, ensuring every child has the opportunity to reach their full potential.

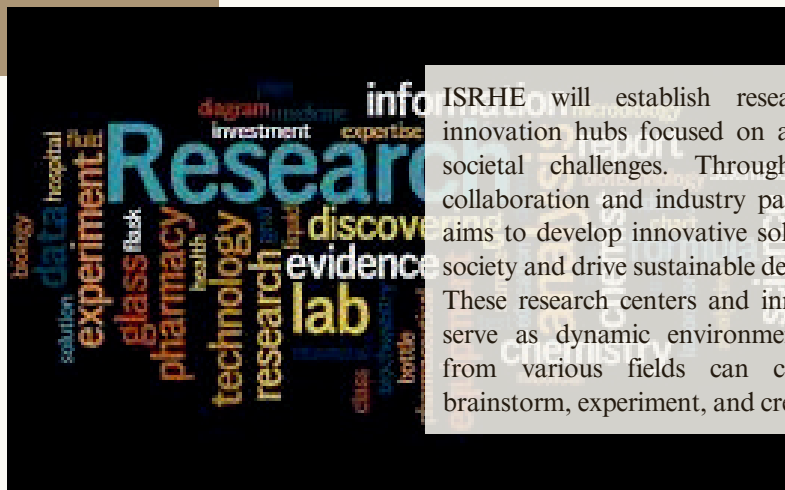

# Supporting Special- Able Kids

Education is key to nation-building, and ISRHE will focus on expanding access to quality education across diverse communities. By establishing new educational institutions and promoting digital literacy, ISRHE aims to equip students with the skills needed for success in the 21st century.

In addition to creating new educational opportunities, ISRHE is committed to fostering a culture of lifelong learning.

*Nation Building  
Through Education*

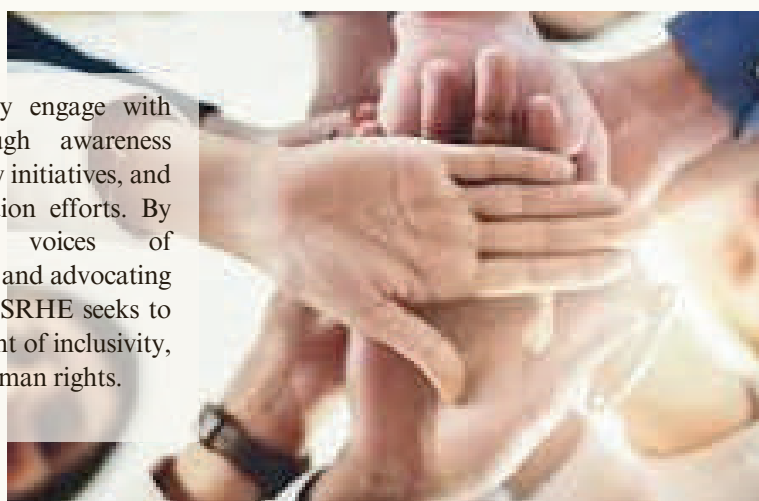

ISRHE will establish research centers and innovation hubs focused on addressing pressing societal challenges. Through interdisciplinary collaboration and industry partnerships, ISRHE aims to develop innovative solutions that benefit society and drive sustainable development. These research centers and innovation hubs will serve as dynamic environments where experts from various fields can come together to brainstorm, experiment, and create.

# Promoting Research and Innovation

## Community Engagement and Advocacy

ISRHE will actively engage with communities through awareness campaigns, advocacy initiatives, and grassroots mobilization efforts. By amplifying the voices of marginalized groups and advocating for policy reforms, ISRHE seeks to create an environment of inclusivity, social justice, and human rights.

In 2024, ISRHE is poised to embark on a journey of empowerment, inclusion, and nation building. Through targeted initiatives aimed at empowering society, supporting special-abled children, and contributing to the development of the nation, ISRHE seeks to create a more just, equitable, and prosperous future for all. By harnessing the power of education, research, and community engagement, ISRHE aims to be a catalyst for positive change and a beacon of hope for generations to come.

ISRHE envisions a future where every individual is valued, respected, and given the opportunity to thrive. With a strong commitment to diversity and inclusivity, ISRHE is dedicated to breaking down barriers, fostering understanding, and building bridges across communities. Through collaborative efforts with government agencies, non-profit organizations, and local communities, ISRHE will continue to pave the way for a more unified and harmonious society.

As we look ahead to the challenges and opportunities that lie before us, ISRHE remains steadfast in its mission to empower individuals, uplift marginalized groups, and drive sustainable progress. By championing innovation, creativity, and compassion, ISRHE is not only shaping a better tomorrow but also laying the foundation for a brighter and more promising future for all. Together, let us embark on this transformative journey towards a world where everyone has the chance to thrive, succeed, and make a meaningful difference in the world.

In the pursuit of its vision, ISRHE will be guided by principles of empathy, integrity, and excellence. By fostering a culture of collaboration, innovation, and continuous learning, ISRHE aims to inspire individuals to reach their full potential and make meaningful contributions to society. Through a holistic approach that integrates academic rigor with real-world application, ISRHE will equip its students with the skills, knowledge, and values needed to address complex challenges and lead with compassion and wisdom.

Moreover, ISRHE recognizes the importance of sustainability and environmental stewardship in creating a better world for current and future generations. By promoting eco-conscious practices, renewable energy solutions, and environmental education, ISRHE is committed to being a responsible global citizen and a champion for environmental preservation.

## World Achievers Summit & Award - 2024

*Mr. Rajan Gupta*

*Director Execution-Make it Happen Solutions  
Gurgaon, Haryana*

## *Business Leadership Excellence Award - 2024*

Started in 2010, 10x Make it Happen is India's renowned management consulting firm that has helped more than 100+ companies multiply their sales and profitability. The firm multiplies its revenue and profits by building powerful consumer brands and high-growth Sales Ecosystems.

10x Make it Happen is the only company that develops a 360-degree 'make it happen' blue-print encompassing everything needed to accomplish extraordinary growth and also works with clients to execute the same transformation projects in mission-mode, and deliver the results.

It has pioneered the art and science of building fail-safe execution designs as part of its SPEAR framework. It has worked closely with more than 100+ companies including Ozone India, KEI Wires and Cables, Religare, Escorts, East Auto Power Limited. and many others.

### **The SPEAR Framework**

Make it Happen has holistically designed SPEAR Framework – the 12 building blocks to ensure an enterprise works on every possible aspect of sales excellence. Specifically designed for 10X growth, the framework strives to achieve a 1000% sales scale-up for enterprises with proven results in a short time. The management consulting firm leverages the potential of the enterprise's current resources and capabilities to build an agile and flexible team for long-term success.

### **How does it work?**

10x Make it Happen has deep industry and functional expertise that capitalizes on a uniquely collaborative model. It works on a three-pronged approach to help enterprises scale 10X in a fiercely competitive landscape. As part of the fail-safe business model, it develops a game plan that supports value creation and precise implementation, enabling the clients to thrive in a growth-oriented ecosystem.

### **Technology embedded approach**

To simplify complex business processes, 10x Make it Happen integrates technology to digitize and automate internal sales and support operations. As a result, it maximizes productivity to acquire, retain and serve customers, while creating sustainable economic growth and value. Additionally, it also integrates channel and customer networks to help enterprises tap customers and channels through automated platforms for highly efficient and scalable growth.

## World Achievers Summit & Award - 2024

*Dr. Regeena Jeppiaar Murali*

*Founder Chancellor - Jeppiaar University , Jeppiaar Nagar, Semmencherry, Chennai, India*

## Innovative & Young Chancellor of the Year Award - 2024

Dr. Regeena J. Murli is a distinguished educationalist, industrialist, and philanthropist, serving as the Chairman & Managing Director of the Jeppiaar Group of Institutions. She oversees a network of educational institutions, including Jeppiaar Engineering College, Jeppiaar SRR Engineering College, and Jeppiaar Schools, transforming them into leaders in technical and management education. Her visionary leadership extends beyond academics; she established the Jeppiaar Sports Academy, which offers free education, sports training, and accommodation to over 450 economically disadvantaged yet talented students.

The academy includes specialized programs like the Jeppiaar Tamil Thalaivas Residential Kabaddi Academy and the Football Plus Professional Soccer Academy, ensuring comprehensive support for student-athletes.

Dr. Regeena's philanthropic endeavors are vast. She actively works with NGOs, adopts villages like Manambathy and Elil Muga Nagar in Tamil Nadu, and enhances their infrastructure and education systems. Her efforts include providing essential amenities such as e-toilets, educational materials, and sports equipment to government school students in these villages. She is also recognized globally, collaborating with international figures like His Excellency Suhail Mohammed Al Zarooni of the Dubai Royal Family, who supports her mission to train skilled students in sports. Her contributions to education and philanthropy have earned her numerous prestigious awards. She received the EduIcons Award for Best Sports Promotion & Encouragement from the Governor of Tamil Nadu, the MGR Ratna Award in the Field of Education during the MGR Centenary Celebration in Sri Lanka, and the Dr. APJ Abdul Kalam Award for Excellence in Education from the President of India. Additionally, she was honored with the Business Women of the Year Award at the 7th Kerala State Business Convention and the Best Educationalist Award during the 100th Year Celebration of Dr. MGR. Dr. Regeena's work continues to inspire and uplift countless individuals, solidifying her reputation as a transformative leader in education and social welfare.

## World Achievers Summit & Award - 2024

*Mr. Narender Chinthamu*  
CEO of Mahaa AI

*Award for A Revolutionary Next  
Generation Intelligent AI Virtual  
Assistant in Mahaa AI Smart  
Glasses, IOT, Smart Home,  
Commercial Devices,  
Women & Child Security Devices*

Narender Chinthamu is a visionary technology leader and a key member of the Forbes Technology Council, recognized for his groundbreaking work in artificial intelligence (AI). Holding 108 patents and an MIT certification, Narender has made significant contributions to the field, particularly through his role as CEO of MahaaAi.

This charitable initiative uses AI and virtual assistants to support small businesses, women, and farmers, reflecting his dedication to leveraging technology for social good. Narender's expertise spans leadership, enterprise architecture, AI, big data, and digital transformation. His innovative problem-solving and transformational leadership have earned him prestigious awards such as the Pillars of the Nation Award and the Dr. APJ Abdul Kalam Puraskar Award. As an IASA Certified Chief Enterprise Architect, he ensures that technology strategies align with business objectives, driving efficiency and growth.

In addition to his corporate achievements, Narender is a respected author and thought leader, contributing to academic journals and speaking at international conferences. His global experience in top firms across Europe and the US, combined with his innovative thinking, positions him as a leading figure in the technology landscape, committed to driving growth and societal impact through cutting-edge innovations.

One of Narender's paradigm-shifting contributions is his challenge to traditional celestial mechanics, proposing that the Earth moves toward the sun rather than the sun rising in the east—a concept discussed at MIT, highlighting his innovative mindset.

Narender Chinthamu's blend of technical expertise, global outlook, and commitment to social impact makes him a formidable leader in the technology landscape, constantly driving growth and transformation through cutting-edge innovations.

## World Achievers Summit & Award - 2024

*Prof. P L Joshi*

*Retired Professor,  
MMU University Malaysia & University of Bahrain*

## Lifetime Achievement Award - 2024

Dr. Prem Lal Joshi is an internationally renowned accounting scholar who has made significant contributions to the field of accounting research and education. With a Ph.D. from HNB Garhwal University and an M.Com. from Delhi University, Dr. Joshi has dedicated 44 years to teaching at prestigious institutions across the globe, including NITIE Mumbai, the University of Bahrain, Multimedia University in Malaysia, Bilkent University in Turkey, and the University of Nairobi. A prolific author, Dr. Joshi has published 144 research papers in top-tier international journals on topics such as management accounting, auditing, IFRS, and accounting education.

He has also authored 10 books on budgeting and accounting and contributed over 90 thought-provoking articles for the general public, with a particular focus on India's progress under current leadership.

Dr. Joshi's influence extends to the academic publishing world, where he founded and led four accredited international journals, including the SCOPUS-indexed International Journal of Accounting Auditing and Performance Evaluation (IJAAPE) and Afro-Asian Journal of Finance and Accounting (AAJFA). He currently serves as Editor-in-Chief of the International Journal of Auditing and Accounting Studies (IJAAAS) and as Editor of the American Journal of Finance and Banking Studies.

Throughout his career, Dr. Joshi has supervised 40 master's theses and numerous doctoral and M.Phil. students. He has presented his research at 44 conferences worldwide, including 14 times at the European Accounting Association Congress. His outstanding contributions to academia have earned him numerous awards and honors, and he remains an active member of professional organizations such as the European Accounting Association and the International Association of Accounting Education and Research.

## World Achievers Summit & Award - 2024

*Dr. Rajib Kumar Das*

*Assistant Professor, Eastern Institute for Integrated Learning in Management, Kolkata*

## Innovative Teacher of the Year Award - 2024

Dr. Rajib Kumar Das is a distinguished Assistant Professor at the Eastern Institute for Integrated Learning in Management, Kolkata, with a teaching career that spans over 25 years. Throughout his extensive career, Dr. Das has demonstrated an unwavering commitment to education, shaping the lives of countless students with his profound knowledge and passion for teaching.

Dr. Das views teaching not just as a profession but as a special art form—one that requires devotion, creativity, and a deep understanding of the aspirations and potential of young minds.

His teaching philosophy centers on empowering students to fulfill their dreams, equipping them with the skills, knowledge, and confidence to succeed in their chosen fields. His approach to education is characterized by a genuine dedication to student development, fostering an environment where learning is both inspiring and transformative.

Over the years, Dr. Das has earned a reputation for excellence in teaching, consistently going above and beyond to ensure that his students receive the best possible education. His ability to connect with students, understand their unique needs, and guide them toward success has made him a beloved figure in the academic community.

In recognition of his outstanding contributions to education, Dr. Das has been honored with several prestigious awards. These accolades serve as a testament to his impact as an educator and his commitment to the academic and personal growth of his students. Despite his long and accomplished career, Dr. Das remains as passionate about teaching as ever, eager to continue making a difference in the lives of students for many years to come.

Dr. Das is deeply committed to lifelong learning and professional development, continuously seeking new ways to enhance his teaching and impact. His dedication and passion have made him a respected leader in education, and he remains an inspiring figure for both his colleagues and students.

## World Achievers Summit & Award - 2024

*Dr. Ritu Sharma*

*Medico Social Worker*

*Government Medical College, Raigarh, Chhattisgarh*

## Most Promising Social Worker Award - 2024

Dr. Ritu Sharma is a distinguished Social Scientist with an M.Phil. and Ph.D. in Sociology, currently serving at the Government Medical College, Raigarh (C.G.). With over 25 years of experience, she has significantly contributed to social development, focusing on marginalized communities. Dr. Sharma has dedicated her career to uplifting rural and underprivileged populations through education, healthcare initiatives, and community empowerment. Her notable work includes organizing medical camps to address maternal and child mortality, malnutrition, and hygiene issues in rural areas.

As an advisor to the Women Self-Help Group, she led significant projects from April 2018 to April 2023, enhancing women's income and savings while promoting hygiene, nutrition, and child welfare. These initiatives have positively impacted nearly 30,000 families, with a special focus on tribal, backward, and marginalized women in urban and rural settings.

Dr. Sharma's expertise also extends to awareness programs on issues like adolescent health, malnutrition, and gender equality. She has been instrumental in resource distribution to local organizations, such as Anganwadi centers and disability support centers. Her work with the Asian Development Bank and other international bodies has facilitated the development and implementation of poverty alleviation and livelihood enhancement programs across Chhattisgarh.

She has also played a vital role in various state and national initiatives, including training programs for rural development under the National Rural Development Institute. Dr. Sharma's commitment to empowering women and children is evident in her participation in numerous government programs focused on skill development, legal rights awareness, and social welfare.

## World Achievers Summit & Award - 2024

*Miss Rode Karcho*

*Legendary singer cum Lyricist of Arunachal Pradesh*

*Award For Outstanding Contributions in the Field of Tribal Songs  
& Lyrics of Galo Community of Arunachal Pradesh- 2024*

Miss Rode Karch is an iconic singer and lyricist from Arunachal Pradesh, renowned for her significant contributions to the music of the Galo community. Her musical journey began in the early 1990s, rapidly establishing her as one of the most popular and influential singers in Arunachal Pradesh. Known affectionately as the "Mopin Queen," Miss Karch has made a remarkable impact with her singing and lyrics, particularly in the context of the Mopin festival celebrated by the Galo tribe. Her dedication to preserving and promoting tribal music has earned her numerous accolades and recognitions from various organizations and the state government.

Among her honors are the Mopin Queen Award from the Arunachal Singing Legends Foundation, a Silver Medal from the Government of Arunachal Pradesh, and the Freedom Fighter Anthem Lyricist recognition from a local family-based organization. Additionally, she has been acknowledged with a Recognition/Appreciation Certificate by the Galo Welfare Society for her exceptional contributions.

Miss Karch's extensive body of work includes over 200 local tribal songs and more than 150 lyrics for tribal songs specific to Arunachal Pradesh. Her inspiring career serves as a beacon for the younger generation, setting an example of dedication and excellence in the preservation of indigenous music and cultural heritage. Her influence continues to inspire and guide aspiring musicians and lyricists in the region, reflecting her enduring legacy in the modern music era. Miss Karch's impact extends beyond her musical achievements; she has played a crucial role in the cultural preservation of Arunachal Pradesh's tribal heritage. Her work has not only enriched the local music scene but also fostered a greater appreciation for the Galo tribe's traditions. As a mentor and role model, she actively encourages young artists to explore and uphold their cultural roots. Her contributions have set a high standard for both artistic excellence and cultural stewardship. Miss Rode Karch's legacy is a testament to the power of music in uniting communities and preserving heritage.

## World Achievers Summit & Award - 2024

*Mr. Alok Kumar*

*CEO/Founder Thore Network Pvt. Ltd. (Thorecoin)*

*Entrepreneur of the Year Award*

*(Innovation In Technology)- 2024*

Alok Kumar, the visionary founder of Thore Network PVT LTD, stands at the forefront of technological and cryptocurrency innovation. Under his dynamic leadership, Thore Network has made remarkable advancements in these rapidly evolving sectors. A key achievement is the launch of "Insights," an AI-powered search engine that is set to transform user interaction with the cryptocurrency market. This cutting-edge platform harnesses artificial intelligence to deliver real-time data, analytics, and actionable insights, enabling investors to make well-informed decisions with greater precision.

In addition to the revolutionary launch of Insights, Thore Network has achieved a significant milestone by listing Thorecoin on the Indian market. This development allows users to buy and sell Thorecoin digital assets directly in INR, thus making cryptocurrency trading more accessible and inclusive for a broader audience in India. This strategic move not only enhances the reach of digital assets but also reflects Alok Kumar's commitment to expanding the usability and acceptance of cryptocurrency.

Beyond his contributions to technology and finance, Alok Kumar is deeply invested in nurturing the next generation of tech enthusiasts. Thore Network is at the forefront of AI education, offering specialized courses for students in grades 6-10. These courses are designed to equip young minds with the necessary knowledge and skills to excel in the digital era. Kumar's initiative highlights his belief in the transformative power of education and his vision of a future where AI literacy is a fundamental skill for all.

Alok Kumar's leadership and innovation continue to drive Thore Network's mission to push the boundaries of technology and finance. His contributions extend beyond mere business success, embodying a profound dedication to educational advancement and the broader adoption of digital assets. As Thore Network PVT LTD evolves under his guidance, Kumar remains a pivotal figure in shaping the future of technology and cryptocurrency.

## World Achievers Summit & Award - 2024

*Dr. Rasheedul Haque*

*Associate Professor*

*Faculty of Business, Finance & IT (FOBFIT)*

*MAHSA University, Malaysia*

## Excellence In Research Award- 2024

Dr. Rasheedul Haque is an esteemed Associate Professor of Accounting and Finance at MAHSA University, Malaysia, and a distinguished Fellow of the Faculty of Business, Accounting, and Finance (FOBAF). With over 28 years in academia and the corporate sector, Dr. Haque has made substantial contributions to his field, notably in Strategic Management Accounting, Corporate Finance, Entrepreneurship, and Service Quality in Tourism.

Dr. Haque's scholarly work includes over 230 research articles and two books, with many published in top-tier journals such as SCOPUS and ISI-indexed publications.

He has presented his research at numerous international and national conferences, earning acclaim as a keynote speaker. His exceptional scientific performance was recognized with the Outstanding Scientist Award by the IKSAD Institute (Turkey) in 2022, and he has also received the ICON OF INDIA – 2023 Academic Achievement Award and Gurukul's Bharat Gaurv Puruskar 2023 for his contributions to management and academic excellence.

In addition to his research, Dr. Haque plays a vital role in community service, serving on editorial boards, reviewing academic journals, and supervising PhD theses. His work as an evaluator and his affiliations with global academic organizations highlight his commitment to advancing knowledge and supporting emerging scholars.

Dr. Haque is an approved faculty member of the Malaysian Qualifications Agency (MQA), affirming his expertise in education. His global influence is further demonstrated through his keynote addresses at international conferences in Malaysia, India, and beyond.

Dr. Rasheedul Haque's dedication to research, teaching, and mentorship continues to make a significant impact on the academic community, inspiring future generations and advancing the fields of accounting and finance.

## World Achievers Summit & Award - 2024

*Mr. Pankaj Jain*

*M/S PANKAJ JAIN Aqua Yoga, Jal Yogi*

### *Outstanding Contribution in Aqua Yoga Award- 2024*

Mr. Pankaj Jain has been passionate about swimming and yoga since childhood, earning numerous accolades in national and international masters swimming competitions. Driven by a desire to achieve something unique, Mr. Jain embarked on a groundbreaking journey into Aqua Yoga, a discipline that merges the principles of yoga with the aquatic environment. This innovative practice requires one to overcome the forces of gravity while adhering strictly to yoga's rules and regulations. Aqua Yoga is a testament to Mr. Jain's mental fortitude, dedication, balance, and concentration. It is designed to promote mental tranquility, happiness, and long-term health.

Mr. Jain's commitment to this practice has led him to master Aqua Yoga, achieving an impressive feat by setting ten world records. These records are certified by prestigious organizations, including the International Yoga Book of Records, Asia Book of Records, India Book of Records, Worldwide Book of World Records, and International Book of Records.

In recognition of his extraordinary achievements, Mr. Jain was honored with the World Achiever's Certificate and awards at the World Achiever's and Summit Awards 2024. This accolade underscores his dedication to advancing the legacy of his country and introducing Aqua Yoga to a global audience.

Mr. Jain's pioneering work in Aqua Yoga exemplifies the fusion of traditional yoga practices with innovative approaches, demonstrating a unique path to personal and physical excellence. His contributions continue to inspire others, showcasing how dedication and creativity can lead to remarkable accomplishments in wellness and sports. Through his efforts, Mr. Jain has not only set new standards but also opened doors for future enthusiasts of Aqua Yoga.

## World Achievers Summit & Award - 2024

*Shri Elom Pangkom*

*Social Worker , Arunachal Pradesh*

*Award for Outstanding Contribution in the Field of  
Socio-Cultures in Arunachal Pradesh*

Shri Elom Pangkom is a distinguished social worker and a respected leader within the Adi community of Arunachal Pradesh. Over the years, his unwavering commitment to societal welfare has earned him widespread admiration, making him a beacon of hope and inspiration for many.

Born and raised in the culturally rich and diverse region of Arunachal Pradesh, Shri Pangkom has always had a deep connection to his roots and his community. His early experiences in the region, coupled with a strong sense of social responsibility, propelled him into a life dedicated to the service of others.

His journey as a social worker began with a simple yet profound desire to uplift those around him and create a positive impact on society.

Shri Pangkom's work spans several decades, during which he has taken on multiple roles, each aimed at addressing the various needs of his community. His efforts have not only focused on providing immediate relief to those in need but also on implementing long-term solutions that would ensure sustainable development. Whether it was advocating for the rights of marginalized groups, promoting education, or working on health and sanitation initiatives, Shri Pangkom has always approached each task with the same level of dedication and passion.

One of the hallmarks of Shri Pangkom's leadership is his visionary approach to social work. He has consistently demonstrated an ability to see beyond the immediate challenges, envisioning a better future for his community and taking practical steps to make that vision a reality. His work has not only addressed the symptoms of social issues but has also tackled the root causes, leading to meaningful and lasting change.

His leadership style is characterized by inclusivity, empathy, and a deep understanding of the unique challenges faced by his community. Shri Pangkom has always believed in the power of collective action and has worked tirelessly to bring people together to work towards common goals. His efforts have fostered a sense of unity and purpose among the people of his area, motivating them to contribute to the betterment of their society.

## World Achievers Summit & Award - 2024

**Mr. Anil Malik**

*District Town Planner, Deptt. of Town & Country Planning, Haryana*

## Distinguished Town Planner Award - 2024

Anil Malik is a dedicated and experienced town planner serving in the Town & Country Planning Department of the Government of Haryana. With extensive expertise in urban planning, Mr. Malik has been instrumental in shaping the growth and development of towns and cities across the state. His work plays a vital role in ensuring that urban areas in Haryana evolve in a sustainable and efficient manner, contributing to the overall well-being of residents and the creation of vibrant communities. In his role as a town planner, Mr. Malik is responsible for preparing and implementing comprehensive urban development plans that guide the orderly growth of towns and cities.

His work involves managing land use and zoning, ensuring that new developments adhere to existing regulations and guidelines. By carefully balancing the needs for expansion with the preservation of essential resources, Mr. Malik contributes to the creation of urban spaces that are both functional and environmentally sustainable.

A key aspect of Mr. Malik's approach to urban planning is his commitment to community engagement. He regularly interacts with community members to understand their needs, aspirations, and concerns. By incorporating their feedback into his planning processes, he ensures that the urban environments he helps create are inclusive and reflective of the diverse needs of all residents. His dedication to fostering inclusive urban spaces has been a driving force behind his work, allowing him to develop plans that cater to people from all walks of life, regardless of their socioeconomic status.

Mr. Malik's passion for his work extends beyond the technical aspects of planning. He is deeply committed to creating urban spaces that enhance the quality of life for all residents, providing them with access to essential services, green spaces, and well-designed infrastructure. His efforts have not only improved the physical landscape of towns and cities in Haryana but have also contributed to the social and economic development of these areas.

## World Achievers Summit & Award - 2024

*(Prof.) Dr. Deepak Tandon*

Senior Professor

(Finance & Accounting), Jaipuria School of Business, Ghaziabad

## Distinguished Professor of the Year Award -2024

Dr. Deepak Tandon is a distinguished Senior Professor in the Finance area at Jaipuria School of Business (JSB), Indirapuram, Ghaziabad, with over 42 years of combined experience in academia and industry. With 25 years in academia and 17 years in industry, Dr. Tandon has made significant contributions to both fields, particularly in the realm of finance and banking. Before joining JSB, Dr. Tandon was a revered Professor at the International Management Institute (IMI), New Delhi, where he spent 13 years shaping the academic and professional landscape.

At IMI, he held various key positions, including Programme Chair for the PGDM Banking & Finance program, Area Chair for Finance, Faculty Mentor for the Finance Club, and Head of the Centre for Advanced Banking. He also successfully organized numerous banking conferences and conclaves, demonstrating his expertise and leadership in the field. During 2023-24, he conducted over 10 Management Development Programs (MDPs) for public sector bank professionals across India, focusing on Intensive Credit Management for officers from Scale II, III, and IV.

Dr. Tandon's academic credentials are impressive, holding a Ph.D. from the USA, an MBA in Finance from FMS, Delhi University, an LLB from Delhi University, an MSc from Delhi University, and a CAIIB certification from the Indian Institute of Banking and Finance, Mumbai. His industry experience spans roles in several prestigious banks, including Punjab National Bank, PNB Capital Services, Vysya Bank Ltd, J&K Bank, IndusInd Bank Ltd, and Oriental Bank of Commerce, where he held senior positions such as Vice President and Senior Faculty in Forex and Risk Management, Credit, Treasury, and Banking Operations.

Dr. Tandon has also been a visiting faculty member at various premier B-schools in India and internationally, including IIFT New Delhi, SP Jain Mumbai, IMT Ghaziabad, and the University of Luton/Bedfordshire, UK. He has taught a wide range of finance courses, including Management of Banks, Project Appraisal, Corporate Taxation, Financial Derivatives, and International Finance, among others.

## World Achievers Summit & Award - 2024

*Dr. Shaleesha A. Stanley*

*Pro Chancellor, Jeppiaar University, Chennai, India*

### *Innovative Pro Chancellor of the Year 2024 Award -2024*

Dr. Shaleesha A. Stanley serves as the Pro Chancellor of Jeppiaar University in Chennai, India, where she plays a pivotal role in driving academic excellence and advancing higher education. Her leadership has been instrumental in elevating the university's academic programs and fostering a culture of innovation and collaboration. As Pro Chancellor and formerly as Dean at Jeppiaar Engineering College, Dr. Stanley has overseen significant enhancements to the institution's academic offerings. She has spearheaded the development of cutting-edge laboratories and integrated industry-relevant knowledge into the curriculum, ensuring that students receive a well-rounded and practical education.

Her commitment to staying at the forefront of educational advancements has led to the establishment of strategic partnerships with industry leaders, further enriching the academic environment.

Under her guidance, Jeppiaar University has also initiated start-up incubation programs, providing students and researchers with the resources and support needed to bring their innovative ideas to life. These initiatives have strengthened the university's role as a hub for entrepreneurship and technological advancement.

Dr. Stanley's efforts in achieving ISO certification and leading NBA training have standardized academic processes, contributing to a consistently high quality of education across the university. Her dedication to fostering a supportive and stimulating environment has been particularly beneficial for Ph.D. scholars, who thrive in the enriched academic atmosphere she has cultivated.

Through her visionary leadership, Dr. Stanley has positioned Jeppiaar University as a leader in higher education, committed to academic excellence, innovation, and the holistic development of its students and faculty. Her contributions have not only enhanced the university's reputation but have also significantly impacted the broader educational community.

## World Achievers Summit & Award - 2024

*Dr. (Prof.) Subhash Giri*

*Director, Lady Harding Medical College, Delhi*

### *Visionary Leader in Medical Sciences and Education Award - 2024*

Dr. Subhash Giri is a distinguished medical professional and administrator, currently serving as the Director of Dr. RML Hospital, Delhi. He previously held the esteemed position of Director at Lady Hardinge Medical College and its associated hospitals in New Delhi, where he significantly advanced medical services and infrastructure.

With over 22 years of experience in clinical medicine, teaching, research, and administration, Dr. Giri has made notable contributions to healthcare. His academic credentials include an MBBS and MD in Medicine from PGIMS Rohtak, CST Specialist Training from RCP, UK, and an MBA from FMS Delhi University.

He is also registered on the Specialist Medicine Register, GMC UK, and is a member of various prestigious scientific bodies. Dr. Giri's leadership roles include serving as Medical Director at GTB Hospital & UCMS, East Delhi's largest tertiary care hospital, and Director of the Rajiv Gandhi Super-Speciality Hospital and the Institute of Human Behaviour and Allied Sciences. At GTB Hospital, he expanded the hospital's capacity by adding 350 beds and enhancing critical care facilities like PICU, NICU, and endovascular neurosurgery. He also played a pivotal role in augmenting the oxygen supply during the COVID-19 pandemic, increasing Liquid Medical Oxygen capacity from 20 KL to 103 KL and expanding oxygenated beds from 750 to 1,350.

At Lady Hardinge Medical College, Dr. Giri inaugurated a new Accident & Emergency Block with 94 beds, established a Department of Emergency, and enhanced radiological services. He also added 775 beds in a new hospital building, including ICU and OT facilities, and introduced radio-oncology, integrated medicine, and dialysis departments. An avid researcher, Dr. Giri has authored over 75 research publications and contributed to various medical textbooks. He is also an eloquent speaker, frequently appearing on television programs to discuss health issues and lifestyle disorders.

Dr. Giri is committed to environmental sustainability and community health, leading initiatives in tree plantation, green energy, and public health awareness.

## World Achievers Summit & Award - 2024

***Dr. Amitesh Aggarwal***

*Director, Professor & Unit Head*

*University College of Medical Sciences & GTB Hospital, Delhi*

## Outstanding Medical Educator and Clinician Award - 2024

Dr. Amitesh Aggarwal is the Director Professor and Unit Head at the University College of Medical Sciences (UCMS) and GTB Hospital in Delhi, where he administers high-quality care at the 1,600-bed tertiary-care GTB Hospital, one of the largest in the region. He has been dedicated to teaching and mentoring undergraduate and postgraduate medical students for over 20 years, and has supervised more than 60 postgraduate theses. Dr. Aggarwal is also a PhD Supervisor at the University of Delhi, shaping the next generation of medical professionals. Recognized for his excellence in the field of Internal Medicine, Dr. Aggarwal was awarded the Gold Medal for the best outgoing postgraduate by the University of Delhi in 2004.

He has made significant contributions to Preventive Cardiology, particularly in understanding the risk factors of young coronary artery disease patients. His work in this field has been extensively published, with over 110 publications in national and international journals, along with 45 chapters in medical textbooks. His research continues to influence and drive advancements in cardiology and preventive medicine.

In addition to his clinical and teaching roles, Dr. Aggarwal is deeply involved in academic administration as the Dean of Academics and Director of the Internal Quality Assurance Cell at UCMS and GTB Hospital. He has also played a vital role in organizing numerous international and national medical conferences, furthering the exchange of knowledge and innovation in the medical field.

Dr. Aggarwal's expertise is widely recognized, as evidenced by his membership on editorial boards of various medical journals and his executive roles in national medical bodies. He is a member of the International Advisory Board for the Davidson Textbook of Medicine. His contributions have been honored with fellowships from prestigious institutions such as the Royal College of Physicians (London, Ireland, Edinburgh, Glasgow) and the American College of Physicians.

## World Achievers Summit & Award - 2024

*Dr. Ankur Jauhari*

*Founder & CEO AJ Consultants, Motivational Speaker*

## Educational Reformer of the Year Award - 2024

Dr. Ankur Jauhari is a renowned educationist, academician, and motivational speaker with over 23 years of dedicated service in the education sector. As the Founder and CEO of AJ Consultants, Dr. Jauhari has played a pivotal role in establishing and operating numerous educational institutions across India. His vast expertise spans teaching, research, administration, and curriculum design, making him a key figure in shaping the future of education in the country. In addition to his consultancy work, Dr. Jauhari serves as the Executive Director of several education groups, where he has successfully managed multiple institutions.

His leadership style is characterized by a learner-centric approach, fostering a culture of trust and collaboration among educators, students, and stakeholders. Under his guidance, these institutions have thrived, offering high-quality education and holistic development opportunities for students.

Dr. Jauhari's impact on the education industry has been widely recognized, earning him prestigious accolades, including the 'International Icon Award.' His commitment to education is matched by his dedication to philanthropy. He is actively involved in feeding street animals daily, supporting underprivileged children, and empowering economically disadvantaged girls, reflecting his deep compassion and sense of social responsibility.

Beyond his roles in education and philanthropy, Dr. Jauhari is a respected motivational speaker and life coach. His speeches and workshops inspire individuals to achieve their full potential, and his insights have positively impacted countless lives. As the Secretary of the Private Schools Association in Unnao, Uttar Pradesh, and the Motivational Ambassador for the "Muskuraye Kanpur" initiative in Uttar Pradesh, Dr. Jauhari continues to influence and uplift communities through his leadership and vision.

Dr. Jauhari's contributions to education, community welfare, and personal development underscore his role as a true leader and changemaker. His work is a testament to his belief in the transformative power of education and his unwavering commitment to making a positive difference in society.

## World Achievers Summit & Award - 2024

**Mr. Anirudh Billa**

*Founder & CEO, A.B.H.E.S (Anirudh Billa Human Excellence School) TEDX Speaker | Life Coach | Mental Wellness & Productivity Trainer*

## Best Life Coach & Mindfulness Trainer Award - 2024

Anirudh Billa made a bold decision to leave his high-paying bank job to pursue a path that directly impacts society and contributes to the nation. Driven by a desire to create meaningful change, he completed a Yoga and Meditation teacher training program at Rishikesh Yoga School and went on to establish his social impact startup, the Anirudh Billa Human Excellence School (ABHES).

ABHES is dedicated to training business owners, government employees, private professionals, and students in advanced meditation techniques designed to enhance focus, peace, productivity, and peak performance.

Through these programs, Anirudh helps individuals achieve their career and personal goals, making a significant difference in their lives. His commitment to personal and professional growth has led him to train over 20,000 students and working professionals to date.

As a guest trainer at the State Bank of India's Staff Training College, Anirudh shares his expertise with corporate employees, focusing on career growth and productivity techniques. His innovative approach and dedication to mental wellness have earned him several prestigious awards and recognitions. These include the Former Prime Minister P.V. Narasimha Rao Excellence Award as the Best Coach and Trainer in the Mental Wellness category in July 2022, the Benz Silver Star Award for ABHES as the Best Human Excellence in Mental Wellness, and selection by Fox Story India as one of the Top 100 Best Coaches in India for 2022.

Anirudh's mission is far from over. He aims to reach one million participants in the coming years, transforming lives through mindfulness techniques that foster peace, productivity, and peak performance. His work is not just about teaching meditation but about empowering individuals to achieve their fullest potential, both professionally and personally.

## World Achievers Summit & Award - 2024

*Adv. Sujata Dattaram Gowalkar*

*Strategic Partner & Legal Advisor*

*Head Litigation, M & H Law Chambers, LLP*

## Excellence in Legal Advocacy Award - 2024

Adv. Sujata Dattaram Gowalkar is a distinguished advocate with nearly five years of experience in the legal field. She currently serves as the Strategic Partner & Legal Advisor and the Head of Litigation Department – PAN India at M&H Law Chambers LLP. A graduate of Mumbai University with a Bachelor of Law degree, Adv. Gowalkar has quickly established herself as a prominent figure in the legal community, recognized for her expertise and unwavering commitment to pursuing justice. Adv. Gowalkar's expertise spans a broad spectrum of legal areas, with a primary focus on civil law.

Since 2019, Adv. Gowalkar has amassed extensive experience in civil law, with a specialization in various litigation matters. She has represented clients in diverse legal battles across multiple courts, including the Debt Recovery Tribunal (DRT), Debt Recovery Appellate Tribunal (DRAT), City Civil Courts, Chief Metropolitan Magistrate (CMM) Courts, and the High Court in Mumbai. Her exceptional track record in handling complex legal disputes highlights her profound understanding of the Indian legal system and her relentless pursuit of favorable outcomes for her clients. She is adept at navigating intricate legal frameworks and delivering tailored solutions to meet her clients' unique needs. Her deep understanding of legal principles, combined with practical insights, allows her to devise innovative strategies that effectively address and resolve her clients' challenges. Beyond her professional commitments, Adv. Gowalkar is deeply dedicated to giving back to society. She actively participates in free legal aid camps at the grassroots level, demonstrating her commitment to promoting access to justice for all. Her involvement in these initiatives reflects her passion for serving the community and her belief in the importance of legal empowerment.

Adv. Gowalkar's contributions to the legal profession have been widely recognized. She has been honored with the Rising Star Award and the Legal Innovator accolade by M&H Law Chambers LLP, underscoring her exceptional talent and innovative approach to legal practice.

## World Achievers Summit & Award - 2024

*Dr. Alok Gupta*  
Alok Gupta & Associates

## Outstanding Patent Prosecutor of the Year Award - 2024

Dr. Alok Gupta is a distinguished Mechanical Engineer who has made a remarkable transition into the field of Patent Law, leveraging his extensive engineering expertise. The COVID-19 pandemic prompted him to reassess his career path, leading him to recognize the value of a skill-based business for greater stability and security. This insight drove him to successfully pass the Patent Agent Exam conducted by the Government of India, marking a significant shift in his professional trajectory.

In a bold move, Dr. Gupta left his previous employment to establish his own firm, Alok Gupta & Associates.

Under his leadership, the company has quickly gained prominence, forging Memorandums of Understanding (MOUs) with several prestigious educational institutions across India. In the past year alone, Dr. Gupta has filed and prosecuted over 100 patent and design applications, with more than 50 of these already granted, showcasing his effectiveness and dedication in the patent law domain.

Dr. Gupta is highly regarded in both the legal and engineering communities. He serves as a reviewer for research journals at esteemed institutions such as National Law Universities, reflecting his deep understanding and critical insight into the field. Additionally, he contributes to the academic community by publishing articles in various journals and translating works by IIT professors into Hindi, ensuring accessibility and clarity for students.

His dual expertise in engineering and patent law has earned him considerable respect and recognition. Dr. Gupta's innovative approach and commitment to excellence continue to make significant impacts in both fields, establishing him as a leading figure in the intersection of engineering and legal practice. Dr. Gupta's unique combination of engineering acumen and legal expertise allows him to offer nuanced insights into intellectual property matters, bridging the gap between technical innovation and legal protection. His firm's success and rapid growth underscore his strategic vision and commitment to advancing the field of patent law.

## World Achievers Summit & Award - 2024

*Shri Karken Chiram*

*Legendary Singer, India*

*Legendary Singer and Telefilm Actor of Galo*

*Community of Arunachal Pradesh Award - 2024*

Shri Karken Chiram, an iconic singer and telefilm actor from the Galo community of Arunachal Pradesh, has made significant contributions to the region's cultural landscape. His musical journey began in 1989 when he recorded his first songs for the Galo Tribe at the All India Radio station in Dibrugarh, Assam. This debut led to him becoming an approved artist with All India Radio, marking the start of a distinguished career.

Karken Chiram gained widespread popularity with his initial recordings and quickly became a prominent figure in the music scene.

His extensive repertoire includes numerous local songs in Galo and other tribal languages, as well as Assamese. Among his notable works is the Galo-language song "Neli Nengo Gurbe si," which became a blockbuster hit and inspired many, particularly women, within the Galo community. This song earned him accolades and recognition from women's groups for its empowering message.

In addition to his musical achievements, Shri Chiram has also made a mark as a telefilm actor. He has appeared in several telefilms such as "Marna Cancelled" and "Dard," which were broadcast on local Doordarshan programs in Northeast India. He is also known for his work as a lyricist and composer, contributing significantly to the local music scene.

Shri Chiram holds the distinction of being the first comedy actor from the Galo community. His contributions to music and drama have been recognized with appreciation certificates from the National School of Drama, New Delhi, and the North East Zone Centre, Dimapur, in collaboration with the Department of Art & Culture, Arunachal Pradesh.

Beyond his artistic achievements, Shri Karken Chiram is actively involved in social work, particularly in preserving tribal cultural identities and leading societal initiatives. His dedication to both his art and community underscores his role as a cultural ambassador and leader.

## World Achievers Summit & Award - 2024

**Mr. Sandeep Singh**

*Chairman, Avviare Educational Hub*

*(A College of Higher Education & Skill Development)*

## Dynamic Educationist Award - 2024

Sandeep Singh is a multifaceted leader dedicated to societal betterment through various roles in education, social work, and business. As Chairman of Avviare Educational Hub, he oversees a college focused on higher education and skill development. Singh also serves as President of The Future Ahead Foundation, an NGO engaged in social, cultural, and educational initiatives. Additionally, he is the Director of Shrasth Propbuild Pvt. Ltd., which specializes in budget homes, and has held leadership roles such as Ex-Chairman of Bihar State Cooperative Transport Federation Ltd and Ex-Vice Chairman of Chanpatiya Sehkari Sugar Mill in Betiya District, Bihar.

Singh's significant contributions to education include improving standards in Uttar Pradesh's secondary schools. He has trained 150 teachers in computer skills, aiming to ensure every school has a tech-savvy educator. He also established an online platform for the Uttar Pradesh Secondary Education Board and provided resources to five unaided schools in Ghaziabad and Gautam Buddh Nagar. His efforts extend to organizing faculty development programs, awarding honors for contributions to secondary education, and conducting extensive counseling sessions for students to address various personal and academic challenges.

Singh's commitment to providing free higher education for financially weaker sections is notable. He established a college that offers quality, value-based education and vocational training to students who cannot afford expensive education. More than 1,000 students have benefited from this initiative.

Additionally, Singh has been instrumental in offering free skill development programs to over 3,000 youth, providing them with vocational training in areas like fashion design, beauty, and IT. His support extends to training poor girls through the Delhi Council of Child Welfare, launching self-defense programs for girls, and distributing free bhajan CDs to promote moral values.

## World Achievers Summit & Award - 2024

*Ms. Monidipa Ghosh*

*Doctoral Scholar, University of Delhi*

## *Excellence In Research Award - 2024*

Monidipa Ghosh is a distinguished Doctoral Scholar in the Department of Philosophy at the University of Delhi, where she completed both her undergraduate and postgraduate studies in Philosophy. She also holds a Diploma in Sanskrit from the same institution, reflecting her deep commitment to the Indian Knowledge Traditions. Monidipa is dedicated to bringing the rich academic and cultural values of these traditions to today's youth. Her doctoral thesis offers an innovative approach by bridging philosophical inquiry with musical theory, significantly contributing to both fields.

Monidipa's research prowess is evidenced by her numerous publications, presentations, and the accolades she has received in both academic and cultural domains. Among her honors are the prestigious Sh. Jawahar Lal Ojha Memorial Award, Smt. Churamani Memorial Prize, and Swarveni Ratna. Her work has been showcased at various national and international conferences, including the International Conference on Reflections on Hundred Years of Philosophy in India at the University of Delhi, the National Conference of Darśana Pariṣad at Rani Durgavati University, Jabalpur, and the National Seminar on the Role of Various Organizations/Institutions in the Indian National Struggle at Ewing Christian College, Prayagraj.

In addition to her academic pursuits, Monidipa has a rich background in the performing arts. She has completed Prabhakar, equivalent to a Bachelor of Arts, in both Hindustani Classical Vocal and Odissi Dance. She trained in Odissi Dance under Guru Sh. Santosh Kumar Mohanty ji of the Guru Debaprasad Das style and in Hindustani Classical Vocal under Pt. Ashish Narayan Tripathi ji of the Banaras Gharana. Monidipa has performed at prestigious venues such as the India Habitat Centre and India International Centre in Delhi, Ramakrishna Mission in Srinagar, and Aurobindo Ashram in Delhi. Notably, she had the honor of playing the Tanpura alongside Padma Shri Pandit Umakant Gundecha, Pandit Ramakant Gundecha, and Pandit Akhilesh Gundecha during Swami Vivekananda Jayanti at the Ramakrishna Mission, New Delhi.

## World Achievers Summit & Award - 2024

*Mrs. Veena Khullar*

*Principal, National Wonder Smart School, Mohali*

## Lifetime Achievement Award - 2024

Mrs. Veena Khullar, hailing from a family deeply rooted in education, was profoundly influenced by her father, the late Sh. Dharam Paul Syal, a respected headmaster in Punjab. Despite the challenges of raising twin children, Mrs. Khullar pursued her dream of establishing a school in Mohali, driven by her unwavering dedication to education. This dream culminated in the founding of "National Wonder Smart School," an institution that has consistently demonstrated exceptional academic achievements under her leadership. Known for her humility and steadfast principles, Mrs. Khullar has become a role model for women who aspire to make significant contributions to society through education.

Her journey is a testament to the power of determination and perseverance, illustrating how one can balance personal responsibilities with professional ambitions.

Mrs. Khullar's extensive experience in the field of education is matched by her deep commitment to humanitarian efforts. Her work reflects a lifelong dedication to nurturing young minds and fostering an environment of harmony and learning. Her story inspires many, showing that with passion and resilience, one can create meaningful change in the community.

Through her skills, teachings, and leadership, Mrs. Khullar continues to shape the lives of countless students, contributing to the development of future generations. Her efforts have not only elevated the educational standards at her school but also served as a beacon of inspiration for educators and women across the nation. The legacy she is building is one of excellence, compassion, and a relentless pursuit of knowledge, ensuring that her impact will be felt for years to come. Mrs. Veena Khullar's influence extends beyond the confines of her school, as she actively participates in community initiatives aimed at empowering women and promoting education. Her work has garnered widespread recognition, earning her accolades from educational and social organizations alike. Mrs. Khullar's vision is to create a learning environment where every child is encouraged to excel, not just academically but also in character and values.

## World Achievers Summit & Award - 2024

*Dr. Anju Rani*

*Professor, Botany, K.V. Subharti College of Science,  
Swami Vivekanand Subharti University, Meerut*

## Best Educator Award - 2024

Dr. Anju Rani embarked on her academic journey in 2003, pursuing a Ph.D. in Botany with a specialization in Plant Pathology under the mentorship of Dr. M.A. Ali Khan from C.C.S. University, Meerut, and Dr. M.N. Bhat from the Central Potato Research Institute, Modipuram, Meerut. She was awarded her Ph.D. in 2008, marking the beginning of a distinguished career in academia.

Dr. Rani began her teaching career as an Assistant Professor in the Horticulture Department at Hemwati Nandan Bahuguna Garhwal University, Srinagar Garhwal, Uttarakhand, where she served from December 2006 to September 2011.

She then joined Sri Guru Ram Rai Institute of Technology and Sciences (SGRRITS), Dehradun, before moving to Meerut in 2014 to join the Botany Department at Swami Vivekanand Subharti University. She currently serves as an Associate Professor in the Department of Botany, Keral Verma Faculty of Science at the same university.

Throughout her career, Dr. Rani has demonstrated a deep commitment to education and research. She has taught a wide range of subjects, including Plant Protection, Plant Pathology, Industrial Biotechnology, Microbiology, and more. Her teaching has influenced countless students, nurturing the next generation of botanists and scientists.

Dr. Rani's research contributions are noteworthy, with 65 publications in national and international journals, including Scopus and Web of Science-indexed journals. She has also co-authored five book chapters and five books. Her work has earned her several prestigious awards, such as the Young Women Scientist Award (2017), Excellence in Research Award (2017), and the Best Plant Pathologist Award (2019). In addition, she has four national and international patents in collaboration with other scholars.

Dr. Rani is a life member of various scientific societies and continues to contribute significantly to the field of botany, particularly in Plant Pathology. Her dedication to research and education has established her as a respected figure in her field, with her work recognized both nationally and internationally.

## World Achievers Summit & Award - 2024

*Dr. Binu Siva Singh S K*

*Registrar, Jeppiaar University, Chennai*

## *Innovative and Young Registrar of the Year Award - 2024*

Dr. Binu Siva Singh is a distinguished academic and administrator with a robust educational background and extensive experience in higher education. He holds a Doctor of Philosophy in Electronics from Sathyabama University, a Master of Technology in VLSI Design, and a Bachelor of Technology in Electronics and Communication Engineering. His academic achievements and professional dedication underscore his commitment to advancing education and technology. Dr. Singh's active involvement in numerous prestigious conferences and summits reflects his leadership in the field of education.

As an invitee at the Higher Education Awards 2023 in Bangalore, he participated in a panel discussion on the importance of STEAM education in preparing students for future careers and fostering creativity, as well as on the role of AI and automation in education. He also contributed valuable insights at the Global Education Innovation Summit 2023 and the Higher Education Conclave in Colombo, where he discussed international student mobility and innovations in student management. His international presence continued with participation in the Education 2.0 Conference 2022 in Dubai, where he addressed the role of psychology in classrooms to prevent bullying.

In 2023, Dr. Singh served as a reviewer at the 30th IEEE International Conference on Electronics Circuits and Systems (ICECS) in Turkey, focusing on technology's role in saving humanity. His dedication to academic excellence led him to be a delegate at the South Zone Vice-Chancellors' Conference on NEP 2020, where he discussed the internationalization of education in association with UGC Delhi.

As Registrar, Dr. Singh played a pivotal role in coordinating with Tamil Nadu's Higher Education Department and UGC New Delhi to frame the statutes and ordinances for the successful launch of Jeppiaar University. Additionally, as the Head of the Students and Staff Development Cell at Jeppiaar Engineering College, he facilitated the signing of over 60 MoUs, significantly enhancing the institution's academic and industry connections.

## World Achievers Summit & Award - 2024

### *Dr. Seema Kashyap*

*Associate professor (Law), Himachal Pradesh University  
Institute of Legal Studies AVA-Lodge Campus - Shimla  
Himachal Pradesh*

## *Best Teacher of the Year Award - 2024*

Dr. Seema Kashyap is a distinguished Associate Professor of Law at the University Institute of Legal Studies, Shimla, Himachal Pradesh. With 19 years of teaching experience, she has made significant contributions to legal education and research. Dr. Kashyap has authored 55 research papers published in respected national and international journals. Her recent work includes a project on the judgments of the Himachal Pradesh High Court concerning environmental protection, showcasing her commitment to environmental law. In addition to her research papers, Dr. Kashyap has published four books focusing on women's perspectives, reflecting her deep engagement with gender studies and women's rights.

Her role as a mentor is equally noteworthy, with four Ph.D. students having completed their degrees under her guidance, one Ph.D. thesis submitted, and four LLM students successfully completing their dissertations. Her dedication to student development earned her the Best Teacher Award from the Rotary Club Shimla.

Since 2010, Dr. Kashyap has served as a visiting faculty member at several esteemed institutions, including the Himachal Pradesh Institute of Public Administration (HIPA), IIT Mandi, Indira Gandhi Medical College (IGMC) Shimla, NIT Hamirpur, ITI Shimla, and the Himachal Pradesh Judicial Academy, Ghandal. Her expertise is widely recognized, and she is frequently invited to lecture at various departments of H.P. University Shimla, Amar Ujala Newspaper, and other regional institutions.

Beyond academia, Dr. Kashyap has played an active role in social service. As the District Nodal Officer of the National Service Scheme (NSS), she guided volunteers in significant national events. Under her leadership as an NSS Program Officer, one volunteer represented Himachal Pradesh in the Republic Day Parade in New Delhi in 2021, and another participated in the National Youth Parliament Festival at Parliament House, New Delhi, the same year. Dr. Kashyap also contributes to the legal community as a member of the Advisory Board of Law College at Nalagarh (Awasthi Group of Institutions).

## World Achievers Summit & Award - 2024

*Mr. Sainath Reddy*

*Chartered Accountant, Senior Manager for Analytics & Digital Transformation at ADAMA MNC*

## Educational Reformer of the Year Award - 2024

Sainath is a Chartered Accountant specializing in analytics and digital transformation for a multinational corporation. His career has been defined by hard work and success, but a profound shift occurred when he witnessed the devastating impacts of war. The scenes of cities in ruins, the cries of injured people, and a father holding his lifeless child during the Syrian conflict deeply affected him, causing him to rethink everything he knew.

These harrowing experiences ignited in him a deep sense of inquiry, leading him to ask fundamental questions: "Who are we? Who am I? What is our purpose?"

These questions pushed Sainath to seek answers far beyond his professional and cultural identity. Over the next five years, he embarked on an intellectual journey, exploring a broad range of disciplines, including science, history, philosophy, and religion. His goal was to understand human identity and to reconcile the stark contrasts between his comfortable life and the suffering he had witnessed.

This intense exploration culminated in the writing of his book, which focuses on the search for identity and meaning. In the book, Sainath delves into what truly defines us as individuals, moving beyond the societal labels that often constrain us. Through real-life stories, he presents complex ideas in a relatable manner, offering insights into sensitive topics like religion and culture. His approach respects diverse perspectives, aiming to inspire others to embark on their own journeys of self-discovery.

Sainath's book is more than just a personal narrative; it is a call to action. In a world filled with chaos and uncertainty, he believes that the most important quest is the one that leads us inward, helping us find our unique place in the universe. He invites readers to join him on this journey of questioning, exploring, and discovering the deeper truths of our existence. Through his work, Sainath hopes to inspire others to seek out their own paths and to find meaning in their lives, even amid the challenges of the modern world.

## World Achievers Summit & Award - 2024

*Mr. Anurag Singh Parihar*

*AKS University, Satna, Madhya Pradesh, India*

## Excellence In Research Award - 2024

Mr. Anurag Singh Parihar is a distinguished academic and tax professional currently serving as an Assistant Professor at the Faculty of Management Studies, AKS University, Satna, Madhya Pradesh. Specializing in Commerce, Finance, and Taxation, Mr. Parihar has developed a deep expertise in these fields through years of teaching and research. His contributions extend beyond the classroom, where he is also recognized as a seasoned Professional Tax Consultant, particularly known for his proficiency in Income Tax and GST matters. Over the years, his extensive practice has earned him a solid reputation in the domain.

Mr. Parihar's academic journey includes significant roles in various esteemed institutions. He has served as an Assistant Professor in the Commerce Department at Vindhya Institute of Management & Science (VIMS) and has held positions at SRKCPM (Shri Rama Krishna College of Polytechnic & Management), among others. His involvement in both academic and industrial projects has further enriched his professional experience, making him a valuable asset to the institutions he has been associated with.

In addition to his academic and professional endeavors, Mr. Parihar is actively engaged in various professional associations. He is a respected member of the International Association of Research and Development Organization (IARDO) and holds the position of Legal Adviser for the Shri Rama Krishna Humanity, Engineering & Science international journal published by SRKCPM. Moreover, he serves as the Chief Editor at SGOC Publication and is an Editor in the IIP Series, contributing significantly to the scholarly community.

Mr. Parihar's dedication to knowledge dissemination is evident through his extensive literary work. He has authored numerous books on topics related to Commerce, Finance, and Management, and his research has been featured in various prestigious journals and conferences on both national and international platforms. His commitment to excellence in education and research has been recognized with numerous accolades, including being named the Emerging Writer of the Year at the Gurukul Academic Awards-2022 by the Institute for Social Reforms & Higher Education. This honor underscores his significant contributions to academia and literature.

## World Achievers Summit & Award - 2024

*Dr. Vivek Kumar*

*Asst. Prof., Speech Language Pathology*

*Institute of Health Sciences Chandaka, Bhubneshwar*

## Young Teacher of the Year Award - 2024

Dr. Vivek Kumar is an esteemed Assistant Professor in the Department of Speech Language Cognition and Swallowing at the Autonomous Institute of Health Sciences in Chandaka. His academic journey has been marked by significant achievements, beginning with the completion of his Bachelor's degree and followed by a Master's degree in a related field of Speech Language Cognition. Currently, Dr. Kumar is furthering his academic pursuits by working towards a Ph.D., focusing on Alternative and Augmentative Communication for individuals with disabilities, a testament to his commitment to advancing knowledge in this crucial area.

Dr. Kumar's professional experience is enriched by his work in some of the most prestigious institutions in India, including AIIMS, Delhi, Kalawati Saran Children Hospital, Ali Yavar Jung National Institute of Speech and Hearing Disabilities, and Bharti Vidyapeeth Medical College. His extensive clinical and research experience in these institutions has greatly contributed to his expertise and understanding of the field.

A prolific researcher, Dr. Kumar has made significant contributions to the academic community with an impressive portfolio of scholarly works. He has published six international and four national research papers, demonstrating his dedication to disseminating knowledge both globally and nationally. His innovative approach is further evidenced by his contributions beyond traditional publications, including securing one patent and authoring two chapters in reputable books, highlighting his multifaceted expertise.

Dr. Kumar's influence extends beyond his own research as he actively participates in the academic community as a reviewer for numerous international and national journals. This role underscores his commitment to upholding high standards in academic research and ensuring the quality of publications within his field. Additionally, he serves as the Editor of the International Journal of Communication Sciences, where he plays a crucial role in shaping the discourse and direction of research in communication sciences.

## World Achievers Summit & Award - 2024

*Dr. Harihara Krishnan R*

*Head of the Department, Department of Computer Applications, Patrician College of Arts & Science*

## Young Professor of the Year Award - 2024

Dr. Harihara Krishnan R is an accomplished academic and researcher, currently serving as the Head of the Department of Computer Applications at Patrician College of Arts and Science in Adyar, Chennai. With a passion for both teaching and research, Dr. Krishnan has made significant strides in his career, particularly in the fields of Cyber Security and Sociolinguistics. His leadership role at Patrician College underscores his commitment to fostering academic excellence and innovation within the department.

Currently, Dr. Krishnan is pursuing his Post-Doctoral research at the prestigious Indian Institute of Technology (IIT) Delhi.

His research focuses on the intersection of Cyber Security and Sociolinguistics, a unique and critical area of study in today's increasingly digital and interconnected world. By exploring how language and social factors influence cyber security, Dr. Krishnan aims to contribute valuable insights that can enhance the effectiveness of digital security measures and policies.

Dr. Krishnan's academic journey is marked by a strong foundation in computer science, coupled with a deep interest in the social dimensions of technology. This interdisciplinary approach has enabled him to bridge the gap between technical and humanistic studies, making his research particularly relevant in the contemporary landscape where technology and society are inextricably linked.

As an educator, Dr. Krishnan is dedicated to mentoring the next generation of computer scientists and researchers. His role as Head of the Department involves not only overseeing the academic and administrative functions of the department but also inspiring students to engage in cutting-edge research and develop a holistic understanding of the role of technology in society. His teaching philosophy emphasizes critical thinking, innovation, and the practical application of theoretical knowledge.

In addition to his academic and research endeavors, Dr. Krishnan is actively involved in various professional communities and contributes to scholarly discourse through publications and presentations at national and international conferences.

## World Achievers Summit & Award - 2024

### *Axis Institute of Higher Education*

*Vill-Hathipur, Maharajpur, Kanpur Nagar,  
Uttar Pradesh*

### *Outstanding social contribution and Quality Education Award - 2024*

Axis Institute of Higher Education (AIHE) offers a comprehensive three-year full-time program in Bachelor of Business Administration (BBA), Bachelor of Computer Application (BCA), and Bachelor of Science (B.Sc.) under CSJM University, Kanpur. These programs are designed to equip students with the skills and knowledge necessary to excel in an ever-evolving corporate world while instilling a deep-rooted value system that prepares them to contribute meaningfully to society. The BBA and BCA programs at AIHE are structured to nurture each student's potential, combining strategic thinking, tactical implementation, and specialized knowledge.

Through a blend of experiential learning, group exercises, and industry interface, these programs ensure that every future manager and technocrat is well-prepared to tackle the challenges of the modern business environment. The B.Sc. program is equally robust, offering students a solid foundation in their chosen scientific disciplines while fostering critical thinking and practical problem-solving skills.

A key feature of AIHE's approach is the emphasis on practical exposure. Students are provided with ample opportunities to relate the conceptual and analytical skills acquired in the classroom to real-world practices. The institute organizes various training programs that offer in-depth exposure to the emerging needs of the industry across various functional domains. This hands-on learning is facilitated through industry-driven projects in finance, marketing, retail, operations, human resources, IT, and other business areas, providing students with a practical understanding of their fields.

At AIHE, a diverse range of learning tools is employed to ensure the acquisition of both knowledge and skills. The curriculum incorporates methods such as role-play, case studies, project work, field experiences, assignments, quizzes, seminars, and industry visits. These activities are designed to engage students actively and provide them with exposure to cutting-edge technologies and practices. The defining features of AIHE's curriculum are its focus on holistic development and its commitment to preparing students for the dynamic demands of the industry.

## World Achievers Summit & Award - 2024

### *Master Aripirala Yogananda Sastry*

*Youngest Doctorate Achiever in Astrology*

*From UGC Recognized Maharshi College of Vedic Astrology*

### *Outstanding social contribution and Quality Education Award - 2024*

Aripirala Yogananda Sastry, at just 11 years old, has already established himself as a prodigy in the fields of Astrology and Vaasthu, earning numerous accolades and honors that most achieve only after decades of study and practice. A native of Guntur, Andhra Pradesh, and a student in the 6th grade at Bhashyam Blooms School, Sastry's achievements in these ancient sciences are nothing short of extraordinary.

Sastry is recognized as the youngest individual to receive a doctorate in Astrology and Vaasthu from the UGC-recognized Maharshi College of Vedic Astrology.

His early accomplishments include completing a diploma in both disciplines from the same institution, showcasing his exceptional aptitude and dedication. In addition to his academic degrees, he has been honored with multiple honorary doctorates, including from Unilogos University, Florida, and Maharishi Vagbhata Ayurveda and Yoga Shaikshik Sansthan, further solidifying his status as a young scholar.

His remarkable achievements have earned him recognition in several prestigious record books, including the Indian Book of Records, Indian World Records, National Book of Records, Harvard Book of Records, Influencer Book of Records, and Bravo International Book of Records. Altogether, he has set over 42 world records and has been awarded more than 275 honors, a testament to his extraordinary contributions at such a young age.

Among his many accolades, Sastry has been awarded the Bharath Samman Nidhi Puraskar by Shri Ram Niwas Goel, the National Glorious Award by Hon'ble Justice Dr. K.G. Balakrishnan, and the Young Researcher in Astrology Award by Hon'ble Mr. Justice Ananga Kumar Patnaik. He has also received the Raashtriya Padma Bhushan Samman from BJP National General Secretary Dushyanth Kumar Gautham and Bollywood actor Govinda, among others.

Beyond his academic and professional pursuits, Sastry is an avid chess, cricket, and football player. He has completed five grades in keyboard from Trinity College of London and is known for chanting Vedic hymns, having conducted over 150 Havans and 29 housewarming ceremonies.

## World Achievers Summit & Award - 2024

*Mrs. Tripti Gupta*

*PG Teacher, Home Science Department,  
S.D. Public School , Muzaffarnagar*

### *Contribution to Women Empowerment through Education Award - 2024*

Mrs. Tripti Gupta is a pioneering educator at S.D. Public School in Muzaffarnagar, renowned for her unwavering dedication to women empowerment through education. As the founder and Head of the Department of Home Science, she has played a pivotal role in advancing the field by establishing a state-of-the-art Home Science Laboratory. This facility has set a new standard for experiential learning, providing students with the tools and environment necessary to excel in both practical and theoretical aspects of the subject.

Mrs. Gupta's commitment to breaking gender stereotypes is evident in her efforts to make Home Science accessible and appealing to all students, irrespective of gender.

She has initiated a range of programs and live events that emphasize the practical applications of Home Science, encouraging broader participation and engagement. Her innovative approach to teaching extends beyond the conventional curriculum, offering an enriched learning experience that includes numerous hands-on practicals. This focus on practical learning ensures that students acquire essential life skills, equipping them to navigate future challenges with confidence and competence.

One of Mrs. Gupta's most notable accomplishments is her mentorship of Karishma Arora, who achieved nationwide recognition by topping the Class 12 CBSE exams under her guidance. This achievement is a testament to Mrs. Gupta's ability to inspire and nurture academic excellence in her students. Her influence extends beyond the classroom, as she actively collaborates with local communities to raise awareness about the significance of Home Science in everyday life. Through workshops and seminars, she promotes the relevance of the subject, demonstrating its impact on both personal and professional spheres.

Mrs. Tripti Gupta's relentless pursuit of promoting Home Science education and challenging societal norms has earned her the prestigious Contribution to Women Empowerment through Education Award. Her work continues to empower and uplift the next generation, fostering a more inclusive and progressive educational environment. Through her dedication and innovative teaching methods, Mrs. Gupta is not only shaping the future of her students but also making a lasting impact on the broader community.

## World Achievers Summit & Award - 2024

*Master. Kabir Hitesh Suchak*

*Martial Arts, Karate, India*

## Outstanding Commitment to Sports Award - 2024

Kabir Hitesh Suchak, a remarkable 10-year-old, has made significant achievements in sports, particularly in Martial Arts and Karate. By the age of 10, Kabir has already earned 95 certificates, 30 medals, and 20 trophies. His impressive journey in Karate includes participating in 25 Kata/Kumite Karate matches and completing eight levels of Karate belts, with his recent entry into the Brown Belt level.

Kabir's dedication and skill were showcased when he won a Gold Medal at the 11th South Asia Hakukai Karate Championship in 2023, held in Meerut.

This victory led to his selection for the prestigious World Hakukai Karate Championship in Tokyo, Japan. His accomplishments have also earned him a place in the International Book of Records, World of Records, and India Book of Records by the age of 8.

Kabir's journey in Karate has been guided by his mentor and coach, Mr. Rakesh Sir, whose support and guidance have been instrumental in his success. However, Kabir's interests are not limited to Karate. He is actively involved in eco-friendly projects, learning classical music, and playing various musical instruments. His passion for learning and sharing knowledge extends to his YouTube channel, Curious\_Kabir, where he shares his experiences and insights.

In recognition of his academic and extracurricular achievements, Kabir received a certificate from the Honorable Prime Minister of India, Shri Narendra Modi, for his participation in Pariksha Pe Charcha 2023. He was also awarded a certificate for participating in an online quiz organized by the Department of Space, under the aegis of the Indian Space Research Organisation (ISRO).

Kabir's international accolades include winning a Bronze Medal at the Thailand International Open Karate Championship in 2023. Representing India in the under-12 years and below 35 kg weight category, he secured third place, further solidifying his position as a young and promising athlete on the global stage. Kabir's journey is a testament to his patience, perseverance, and dedication, which continue to fuel his passion for excellence.

## World Achievers Summit & Award - 2024

### *Dr. Indradeep Kumar*

*Assistant Professor, Amity Institute of Technology,  
Amity University, Noida*

## *Excellence In Research Award - 2024*

Dr. Indradeep Kumar is a distinguished Aeronautical Engineer with a Doctorate in Mechanical Engineering, celebrated for his significant contributions to nanotechnology and composite materials. His academic and research endeavors have earned him a prominent place in the international scientific community, making him a respected figure in his field.

Dr. Kumar's research focuses on nanotechnology and composite materials, areas in which he has published over 40 research papers in leading international journals.

His work has not only contributed to the academic discourse but has also led to practical innovations, as evidenced by his application for six Indian utility patents. His expertise in these cutting-edge fields is further highlighted by his contributions to the academic literature, where he has authored five chapters across three internationally published books by renowned publishers such as Elsevier, CRC, and IGI.

His achievements extend beyond research and publication. Dr. Kumar has been honored with numerous prestigious awards, reflecting his impact and influence in the field of aeronautical engineering. Among his accolades are the Most Inspiring Youth Icon in Education, the Young Scientist Award, the Young Researcher Award, and the Research Excellence Award. His innovative work in aeronautical engineering has also earned him the title of Dedicated Innovative Technologist on the international stage.

In addition to his individual awards, Dr. Kumar's leadership and expertise have been recognized at international conferences, including an award from the Asian Council of Science and Management in Singapore, where he had the honor of representing India in 2010. His academic excellence was also showcased early in his career when he won 1st Prize in a college-level National Quiz Competition in August 2011.

Dr. Kumar's contributions to the scientific community are further reflected in his memberships with several prestigious organizations. He is an Associate Member of the Royal Society of Chemistry, London (AMRSC), and holds memberships with SMIAAEP, FSIESRP (Malaysia), SMISME, and the Scientific Council of IAESTD, among others.

## World Achievers Summit & Award - 2024

**Ms. Tarannum Alam**

*Application Development Analyst*

*Accenture Bangalore India*

## *Excellence and Innovation in the IT Sector Award - 2024*

Tarannum Alam is a seasoned and innovative software engineer whose exceptional achievements and creative solutions have earned her widespread recognition in the tech industry. Her journey in software development began during her high school years when her innate passion for coding and problem-solving became evident.

Determined to transform her passion into a profession, Tarannum pursued a degree in Computer Science Engineering at the Sambhram Institute of Technology, affiliated with Visvesvaraya Technological University. Throughout her academic career, she consistently demonstrated a high level of dedication and excellence.

This commitment was recognized when she was awarded the "Pillars of the Nation Award" for her final year project, "Malicious Application Detection in Android using Machine Learning." Her project not only garnered attention but was also published in the International Journal of Scientific Research in Engineering and Management (IJSREM) and Conference World, underscoring her ability to contribute valuable insights to the field of software engineering.

In addition to her academic achievements, Tarannum gained practical experience through internships at Airobotics and Avishkar Tech Solutions. During these internships, she played a pivotal role in developing various software projects, honing her skills and gaining valuable industry exposure. Her hard work and talent culminated in her graduating with first-class distinction in 2021.

Tarannum's professional career began at Accenture, Bangalore, where she quickly made her mark as a software developer associate. Her exceptional performance and ability to deliver innovative solutions led to her rapid promotion to the role of Application Development Analyst within just a year. At Accenture, she continues to excel, pushing the boundaries of software development and consistently delivering cutting-edge, user-friendly applications. Beyond her technical expertise, Tarannum is known for her distinct programming style and her commitment to transparency and open-source development. Her proactive approach to staying abreast of the latest advancements in the software industry ensures that her work remains at the forefront of innovation.

## World Achievers Summit & Award - 2024

*Dr. Anuj Singh Parihar*

*Reader, Dept. of Periodontology,*

*Peoples Dental Academy, Bhopal, Madhya Pradesh*

### *Innovative & Inspiring Researcher in Periodontology Award - 2024*

Dr. Anuj S. Parihar is a distinguished specialist in Periodontology, renowned for his expertise in Dental Implantology. Currently serving as an Associate Professor in the Department of Periodontics at People's University, Bhopal, India, Dr. Parihar has established himself as a leading figure in the field of dental sciences.

With a robust career spanning over two decades, Dr. Parihar's contributions to periodontology and dental implantology are substantial. His proficiency in Dental Implantology is complemented by a deep understanding of advanced techniques in Periodontology and Laser Dentistry.

Dr. Parihar's innovative approach and dedication to his field are reflected in his impressive portfolio of over 20 patents. These patents underscore his commitment to advancing dental technology and improving patient outcomes. In addition to his patents, Dr. Parihar has made significant academic contributions, publishing more than 70 scientific research papers in prestigious journals. His research spans various aspects of periodontology, implantology, and laser dentistry, showcasing his expertise and commitment to advancing knowledge in these areas. His scholarly work has not only contributed to the academic community but also has practical implications for clinical practices.

Dr. Parihar has also authored three influential books, further solidifying his role as an authority in his field. These books serve as valuable resources for both practitioners and students, reflecting his extensive knowledge and experience.

As an educator, Dr. Parihar is dedicated to fostering the next generation of dental professionals. His role at People's University involves not only imparting knowledge but also guiding students through the complexities of periodontology and implantology. His commitment to excellence in both research and teaching makes him a respected figure in dental academia.

Dr. Anuj S. Parihar's career is a testament to his dedication to advancing dental science and education. His contributions through patents, publications, and teaching continue to have a profound impact on the field of periodontology and implantology.

## World Achievers Summit & Award - 2024

**Mr. Anurag Agarwal**

*Assistant Professor and Soft Skill Trainer*

### *Best Personality Development and Soft Skill Trainer Award - 2024*

Mr. Anurag Agarwal is a distinguished figure in the realm of academia and corporate synergy, celebrated for his exceptional contributions and versatile expertise. With over two decades of experience, Mr. Agarwal seamlessly blends corporate insight with academic excellence. A Gold Medalist in both his B.Tech and MBA, he is currently expanding his expertise through a Ph.D. program.

His career spans a remarkable 15 years in teaching, following a significant five-year tenure in the corporate sector. Currently serving as an Assistant Professor and Soft Skill Trainer at Mangalmay Institute of Management and Technology (MIMT) in Greater Noida, UP, India, Mr. Agarwal's influence extends far beyond the classroom.

His role includes being a Personality Development and Soft Skill Trainer, Faculty Member, Social Media Coordinator, Reviewer, Exam Cell Committee Member, and Keynote Speaker at various workshops, seminars, and webinars, including those organized by NGOs.

Mr. Agarwal's previous affiliations with renowned organizations such as Quadrant, Amkette, Cross Pens, HIET, GNIOT, ITS, and SRM University underscore his extensive experience and broad impact. His scholarly work is equally impressive, with numerous research papers, book chapters, and books published in esteemed national and international journals and conferences. His contributions to personality development and soft skills have also been highlighted in various newspapers and magazines.

A prominent figure on social media, Mr. Agarwal has built a substantial following of over 1,000 individuals across platforms like Facebook, Instagram, and LinkedIn. His Facebook page, "Personality Development Tips by Anurag Agarwal," has achieved global recognition for its valuable insights.

Mr. Agarwal's achievements are numerous, including the Gold Medal for Best MBA All-Rounder Student in 2004, the Best Faculty Award and Major Contribution in the Education Sector Award in 2023, and the Best Soft Skill Trainer Award and Vishwa Ratan Samman in 2024, among others. His ongoing dedication to fostering professional growth and development continues to inspire and influence a global audience, reflecting his unwavering commitment to excellence in education and personal development.

## World Achievers Summit & Award - 2024

### *Ms. Margarette Regeena*

*Vice President - Jeppiaar University, Director - Jeppiaar School , Chennai, India*

*Young and Innovative Vice President &*

### *Director of the Year Award - 2024*

MS. Margarette Regeena stands as a pillar of leadership and innovation at Jeppiaar University, where she serves as the Vice President. In her influential role, she plays a crucial part in the institution's leadership and administration, guiding the university towards its vision of academic excellence and progressive growth. Her strategic oversight and dynamic leadership contribute significantly to the university's development, ensuring that it remains at the forefront of higher education.

In addition to her role at Jeppiaar University, Margarette Regeena is also a prominent figure within the Jeppiaar Group of Schools, where she serves as a director. Her involvement with the schools underscores her commitment to education across different levels and reflects her dedication to nurturing young minds from an early stage.

Margarette Regeena's educational journey began at MOP Vaishnav College for Women, where she laid the foundation for her extensive career in academia and administration. Her academic background provided her with the tools to excel in her professional roles and instilled in her a deep understanding of educational dynamics.

Recognized for her significant contributions to the growth of Jeppiaar University, Margarette Regeena is particularly noted for her efforts in fostering innovation, critical thinking, and a passion for lifelong learning among students. Her leadership approach emphasizes the importance of cultivating these qualities to prepare students for the challenges and opportunities of the modern world. Through her initiatives, she has helped shape an environment that encourages intellectual curiosity and personal development.

Under her guidance, Jeppiaar University continues to thrive, with a focus on enhancing educational standards and promoting a culture of excellence. Margarette Regeena's commitment to education and her role in shaping the future of both the university and the associated schools highlight her influential position within the academic community. Her leadership is a testament to her dedication to advancing education and supporting the holistic development of students.

## World Achievers Summit & Award - 2024

*Dr. Mohammad Kamal Hussain*

*Umm Al-Qura University, Makkah, Saudi Arabia*

## Young Professor of the Year Award - 2024

Dr. Mohammad Kamal Hussain is a distinguished Fellow of the Royal Society for Public Health in the United Kingdom and a highly accomplished senior healthcare management practitioner with over 16 years of international experience. Hailing from Begusarai district in Bihar, Dr. Hussain has dedicated his career to advancing healthcare management and education.

Currently, Dr. Hussain serves at Umm Al-Qura University in Makkah, Saudi Arabia, a prominent institution ranked among the top 500 universities globally.

In his role, he has been instrumental in establishing the Health Information Technology and Management department, contributing significantly to the university's mission of fostering innovation in healthcare education. His expertise extends across the Middle East and India, where he provides valuable insights into performance trends, strategy assessment, and market dynamics in the healthcare sector.

Dr. Hussain is also a visiting consultant at King Faisal Hospital, Makkah, and is affiliated with the Quality Improvement Division of the National Health Systems Resource Centre (NHSRC), Ministry of Health & Family Welfare, Government of India. His academic contributions include serving as an Adjunct Associate Professor at Open University in the United Kingdom and Saudi Arabia. He is frequently invited as a panel speaker for conferences, workshops, and research seminars on topics such as e-learning, blended learning, healthcare quality improvement, patient safety, infection control, and health information technology.

His outstanding contributions have been recognized with numerous awards, including the Hind Rattan Award in Thailand (2018), Young Achiever Award in Saudi Arabia (2019), Business Excellence Award in New Delhi (2019), Green Leadership Award at Delhi University (2020), International Educator of the Year Award (2021), Bharat Gaurav Award (2022), and Uttam Bharat Puruskar (2023). Dr. Hussain's dedication to improving healthcare systems and education continues to inspire and impact the global community.

## World Achievers Summit & Award - 2024

*Mrs. Garima Dahiya*

*Ph.D. Scholar,*

*Deenbandhu Chhotu Ram Univeraity of Science &  
Technology, Murthal*

## Pioneer Researcher Award - 2024

Garima Dahiya has been honored with the prestigious World Achievers Award 2024 for Pioneer Researcher in recognition of her innovative contributions to the field of management. As a Ph.D. candidate at Deenbandhu Chhotu Ram University of Science & Technology, Murthal, Garima is deeply engaged in a pioneering study titled "A Study on Virtual Crime Swaying the Indian Banking System." Her research delves into the complexities of virtual crimes and their profound impact on the Indian banking sector, exploring new dimensions of digital threats and proposing strategies to safeguard financial institutions and their customers.

Garima's work stands out for its relevance and timeliness, addressing one of the most pressing challenges faced by the banking industry in the digital era. Her ability to blend theoretical knowledge with practical solutions has garnered significant attention from both academic and professional communities. The World Achievers Award 2024 celebrates her dedication, intellectual rigor, and passion for research, underscoring her role as a leading voice in the fight against cybercrime in banking. This recognition not only highlights her academic excellence but also positions her as a thought leader in developing more secure and resilient financial systems.

## World Achievers Summit & Award - 2024

### *Dr. Chhaya Singh*

*Assistant Professor, Department Of Botany  
Government PG College, Thalissain, Pauri Garhwal,  
Uttarakhand*

## *Outstanding Educator Award - 2024*

Dr. Chhaya Singh, an esteemed Assistant Professor in the Department of Botany at Government PG College, Thalissain, Pauri Garhwal, Uttarakhand, has carved a distinguished path in academia over her 16-year career. Specializing in the taxonomy of pteridophytes, Dr. Singh's expertise is well-recognized, as evidenced by her impressive portfolio of 57 research papers, five books, five book chapters, and one monograph. Her research contributions have been further validated by national and international patents, underscoring her innovative approach in the field. Dr. Singh's commitment to excellence in education has been acknowledged through several prestigious awards.

She has received the Excellence in Teaching Award, the Academician Award, and a Certificate of Appreciation for Teacher Innovation from the Sri Aurobindo Society. These accolades highlight her dedication to advancing educational standards and her impactful role in shaping future scholars.

In addition to her research and teaching achievements, Dr. Singh is actively involved in various administrative responsibilities at her college. As the IQAC Coordinator, she plays a crucial role in enhancing the quality assurance processes within the institution. Her administrative work is complemented by her role as a reviewer for academic papers, reflecting her deep engagement with the broader academic community.

Dr. Singh is a Fellow of the Association of Plant Taxonomy, further solidifying her status as a leading expert in her field. She believes in the power of teamwork and is committed to integrating recent developments in education and research into her teaching practices. Her primary objective is to nurture her students into responsible and capable citizens, ensuring that they are well-equipped to contribute positively to society. Dr. Singh's unwavering dedication to her students and her field exemplifies her belief in the transformative power of education.

## World Achievers Summit & Award - 2024

*Dr. Akriti Agrahari*

*Vice President, Central Agrahari Women's Society,  
All India Agrahari Samaj*

## Outstanding Educator Award - 2024

Dr. Aakriti Agrahari is a multifaceted professional whose work spans across health, journalism, literature, and social service. With three years of experience as a health worker under the Women's Empowerment Program, Dr. Agrahari has demonstrated a profound commitment to public health. Her dedication to serving the community is further exemplified by her voluntary blood donations, having donated blood five times.

In addition to her health-related endeavors, Dr. Agrahari is an adventurer at heart, actively participating in mountaineering, rafting, and trekking, which reflect her courageous and spirited nature.

In the field of journalism, Dr. Aakriti Agrahari holds the position of Crime Journalist Bureau Chief in Sultanpur, Uttar Pradesh. She is also an integral part of the Uttar Pradesh Journalist Association as the Co-in-charge of the Women's Wing in Sultanpur district. Additionally, she serves as the Secretary of the Women's Wing of the All India Journalist Protection Committee. Her work in journalism has earned her three international and three national awards, recognizing her significant contributions to the field.

Dr. Agrahari is also an accomplished author, having penned the book titled "Kishoron Ke Mansik Swasthya Aur Pratibal Ka Adhyayan" (A Study of Mental Health and Resilience in Adolescents), which delves into the mental health challenges faced by adolescents. Besides her book, she has authored numerous articles, showcasing her expertise and passion for writing.

Her commitment to social causes is evident through her membership in the Anukaran Foundation NGO and her role as the Vice President of the Central Agrahari Women's Society in the All India Agrahari Samaj. Dr. Agrahari's academic journey has led her to become a Psychology Lecturer at a degree college, where she continues to inspire and educate young minds.

## World Achievers Summit & Award - 2024

### Ms. Megha Sharma

*Headmistress (Senior School) and Head of the English Department at Indraprastha International School, New Delhi*

## Contribution To Education Community Award - 2024

Ms. Megha Sharma, a dedicated educator with a profound passion for English and communication, has established herself as a beacon of excellence in the academic community. Born and raised in Delhi, she completed her schooling at the prestigious Bal Bharti Public School, Ganga Ram Hospital Marg, New Delhi. She further honed her linguistic skills by earning a BA (Hons) in English from Janaki Devi Memorial College, University of Delhi. Her expertise in language was recognized early on, leading her to achieve the Business English Certificate (BEC) at Level III, certified by the University of Cambridge.

Ms. Sharma's academic journey is marked by versatility and a strong commitment to lifelong learning. She pursued a Post Graduate Diploma in Public Relations (PGDPR), which she completed with distinction, followed by a Master's in Mass Communication. Her diverse educational background also includes a Bachelor of Education (B.Ed.) from the Central Institute of Education (CIE), University of Delhi, and two additional Master's degrees—one in English and the other in Education.

Ms. Sharma's career is a testament to her multifaceted talents. She initially explored various professional avenues, including a stint as a Marketing Executive with the Sheraton Group and as a Public Relations Executive in an advertising agency. However, her true calling was in education, where she has devoted over 21 years to teaching English, particularly to students in classes XI and XII. Her innovative curriculum design and dedication to student success are reflected in the exceptional results her students consistently achieve in the CBSE examinations.

For her outstanding contributions to education, Ms. Sharma has been honored with several awards, including the Certificate of Recognition from Ms. Smriti Irani, the then Minister for Education, Government of India. She has also received the 'Outstanding Result Award' for three consecutive years and was named 'Woman Mentor of the Year' by Global Empire Events & BizNation TV in 2023.

## World Achievers Summit & Award - 2024

***Dr. Smt. Ponni M. Concessao***

*Founder & Principal Architect Ponni & Oscar,  
Rahul Architects, Chennai*

## *Best Woman Architect In India Award - 2024*

Mrs. Ponni M. Concessao is a distinguished architect whose career spans over three decades, marked by pioneering achievements, international recognition, and a commitment to social responsibility. A trailblazer from the start, she was the first female undergraduate admitted to the National Institute of Technology (NIT), Trichy, where she earned her B. Arch degree in 1987. Her academic journey continued at prestigious institutions abroad, with a Master's in Architecture from Cornell University in 1989 and Advanced Professional Studies at Harvard University in 1992.

Her expertise in modern architecture has been recognized globally, earning her honorary doctorates in Modern Architecture from institutions in Malaysia (2008) and from the Università di Milano for Modern Architecture and Architectural Science (2014). Mrs. Concessao's early professional career was shaped by her work with the renowned architectural firm Edward Larrabee Barnes in New York City. Here, she contributed to the design of several skyscrapers, university campuses, and stadiums, honing her skills in creating innovative and impactful architectural designs.

In 1996, Mrs. Concessao joined forces with her husband, embarking on an era of diverse and award-winning projects that have left a significant mark on the architectural landscape. Her portfolio includes an impressive range of projects, from technology parks, luxury apartments, shopping malls, and corporate offices to educational institutions, hospitals, and townships. Her designs are celebrated for their modernity, functionality, and aesthetic appeal, contributing to the evolution of contemporary architecture in India and beyond.

Beyond her professional achievements, Mrs. Concessao is deeply involved in social causes. She plays an active role in the Prime Minister's Pradhan Mantri Awas Yojana project, contributing to affordable housing initiatives.

## World Achievers Summit & Award - 2024

***Ms. Durga Chandra Mouli***

*Director, Qore Value Global Education*

*Bangkok, Thailand*

## *Best Educator Award - 2024*

Ms. Durga Chandra Mouli, currently the Director of Qore Value Global Education in Bangkok, Thailand, is an accomplished educator and leader with a passion for shaping the future through teaching. With a rich academic background that includes a degree in Electrical Engineering and an MBA from India, as well as a PhD in Technology Education & Management (TEM) from Assumption University, Bangkok, she has built a career that seamlessly blends technical expertise with educational leadership.

Ms. Mouli began her professional journey in the corporate world, but it was her deep-rooted passion for education that ultimately guided her towards a fulfilling career in teaching and mentoring.

Her diverse educational background has been an asset, enabling her to excel as an educator and academic leader. Over the past 22 years, she has dedicated herself to the field of education, gaining invaluable experience and insights along the way. In her role as an educator, Ms. Mouli has embraced the philosophy that education is the most powerful tool for building a strong and progressive nation. She is a firm believer in the words of former President of India, Dr. A.P.J. Abdul Kalam, who said, "Teaching is a very noble profession that shapes the character, caliber, and future of an individual. If people remember me as a good teacher, that will be the biggest honor for me." These words resonate deeply with Ms. Mouli, who takes immense pride in being an educator who has made a significant impact on the lives of her students. Throughout her career, Ms. Mouli has not only imparted knowledge but also fostered a lifelong connection with her students. She finds great joy in the moments when her former students reconnect with her, as these are the true rewards of her profession. Her commitment to education, combined with her technical and managerial expertise, has made her a respected figure in the academic community, and her influence continues to inspire and guide future generations.

Ms. Durga Chandra Mouli's journey is a testament to the transformative power of education and her unwavering dedication to shaping the leaders of tomorrow.

## World Achievers Summit & Award - 2024

### Ms. R. Udaya Bharathi

Senior Software Engineer, BA Infotech, A . U Incubation  
Centre, Vishakhapatnam, Andhra Pradesh

## Cutting Edge Research Award - 2024

R. Udaya Bharathi is a distinguished researcher in the field of computer science, specializing in the innovative use of technology to address one of the most pressing environmental challenges of our time—air pollution. With a strong foundation in both academia and the tech industry, her work seamlessly integrates teaching, research, and practical application, making her a multifaceted professional committed to driving change through cutting-edge technological solutions. R. Udaya Bharathi's journey as a researcher and educator exemplifies the powerful synergy between technology and environmental stewardship, making her a leading voice in the quest for a cleaner, healthier world.

Ms. Bharathi's recent research focuses on developing advanced systems for air pollution detection, monitoring, and prediction. Leveraging the power of Machine Learning and the Internet of Things (IoT), she has created models that not only detect pollution levels with high accuracy but also predict future pollution trends. Her research aims to provide communities with real-time data and insights, empowering them to take proactive measures to safeguard public health.

In addition to her research, Ms. Bharathi is also an accomplished software engineer and educator. Her dual roles in teaching and software development have allowed her to bridge the gap between theoretical knowledge and practical application, fostering a new generation of students who are equipped with the skills needed to tackle complex environmental issues. Her commitment to education is evident in her ability to convey complex concepts in a relatable manner, inspiring her students to pursue careers in technology and research.

Ms. Bharathi's contributions to the field have not gone unnoticed. On August 14, 2023, she was honored with the Cutting Edge Research Award, a prestigious recognition that was presented to her on the eve of India's Independence Day. This award highlights her innovative work and dedication to advancing research that has the potential to make a significant impact on public health and environmental sustainability.

## World Achievers Summit & Award - 2024

*Dr. Ashu Sharma*

*Professor (Operations and Data Sciences Area)*

*School of Business Management, NMIMS University, Mumbai*

## Best Professor of the Year Award - 2024

Dr. Ashu Sharma brings over 26 years of experience spanning both industry and academia, marking her as a seasoned professional in the fields of Operations and Data Sciences. Since joining SBM NMIMS University, Mumbai in August 2014, she has distinguished herself as a Professor, where her expertise and dedication have earned her numerous accolades. Among these, she was honored with the Best Faculty Award for the academic year 2019-20 by the School of Business Management at NMIMS University, Mumbai. Her exemplary contributions to education were further recognized in 2023 when she was awarded the Prof.

Indira Parikh Women in Education Leaders Award by the World Education Congress and the 30th Business School Affaire & Dewang Mehta National Education Leadership Award in the 'Most Influential Professor' category.

Dr. Sharma's academic credentials are impressive, with postgraduate degrees in Mathematics and Management, as well as a Ph.D. in Operations. She cleared the UGC-NET exam in 2003 and has further enriched her professional journey by completing faculty development programs at prestigious institutions like IIM Ahmedabad and Harvard Business School, Boston, USA.

In addition to her academic roles, Dr. Sharma has taken on several key administrative responsibilities at SBM NMIMS, including serving as the Area Chairperson for Operations and Data Science and as the Programme Chairperson for the Executive MBA. Her commitment to research is evident through her supervision of numerous Ph.D. scholars, presentations at national and international conferences, and publications in esteemed ABDC and Scopus-indexed journals. She has also authored and edited books, adding to the wealth of knowledge in her field.

Beyond academia, Dr. Sharma has led Management Development Programmes for over 2,000 executives and senior managers from leading corporations. She is a Life Member of the Operations Research Society of India (ORSI), the Indian Society for Training & Development (ISTD), and the IIM Ahmedabad Alumni Association, reflecting her continuous engagement with the academic and professional community.

## World Achievers Summit & Award - 2024

### *Prof. Sanjay Laxmikant Nalbalwar*

*Dean(Academics - FoET) ,Head, Department of E & TC Engineering, Director (ICT), Director, DBATU Forum of Innovation, Incubation & Enterprise (Section-8 Company), Director(IQAC), Dr. Babasaheb Ambedkar Technological University, Lonere.*

## Excellence In Research Award - 2024

Dr. Sanjay Nalbalwar is a distinguished academic with nearly 30 years of teaching experience, currently serving as Professor and Head of the Electronics & Telecommunication Engineering Department at Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere, Raigad, Maharashtra, India. His academic journey began with a B.E. degree in 1990 and an M.E. in 1995, both from SGGS College of Engineering and Technology, Nanded. He further advanced his expertise by earning a Ph.D. from IIT Delhi in 2008. Dr. Nalbalwar's research interests lie in Signal and Image Processing, Multirate Signal Processing, Wavelets, and Stochastic Process Modeling.

His prolific academic contributions include authoring around 150 papers for national and international conferences and publishing 125 papers in prestigious journals. His scholarship is further evidenced by his authorship of four books in the areas of signal processing and communication.

A respected member of several professional organizations, Dr. Nalbalwar is a Fellow of the Institution of Engineers and the Institution of Electronics and Telecommunication Engineers (IETE), a Senior Member of the IEEE, and a member of ISTE and CSI. His leadership in academia is reflected not only in his role as Head of the E&TC Engineering Department but also through his various administrative positions, including Dean (Academics - Faculty of Engineering and Technology), Director (Information & Communication Technology), and Director & CEO of the DBATU Forum of Innovation, Incubation & Enterprise, a Section-8 Company dedicated to fostering innovation and entrepreneurship.

Dr. Nalbalwar has made significant contributions to academic development by organizing six international conferences sponsored by Springer and four national conferences sponsored by IETE.

## World Achievers Summit & Award - 2024

***Dr. Anil Kumar***

*HOD, P.G.Dept. of Chemistry*

*Sahibganj College Sahibganj, Jharkhand*

## Best Administrative & Academician Award - 2024

Dr. Anil Kumar is a distinguished academic with 16 years of experience in teaching and research in the field of Chemistry. Currently, he serves as the Head of the Department (HOD) and Assistant Professor in the P.G. Department of Chemistry. Over his career, he has held various key administrative roles, including Prof.-In-Charge of College, Centre Superintendent, ACS, Expenditure Bursar, and Coordinator for several initiatives such as A.I.S.H.E., Inlibnet, RUSA, and TEP. He has also been actively involved in committees like NAAC, Disciplinary, Purchase, and Development. Dr. Kumar holds a Ph.D. from the Indian School of Mines, Dhanbad (now IIT-ISM, Dhanbad).

Dr. Kumar boasts an impressive academic and research record, with over 100 publications in esteemed international and national journals, conferences, workshops, webinars, and seminars. His dedication to research and development is evident in his mentorship of numerous Ph.D. scholars and oversight of approximately 80 MSc project dissertations. He has also been credited with more than 11 patents, seven book chapters, and has served as the chief editor of over three books.

His expertise extends to the handling of sophisticated instruments such as SEM, EDX, AAS, FTIR, NMR, Raman, and Mass Spectrometry, covering diverse areas like Gas Hydrate, Fly Ash, Corrosion Science, Molecular Docking, Simulation, Phyto-Chemistry, Pharmacognosy, Pharmacology, Mathematical Modelling, Robotics, Water & Soil Analysis, Environmental Science, Agriculture, and Applied Chemistry. Notably, Dr. Kumar has formulated a new theory, Anil's Conceptual Model of Inhibition (ACMI), focusing on the microbial study of complexes.

In addition to his academic and research roles, Dr. Kumar is committed to sharing his knowledge with a broader audience. He runs a YouTube channel, HOTSPOT CHEMISTRY BY DR ANIL KUMAR, which features over 116 educational lectures aimed at UG, PG, NET, GATE, Ph.D., and research scholars, particularly those in tribal areas. His contributions to academia include organizing the All-India Chemistry Test (AICT) at Sahibganj College, where he has also led exam lectures. A fellow of several national societies, including ICS, ISC, and IAC,

## World Achievers Summit & Award - 2024

***Mr. Muntimadugu Vijaya Kanth***

*Assistant Professor, Department Of Computer Science & Engineering, J.N.T.U.A- College Of Engineering, Ananthapuramu, Andhra Pradesh*

## *Young Teacher of the Year Award - 2024*

Mr. Muntimadugu Vijaya Kanth is an accomplished Assistant Professor in the Department of Computer Science & Engineering at J.N.T.U.A. College of Engineering, Ananthapuramu, Andhra Pradesh. With 14 years of extensive teaching and research experience, he specializes in areas such as Artificial Intelligence, Machine Learning, Software Engineering, Information Security, Cyber Security, Internet of Things (IoT), Data Science, and Network Security. Mr. Kanth holds a B.Tech in Computer Science & Engineering and an M.Tech in Software Engineering from J.N.T.U.A College of Engineering, and is currently pursuing a Ph.D. at JNTUA CEA Ananthapuramu.

Throughout his career, Mr. Kanth has made significant contributions to academia and industry. He has published 10 technical papers in national and international journals, presented at four IEEE International Conferences, and holds five patents. His commitment to guiding future technologists is evident through his mentorship of 38 Master of Technology and Master of Computer Applications students.

A technology enthusiast, Mr. Kanth is passionate about introducing students to advanced concepts beyond the standard curriculum, encouraging them to apply this knowledge to real-life challenges in science and technology. One of his notable projects, in collaboration with M.Tech students, is "Blebot," an Arduino-based Bluetooth-controlled robot, which offers a cost-effective solution for wireless control.

His proactive approach extends beyond the classroom, as he has motivated students to participate in prestigious events like the Defense Tech Summit 2020 at IIT Madras and national-level techno-management events at SRM University, Chennai, earning recognition as a SRM Campus Ambassador.

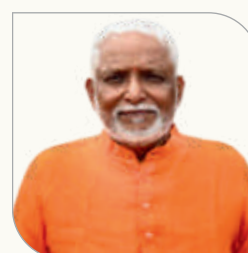

Mr. Kanth's expertise is recognized through several prestigious awards, including the "Adarsh Vidya Saraswati Rastriya Puraskar" in 2016 and the "Pride of India 2022 – Best Faculty Award" and "Best Performer in Artificial Intelligence Award" from the International Conference on Social Research & Innovations (ICSRR).

## World Achievers Summit & Award - 2024

*Dr. Ramakrishna Rao Muthyala*

*Author, Researcher & Legendary Scientist*

## Literature on the Geography of Ramayana Award - 2024

Dr. Ramakrishna Rao Muthyala is a distinguished scholar with an extensive academic and professional background, holding multiple advanced degrees including M.A. in English Language, M.A. in History, Jyotish Acharya (M.A.), Ph.D. in Cartography, D.Sc. in Geography, D. Hist, and an honorary Vidhya Vachaspati of Philosophy (Ph.D.) from UWA. He is also a Fellow of various esteemed institutions such as the British Quantum Society (FBQS), the British Universal Academy (FBU), the Royal Geographical Society (FRGS), and others, reflecting his broad interdisciplinary expertise..

Dr. Muthyala's contributions to academia have been recognized globally, as evidenced by an impressive array of awards and honors. He was conferred the "Doctor of Geography of Ramayana" by the Los Angeles Development Church & Institute in 2020 and has received numerous accolades including the Honorary Doctorate in Science from the International Agency for Standards and Rating in 2020. His work earned him the title of "Legendary Scientist" from the same organization. Further, he has been honored with the NESAScientist of the Year Award in 2021 by the National Environmental Science Academy and the Lifetime Achievement Award by the Asia Africa Development Council in 2021.

In 2023 alone, Dr. Muthyala received numerous prestigious awards such as the "Indian Achievers Award" by the Indian Achievers Forum, the "Asia's Outstanding Researcher of the Year" by Astra Asia Research Awards, and the "Rabindranath Tagore Literature Award" by the Dawn Research and Development Council. His literary and scholarly work, particularly on the Geography of Ramayana, has been widely recognized, with multiple records and awards highlighting his unique contributions. Notably, his work on "Sri Rama Ramayana," published in the Telugu language with six melodies across four volumes, has set records in both the International Book of Records and the Champion Book of World Records.

Dr. Muthyala's scholarly output is vast, with his seminal work, "Geography of Ramayana," spanning over 15 years of research, published as a series beginning in 2019.

## World Achievers Summit & Award - 2024

*Mr. Abhijeet Rajwade*

*Product Manager at Google*

## Innovation in Data Analytics Technology Award - 2024

Abhijeet Rajwade is a seasoned product and technical sales leader with 18 years of diverse experience across product management, startups, sales, and business operations. He is currently driving key growth initiatives as a Senior Customer Engineer for Google Cloud in the New York region, where he leads the development of cloud, AI, and data solutions for global enterprise clients. Abhijeet is deeply passionate about building innovative solutions, particularly in the areas of Generative AI, analytics, and business strategy. His influence extends beyond his immediate projects, shaping industry trends and setting new benchmarks for success in the rapidly evolving tech landscape.

With a reputation for his strategic vision and deep technology expertise, Abhijeet has been instrumental in navigating major technological disruptions, including the widespread adoption of cloud computing, the implementation of emerging development methodologies like Design Thinking, and pioneering advancements in AI and ML. His work in Generative AI-focused automations has placed him at the cutting edge of digital transformation.

Abhijeet is also a recognized thought leader, frequently speaking at industry conferences and contributing to leading tech publications. He evangelizes best practices in digital transformation and is committed to nurturing the next generation of tech talent. As a Gen-AI Ambassador, he actively guides multiple teams on leveraging Google toolsets, such as VertexAI, to drive innovation and efficiency.

One of his notable achievements is the development and launch of the Cloud Code Plugin for Dataflow. This integration, designed for the IntelliJ IDE, significantly simplifies the creation and execution of Dataflow pipelines, making it easier for developers to process data necessary for AI and other business workloads. Since its launch in September 2023, the plugin has garnered significant attention, with 14,000 downloads within its first month, underscoring its impact on the developer community. Abhijeet's ability to deliver complex digital solutions that accelerate business growth, combined with his dynamic leadership and communication skills, has earned him recognition as a results-driven change agent in the tech industry. His work continues to shape the future of technology, making a lasting impact on both the businesses he supports and the broader tech community.

## World Achievers Summit & Award - 2024

*Dr. Manasi Vyankatesh Ghamande*

*Assistant Professor,*

*Vishwakarma Institute of Information Technology, Pune*

## Distinguished Professor of the Year Award - 2024

Dr. Manasi Vyankatesh Ghamande is an esteemed academic and researcher with over 33 years of dedicated service as an Assistant Professor at the Vishwakarma Institute of Information Technology in Pune. Throughout her long tenure at the institute, Dr. Ghamande has made significant contributions to the field of Information Technology, evidenced by her impressive portfolio of intellectual property and academic publications.

Her innovative research has led to the granting of more than ten patents, showcasing her ability to translate complex ideas into practical solutions with real-world applications.

In addition to these granted patents, Dr. Ghamande has published 25 other patents, further demonstrating her commitment to advancing technology and innovation.

Dr. Ghamande's academic contributions extend beyond patents. She has authored seven book chapters that delve into various aspects of Information Technology, providing valuable insights and knowledge to students, researchers, and professionals alike. Her scholarly work is also well-represented in academic journals, with 100 papers published in UGC Care-listed journals, ensuring that her research meets high standards of quality and relevance. Furthermore, she has published 20 papers in Scopus-indexed journals, a testament to the international recognition of her work.

Over the course of her career, Dr. Ghamande has consistently demonstrated a passion for teaching and mentoring. Her long-standing association with Vishwakarma Institute reflects her deep commitment to the institution and its students. Through her research, patents, and publications, Dr. Ghamande has significantly impacted the academic and research community, contributing to the growth and evolution of Information Technology as a discipline.

Her extensive experience, coupled with her innovative spirit, makes Dr. Ghamande a respected figure in her field. She continues to inspire the next generation of technologists and researchers, driving progress and fostering a culture of excellence in academia.

## World Achievers Summit & Award - 2024

### *Shri Tapi Game*

*Socio-cultural worker, Arunachal Pradesh*

## *Distinguished Professor of the Year Award - 2024*

Shri Tapi Game, a retired government servant from the Department of State Transport, Government of Arunachal Pradesh, has made significant contributions as a socio-cultural worker in the state. During his tenure, he served as the Secretary General of the All Arunachal Pradesh State Transport Employees Welfare Association from 1990-95, where he played a pivotal role in advocating for the welfare of state transport employees. His leadership and commitment to the well-being of his colleagues were evident in the various capacities he held in different organizations.

Following his retirement, Shri Game dedicated himself to the preservation and protection of tribal cultural identity and traditions, a cause close to his heart. He has been at the forefront of a cultural movement in Arunachal Pradesh, where he serves as a priest, leader, and advisor. In these roles, Shri Game actively works to safeguard the age-old traditions and practices handed down by the forefathers of the tribal communities. His efforts have been instrumental in ensuring that the rich cultural heritage of Arunachal Pradesh continues to thrive in the face of modernization and changing times.

Shri Game's work in the socio-cultural sphere has earned him respect and recognition within the community. His leadership and dedication to preserving tribal traditions have made him a key figure in the cultural landscape of Arunachal Pradesh. Whether guiding rituals as a priest or offering counsel as an advisor, Shri Game's contributions are deeply valued by those who share his commitment to cultural preservation. His tireless efforts to protect and promote the unique cultural identity of his people are a testament to his unwavering dedication to his heritage.

In addition to his cultural and spiritual roles, Shri Game has also been a passionate advocate for educational initiatives that aim to integrate traditional knowledge with modern curricula. He believes in empowering the younger generation with a balanced education that respects and incorporates their cultural roots while equipping them with the skills needed to navigate the contemporary world.

**Dr. P. Bhargavi**

*Assistant Professor, Department of Computer Science,  
Sri Padmavati Mahila Visvavidyalayam (Women's  
University), Tirupati, Andhra Pradesh*

## *Excellence In Research Award - 2024*

Dr. P. Bhargavi is an accomplished Assistant Professor in the Department of Computer Science at Sri Padmavati Mahila Visvavidyalayam (Women's University), Tirupati, Andhra Pradesh, India. With 26 years of teaching experience and 16 years of research expertise, Dr. Bhargavi has made significant contributions to her field. She has successfully supervised nine Ph.D. scholars, with two currently under her guidance, showcasing her commitment to advancing academic research. Dr. Bhargavi's research has been widely published, with over 60 papers in esteemed journals and 30 presentations at international and national conferences.

Additionally, she has authored three books and ten book chapters, further establishing her as a knowledgeable leader in her domain.

Her innovative work is also reflected in her patents, with three published and one granted, underscoring her contributions to technological advancements. Dr. Bhargavi has played a pivotal role in organizing academic events, including two international and one national conference, as well as numerous workshops and faculty development programs. She has also served as a Session Chair at various conferences, demonstrating her leadership and expertise. In her administrative roles, Dr. Bhargavi is the Assistant Coordinator of the CURIE-AI Center, a member of the Placement Cell, and Coordinator for the University E-office. Her involvement in these roles highlights her dedication to enhancing the academic and administrative functions of her institution.

Dr. Bhargavi is an active member of several professional societies, including IEEE, CSI, ISTE, ACM, IAENG, and MEACSE. Her research interests encompass a broad range of topics, including Artificial Intelligence, Machine Learning, Soft Computing, Big Data Analytics, Cloud Computing, Bioinformatics, and GIS. She has also served as an Editorial Board Member for the International Journal of IJCAR, Technical Committee Member and Reviewer for IndiaCOM2016, and Reviewer for IGI book chapters, reflecting her active engagement in the academic community.

## World Achievers Summit & Award - 2024

*Dr. G. Thamaraiselvi*

*National Institute Of Technology,*

*Tiruchirappalli, Tamil Nadu*

## Excellence In Research Award - 2024

Dr. Smt. G. Thamaraiselvi has dedicated 39 years to academic information services as a Librarian at the National Institute of Technology, Tiruchirappalli (NITT). An esteemed international scholar, she has presented and published over 125 research articles and papers in prestigious international journals and conferences. Her scholarly contributions include two influential books: *Role of ICTs in Library and Information Science* (2005) and *Knowledge Management in Academic Libraries* (2019), alongside numerous book chapters.

Dr. Thamaraiselvi's excellence has been recognized with several awards, including the Bharat Vikas National Award, Academic Brilliance Award, and the IOSRD International Research Award. She was also honored with the International Best Researcher Award, Asia's Top-50 Academicians and Researchers Award, International Academic Icon Award-2022, Women of Wonder Award-2022, Pride of India Award, International Educational Achievements Award-2023, Indian Eminent Award 2023, and Best Research Paper Awards.

In addition to her research and writing, Dr. Thamaraiselvi actively contributes to the academic community as an Editorial Board member for national and international journals, a Ph.D. thesis evaluator, and an exam board member for renowned universities. She is affiliated with professional associations such as SALIS, TLA, ASIS&T, and DELNET, through which she disseminates crucial knowledge.

In response to the COVID-19 pandemic, she organized and conducted awareness programs on e-information services, ensuring students benefited from digital resources. Dr. Thamaraiselvi also plays a significant role in the Women Harassment Committee, Ladies Club, and Faculty Association at NITT, supporting the development and welfare of working women and staff. Her extensive service and dedication have made a profound impact on the academic and professional community.

## World Achievers Summit & Award - 2024

*Mr. Sachin Kumar*

*Crazy Cut , Modinagar*

### *Outstanding contribution in Hair-styling and Makeup Award - 2024*

Sachin Kumar is a distinguished individual whose dual passions for social welfare and makeup artistry define his impactful career. From his early years in a bustling city, Kumar exhibited a deep desire to effect positive change. His journey began with grassroots efforts, including volunteering at local shelters, organizing charity events, and supporting marginalized communities. These actions quickly established him as a committed social worker, dedicated to improving lives through compassionate service.

Parallel to his social work, Kumar pursued a career in makeup and hairstyling, driven by the belief that beauty can empower and uplift.

Through rigorous training and dedication, he developed a reputation for his transformative skills, renowned for enhancing natural beauty and crafting stunning looks that inspire confidence and self-expression.

Kumar's unique ability to integrate his two passions has significantly amplified their impact. He has provided free makeover sessions for cancer patients, conducted beauty workshops for survivors of domestic violence, and used his platform to promote inclusivity and diversity in the beauty industry. His innovative approach and dedication to blending social welfare with beauty have garnered recognition, including titles such as "Best Social Worker" and "Best Makeup and Hairstyling."

Despite the accolades, Kumar finds true success in the tangible improvements he brings to people's lives. His commitment to making a difference is unwavering, reflecting in the smiles of those he has helped and the positive changes he continues to drive through his dual roles. Kumar remains steadfast in his mission to create positive change, using every opportunity to blend his skills and passions for the greater good.

With each brushstroke and compassionate gesture, Kumar redefines what it means to be a true artist and humanitarian. He believes that beauty is not just skin deep but an experience that can empower individuals to overcome their struggles and embrace their inner strength. His work extends beyond the makeup chair; it touches hearts and transforms lives, fostering a sense of dignity and hope.

Kumar often collaborates with various non-profit organizations, hosting charity events and fundraisers that support causes close to his heart.

## World Achievers Summit & Award - 2024

*Prof. (Dr.) Pitamber Kumar Chaudhary*

*Director, JB Institute of Technology, Dehradun (UK), India*

## *Distinguished Professor of the Year Award - 2024*

Prof. (Dr.) Pitamber Kumar Chaudhary is a distinguished academician committed to enhancing technical education through Outcome-Based Education (OBE), in alignment with the Washington Accord, endorsed by the Indian government in 1989. His teaching career began in 2003 as a lecturer, and over the past 20 years, he has served in various roles across numerous engineering institutes. In 2016, he took on the role of Professor at the School of Mechanical Engineering, Galgotias University, Greater Noida. Dr. Chaudhary's administrative journey commenced as the Director of Buddha Institute of Engineering and Technology, Gorakhpur, where he made significant contributions.

He earned his Bachelor's degree in Mechanical Engineering in 1997 and excelled in the GATE-2001 exam with a 98.5 percentile (AIR 174). He pursued his Master's degree in Industrial Engineering and Management at IT-BHU, graduating in 2004, and later completed his Ph.D. at IIT-BHU in 2012 under the SRF scheme.

His research contributions are noteworthy, with seven research papers published in international journals and fourteen papers presented at conferences. He has supervised seven M.Tech. dissertations and one Ph.D. thesis and holds a design patent. Additionally, Dr. Chaudhary has published seven papers in peer-reviewed journals and seventeen papers in conference proceedings and book chapters.

Dr. Chaudhary is a licensed Chartered Engineer and a Fellow of the Institution of Engineers (FIE). He is actively involved in advancing technical education through expert lectures, invited talks, and by conducting workshops, seminars, and Faculty Development Programs (FDPs). His dedication to education and research underscores his commitment to fostering academic excellence and innovation in the field of engineering. Dr. Chaudhary is recognized for his impactful contributions to engineering education and research, continually striving to improve curriculum and teaching methodologies. His leadership and expertise have significantly advanced the standards of technical education, fostering a culture of innovation and excellence.

## World Achievers Summit & Award - 2024

*Shri Lokesh Kumar*

*Mahanagar- Vice President , Anuchit Morcha-Ghaziabad*

### *Distinguished Guest*

Shri Lokesh Kumar, Vice President of Anuchit Morcha in Ghaziabad, is a dedicated social worker renowned for his tireless efforts in advancing the welfare of disabled individuals in the region. As an influential figure in social activism, Kumar has devoted considerable time and resources to supporting and uplifting the lives of people with disabilities. His work is characterized by a deep commitment to addressing the challenges faced by this marginalized community and advocating for their rights and needs.

Kumar's role as Vice President of Anuchit Morcha involves not only strategic leadership but also hands-on involvement in various initiatives aimed at improving the quality of life for disabled persons.

He has been instrumental in organizing events, programs, and support systems that cater to the specific needs of disabled individuals, ensuring they receive the assistance and recognition they deserve.

Under Kumar's leadership, Anuchit Morcha has launched several impactful projects, including awareness campaigns, accessibility improvements, and educational and vocational training programs. His advocacy efforts extend to lobbying for policy changes and increased government support to create a more inclusive and supportive environment for people with disabilities.

Shri Lokesh Kumar's work is a testament to his unwavering dedication to social justice and his passion for making a meaningful difference in the community. His contributions have earned him respect and admiration among his peers and the individuals he serves. Through his continuous efforts, Kumar is helping to build a more equitable society where every individual, regardless of their abilities, can thrive and contribute to the community. Shri Lokesh Kumar's dedication extends beyond local initiatives; he actively collaborates with various organizations and government bodies to drive systemic change and promote inclusive policies. His leadership has facilitated partnerships with healthcare providers, educational institutions, and advocacy groups to create comprehensive support networks for disabled individuals. Kumar also plays a crucial role in raising public awareness and fostering community engagement through workshops, seminars, and public forums, aiming to dismantle stigma and encourage greater societal acceptance.

## World Achievers Summit & Award - 2024

### *Ambassador Dr. Parvinder Singh*

*World Peace institute United Nation, Former Deputy Director  
Cybersecurity Thailand, Advisor To Royal Thai Monetary  
Advisor to Wat Thai Temple, Advisor To TSA, Advisor to  
Kingpower Group, Founder Page3news Worldwide,  
Founder Page3news Foundation*

### *Distinguished Guest*

Ambassador Dr. Parvinder Singh is a distinguished figure in global diplomacy and cybersecurity with an extensive career spanning various sectors. Currently associated with the World Peace Institute at the United Nations, Dr. Singh has a notable background in cybersecurity, having served as the Deputy Director for Cybersecurity in Thailand. His expertise extends to advisory roles with high-profile organizations, including the Royal Thai Monetary, Wat Thai Temple, TSA, and Kingpower Group.

Dr. Singh's career is marked by his strategic insights and contributions to global peace and security. As an advisor to these prominent institutions, he has played a crucial role in shaping policies and enhancing operational efficiencies.

His work with the Royal Thai Monetary involves providing guidance on financial security, while his advisory role with the TSA focuses on improving transportation safety and security measures.

In addition to his advisory positions, Dr. Singh is the founder of Page3news Worldwide, a platform dedicated to providing comprehensive news coverage and analysis. Through the Page3news Foundation, he has extended his commitment to social causes, supporting initiatives aimed at promoting global peace and development.

Dr. Singh's multifaceted career reflects his dedication to advancing cybersecurity, supporting global institutions, and fostering societal progress. His contributions continue to have a significant impact, underscoring his role as a leader in both international diplomacy and technological security.

## World Achievers Summit & Award - 2024

*Dr. M.Seshashayee*

*Assistant Professor, Department of Computer Science,  
GITAM School of Science, GITAM (Deemed to be University)  
Andhra Pradesh.*

### *Contribution to Research & Development in Academic*

Dr. M. Seshashayee is an accomplished academic serving as an Assistant Professor in the Department of Computer Science at the GITAM School of Science, GITAM (Deemed to be University). With a strong background in computer science, she has made significant contributions to research and education in the field.

Dr. Seshashayee has authored 40 research publications, out of which 10 are indexed in SCOPUS, demonstrating her commitment to advancing knowledge in computer science. Her scholarly work reflects a deep understanding of the subject matter and has garnered recognition in academic circles.

In addition to her research contributions, Dr. Seshashayee has successfully guided three students to the completion of their research, showcasing her dedication to mentoring the next generation of computer scientists.

Her efforts and contributions to the field have been recognized by the Andhra Pradesh Academy of Sciences, which has honored her with the title of Associate Fellow. This recognition reflects her standing as a respected member of the scientific community in Andhra Pradesh and highlights her contributions to the advancement of science and technology in the region.

Dr. Seshashayee is also actively involved in various professional organizations, contributing to the broader scientific and engineering communities. She is a life member of the Computer Society of India (CSI), where she participates in initiatives to promote computer science education and research. She is also affiliated with the Indian Science Congress Association (ISCA), which fosters the advancement and promotion of science in India. Furthermore, she is a member of the Institution of Engineers (India) (IEI), where she contributes to the engineering fraternity, and the International Association of Engineers (IAENG), an organization dedicated to promoting the interests of engineers worldwide.

## World Achievers Summit & Award - 2024

*Ms. Yunjanika Dwivedi Sharma*

*Branch Manager , Bank - Au small finance bank ,  
Branch - RDC Raj nagar ghaziabad*

### *Dynamic Female Bank Manager*

Yunjanika Dwivedi Sharma is a dynamic and accomplished professional serving as the Branch Manager at AU Small Finance Bank, RDC Raj Nagar, Ghaziabad. With a strong background in banking and finance, Yunjanika brings a wealth of experience and a keen understanding of financial management, operations, and customer relations to her role. Under her leadership, the branch has seen significant growth in both customer base and financial performance, reflecting her strategic vision and proactive approach to banking.

Yunjanika is known for her exceptional ability to build and lead high-performing teams, fostering a culture of excellence and collaboration among her staff. Her focus on customer-centric service has not only strengthened relationships with existing clients but also attracted new customers, enhancing the bank's reputation in the region. She excels in navigating the complexities of the finance sector, demonstrating resilience, adaptability, and innovation in an ever-evolving market landscape.

Her commitment to delivering superior financial solutions and maintaining the highest standards of integrity and professionalism has earned her recognition as a respected leader within AU Small Finance Bank. Through her dedication and dynamic leadership, Yunjanika continues to drive the branch's success, contributing significantly to the bank's mission of providing accessible and inclusive financial services.

## World Achievers Summit & Award - 2024

*Dr. Rajarajeswari G*

*Branch Manager , Bank - Au small finance bank ,  
Branch - RDC Raj nagar ghaziabad*

### *Contribution at the International Level*

Dr. Rajarajeswari: A Beacon of Excellence in International Education. Dr. Rajarajeswari stands as a beacon of excellence in the field of international education, bringing a dynamic approach to her role as a Primary Years Programme (PYP) Coordinator. Her career, marked by dedication, innovation, and an unwavering commitment to optimizing student learning outcomes, showcases a journey of continuous growth and impactful achievements. From her early days as a classroom teacher to her current role as a PYP Coordinator, Dr. Rajarajeswari's trajectory in the education sector has been nothing short of remarkable.

Dr. Rajarajeswari successfully led the live-streaming of the PYP 5 Exhibition, training all students on Sustainable Development Goals (SDG) projects with remarkable accuracy and efficiency. This initiative not only showcased her adaptability and innovative spirit but also earned her school a place on the SDGs world map for their contributions towards a sustainable future. The successful partnership with #ACT4SDGs highlighted her ability to foster meaningful collaborations that extend beyond the classroom. Dr. Rajarajeswari's achievements have been recognized on multiple occasions.

The following year, her exceptional leadership was honored at the World School Summit in Dubai, where she received the Inspirational Leadership Award and an honorary Doctor of Philosophy in Education from Maryland State University. Dr. Rajarajeswari's journey is a testament to the power of dedication, innovation, and collaboration in the field of education. As she continues to break new ground and inspire others, her legacy will undoubtedly leave an indelible mark on the world of international education.

## World Achievers Summit & Award - 2024

***Dr. Sapna Singh***

*Ph.D, Paediatric Nursing, Msn, Rn Rm Professor, Child Health Nursing, Teerthanker Mahaveer University, Moradabad, Uttar Pradesh*

## *Professor of the Year - 2024*

Dr. SAPNA SINGH, Ph.D (Nursing). M.Sc. Nursing Pediatric Nursing, RN.RM. Presently Professor in Teerthanker Mahaveer College of Nursing under Teerthanker Mahaveer University, Moradabad. Uttar Pradesh. Completed Bachelor's degree in B.Sc. Nursing (Honours) from National Institute of Nursing Education, P.G.I.M.E.R. Chandigarh in 2005, M.Sc Nursing (Paediatrics) from RGUHS, Bangalore, Karnataka in 2012 and Ph.D Nursing from Himalayan University, in 2018. Having 17 years of teaching experience in various higher education collegiate institute.

Her area of interest in nursing research are paediatric nursing, nursing education & nursing administration, psychology research, neonatal, child & mother welfare. Published 16 research studies & review articles in International and National journals. Supervisor for Ph.D Nursing & M.Sc. Nursing research project. Member of editorial board in health and nursing journals nationally & internationally. Journal reviewer of many international & national journals. Over the years her strength is to make every student knowledgeable, skilful & career oriented to serve in the society. Organized and attended many conferences, workshop, seminar, webinar and training at International & National level. Guest speaker in conferences, seminar & workshop. Received award of best research presenter in International conference & best young outstanding researcher in paediatric nursing by Venus International Foundation. Life time member of many nursing/medical society i.e. TNAI, IANN, , NRSI, CNRS, NTAI, NNFI, GFNPSS, NSS.

## World Achievers Summit & Award - 2024

*Mr. Harshavardhan Yedla*

*Principal Architect- Data, AI & Digital Products,  
Wipro Limited*

### *Excellence and Innovation in the IT Sector and Research*

Harshavardhan Yedla is a highly respected professional with over 18 years of expertise in architecting and implementing digital technologies, particularly in data engineering, artificial intelligence, and cloud computing (Azure, AWS, GCP). He currently serves as the Chief Administrative Officer at the International Association of Research and Development Organizations (IARDO), where he plays a crucial role in promoting academic research and socially responsible education. As Principal Architect at Wipro LLC, Mr. Yedla leads transformative data initiatives and collaborates with global leaders to optimize business processes through AI-driven solutions.

His previous roles at Genpact and Persistent Systems were marked by his leadership in developing innovative data frameworks and AI solutions. An accomplished researcher, Mr. Yedla has published extensively on topics such as AI-driven inventory management, advanced battery management, and sustainability optimization through AI-enhanced supply chains. He holds advanced degrees from Kakatiya University and is a Senior Member of IEEE, with memberships in BCS, MIET, and FIETE. His contributions have been recognized with prestigious accolades, including the Global Achievement Awards in 2021 and 2022, as well as top talent awards from his previous employers.

## World Achievers Summit & Award - 2024

*Mr. Arunkumar Thirunagalingam*  
*Sr. Associate (AVP) – Business Intelligence & Reporting,*  
*Santander Consumer USA, USA.*

### *Visionary Leader in Applied Artificial Intelligence and Data Analytics Revolution*

Arunkumar Thirunagalingam is a leader in integrating AI and Machine Learning with data management, transforming how businesses use data to gain a competitive edge. With over 14 years of expertise in Data Governance, Analytics, Quality, and Engineering, he delivers solutions that enhance efficiency, ensure compliance, and enable smarter decision-making.

Arunkumar holds a Bachelor's in Physics from Alagappa University and a Master's in Computer Applications from Anna University. His academic foundation laid the groundwork for a career characterized by innovation and excellence. Arunkumar is known for his ability to bridge the gap between complex technical concepts and practical business applications, making him a sought-after expert in the field.

His career spans leading organizations such as HCL Technologies, Cognizant Technology Solutions, Tata Consultancy Services, and Santander Consumer USA. At HCL, he developed expertise in data integration and ETL processes. At CTS, he implemented reliable data frameworks, and at TCS, he led initiatives in governance and regulatory compliance. At Santander, he modernized data ecosystems using AI and Machine Learning, enabling real-time analytics and predictive modeling.

Beyond his professional achievements, Arunkumar's research in AI, data governance, and quality assurance addresses challenges like privacy-focused collaboration, AI-driven data annotation, and quantum computing for large-scale data integration. His innovative work provides valuable insights in the evolving field of data management.

Arunkumar envisions a future where AI and data governance create ethical, intelligent systems. His expertise in explainable AI and proactive data quality practices fosters trust and accountability in automated systems. Positioned at the forefront of emerging technologies like federated learning and quantum computing, he continues to shape how organizations use data effectively while meeting regulatory demands.

With a strategic vision and technical acumen, Arunkumar Thirunagalingam is redefining data management and driving impactful solutions for the future.

## World Achievers Summit & Award - 2024

**Ms. Swathi Chundru**

*QA Automation Engineer, Motivity Labs Inc, Texas, USA*

### *Innovative Leader in Test Automation and Quality Assurance*

Ms. Swathi Chundru exemplifies how expertise, innovation, and a people-first approach can redefine the future of technology. With over 13 years of experience as a QA Automation Engineer, she has made significant contributions across banking and insurance sectors, working with high-profile clients like Santander Consumer USA and Blue Cross Blue Shield. Her strategic insights and forward-thinking methodologies have not only streamlined processes but also set new benchmarks in quality assurance. Swathi's commitment to fostering a culture of continuous learning and improvement is evident in her ability to adapt cutting-edge technologies to meet the evolving demands of the industry. Her dedication to nurturing talent and building strong, cohesive teams has empowered her colleagues to excel, creating a ripple effect of positive change throughout her organization.

Swathi's technical expertise spans automation, ETL testing, data warehousing, and functional testing. Proficient in tools like Informatica, AbInitio, and DataStage, and databases such as Teradata, Oracle, and MySQL, she excels in both Agile and Waterfall environments. Her leadership in data engineering within the banking sector optimized workflows, enhanced decision-making, and improved ETL processing times by 30%. Swathi's automation initiatives have reduced testing cycles by 40%, accelerating time-to-market for critical financial products.

In cloud computing, she has spearheaded the modernization of legacy systems, guiding organizations through transitions to AWS and Azure. Her leadership in cross-functional projects has streamlined operations and enhanced data integration for global insurance providers.

Beyond her technical achievements, Swathi is a passionate mentor, empowering teams in mastering SQL, ETL testing, and automation. As a thought leader, she has published articles in reputed journals and actively contributes to IEEE and the International Association of Engineers.

A graduate in Electronics and Communications from JNT University and an ISTQB-certified professional, Swathi has received numerous accolades for her excellence. Her journey is a testament to how dedication, resilience, and innovation can inspire impactful change in technology.

## World Achievers Summit & Award - 2024

*Mr. Sudheer Panyaram*

*Sr. Manager , Enterprise Applications,  
Fisker Automotive, Bloomington -IL*

### *Global EV Digital Transformation Leader*

Sudheer specializes in integrating emerging technologies such as artificial intelligence (AI), machine learning (ML), and quantum computing into ERP ecosystems to address the unique challenges of the electric vehicle (EV) sector. These include managing complex supply chains, scaling sustainable production, improving battery technology, and enhancing charging infrastructure. A champion of innovation and collaboration, Sudheer ensures that digital transformation initiatives align with his clients' strategic goals. His approach is both pragmatic and visionary, ensuring that each initiative not only meets current demands but also anticipates future needs. By fostering partnerships with technology providers and research institutions, Sudheer accelerates the development of groundbreaking solutions that push the boundaries of what is possible in the EV industry. His commitment to continuous learning keeps him at the forefront of technological advancements, enabling him to offer cutting-edge solutions tailored to the evolving requirements of his clients.

Sustainability is central to his work, as he helps companies minimize environmental impact through green energy practices, efficient resource utilization, and circular economy strategies powered by SAP tools.

Sudheer's expertise in integrating IoT devices, real-time data streams, and edge computing with SAP systems has significantly improved operational visibility and decision-making for EV manufacturers. His efforts extend beyond manufacturing to transform customer-centric operations by creating AI-driven charging networks and personalizing customer experiences through data-driven insights.

With a vision that blends technological expertise and sustainability, Sudheer works with cross-functional teams, including engineers, data scientists, and business leaders, to implement innovative, profitable solutions. As a thought leader, he frequently shares insights on digital transformation in the EV space, inspiring organizations to embrace cutting-edge technologies.

Sudheer's dedication to advancing the EV industry through technological innovation and sustainable practices is redefining possibilities in the digital age, ensuring that companies remain competitive in an ever-evolving landscape.

## World Achievers Summit & Award - 2024

### *Mr. Subash Banala*

*Senior Manager - Financial services &  
Cloud Technologies, AI and FinOps , USA*

### *Global Leader in Cloud Computing and Artificial Intelligence*

Subash Banala is a leader in AI, cloud computing, and FinOps, delivering transformative business value through innovative solutions. An IEEE Senior Member, Subash has contributed extensively to the tech community through publications, peer reviews, and active participation in advancing technology standards. Additionally, he has served as a judge for prestigious technology awards, including the Globee Awards, QS Reimagine Education Awards, and Stratus Awards, showcasing his expertise and leadership in evaluating groundbreaking innovations. His commitment to fostering technological advancement is matched by his dedication to mentoring the next generation of tech professionals. Subash regularly conducts workshops and seminars, sharing his knowledge on AI and cloud strategies, and inspiring budding engineers to pursue excellence in their fields. His passion for education and community engagement extends to his involvement in various tech initiatives, where he advocates for diversity and inclusion in the tech industry. By championing equal opportunities and nurturing talent, Subash is not only shaping the future of technology but also the future of those who create it.

In his professional journey, Subash has leveraged AI/ML to enhance cloud security, proactively identifying threats and reducing incident response. His expertise in cloud cost management has led to significant savings, including reduction in expenses through optimized resource allocation. As a leader in FinOps, Subash has helped organizations bridge technology and finance, implementing automated cost controls and predictive analytics. Notably, he enabled a Fortune 500 financial services company to save \$2.5 million annually by introducing cost anomaly detection and proactive spending strategies.

In cloud computing, Subash has led large-scale migrations and modernization projects, designing secure, scalable, and high-performance cloud infrastructures. A career highlight includes migrating critical applications for financial and Retail clients, reducing its data center footprint by 60%, and delivering the project ahead of schedule and under budget. With expertise in Kubernetes, Terraform, and DevSecOps, Subash empowers organizations to navigate complex cloud environments while ensuring efficiency and resilience. His combination of technical insight, leadership, and industry recognition positions him as a trusted authority in the rapidly evolving tech landscape.

## World Achievers Summit & Award - 2024

### *Mr. Muniraju Hullurappa*

*Lead Data Engineer - Enterprise Data Governance,  
System Soft Technologies, USA*

### *Visionary Leader in Data Governance and Digital Innovation*

Muniraju Hullurappa stands as a leader in data engineering, bridging traditional ETL processes with cutting-edge AI/ML technologies. With over 14 years of experience as a Senior Data Engineer and AI/ML Solutions Designer, he has transformed how organizations harness their data assets. His expertise spans data warehousing, ETL processes, and advanced AI/ML technologies, delivering solutions that enhance efficiency, ensure compliance, and enable data-driven decision-making. His commitment to innovation is evident in his ability to foresee industry trends and adapt strategies accordingly, making him a key player in the ongoing digital transformation across sectors. Muniraju's passion for technology is matched by his dedication to mentoring the next generation of data professionals, fostering a culture of continuous learning and exploration. He believes in the power of collaboration and often works closely with cross-functional teams to design solutions that are not only technologically advanced but also aligned with business objectives. His work has earned him recognition in various forums, where he shares insights on the role of AI in reshaping the landscape of data governance.

Muniraju holds a degree in Electronics Engineering from Visvesvaraya Technological University, combining technical precision with innovative problem-solving. He has worked with leading organizations, including System Soft Technologies (Santander Consumer USA), USAA, and TCS, consistently delivering impactful solutions in the financial services sector.

At Santander Consumer USA, he implemented advanced AI/ML solutions, improving ETL efficiency and data accuracy. At USAA, he developed robust data warehouse solutions for the Property and Casualty division, enhancing analytical capabilities and reporting efficiency. During his tenure at TCS, he excelled in data quality management and ETL optimization, building strong data foundations.

Beyond traditional data engineering, Muniraju integrates AI/ML pipelines with ETL processes, developing architectural frameworks that set new standards for data processing and accuracy. His research explores AI applications in data governance, privacy frameworks, and quantum computing's potential in analytics. A contributor to IEEE panels and a judge for the Edison Awards, his thought leadership influences both practice and policy. Muniraju envisions a future where AI seamlessly integrates with data governance to address evolving challenges. His expertise in cloud technologies, AI/ML integration, and data quality makes him a driving force in digital transformation, redefining the possibilities of modern data management.

## World Achievers Summit & Award - 2024

*Ms. Divya Kodi*

*Senior Consultant, Cyber Security Data Analytics,  
Truist Bank*

### *Cybersecurity Data Excellence Trailblazer*

Mrs. Divya Kodi is an accomplished Data Analyst with over 11 years of expertise in Information Technology. She excels in deriving actionable insights through advanced analytics and AI methodologies. With a sharp business acumen and a proven ability to navigate ambiguity, she has a track record of leading cross-functional teams and delivering innovative solutions. Mrs. Kodi holds dual master's degrees in Computer Science from Pace University, New York, and Andhra University, India. Beyond her professional endeavors, she is deeply passionate about dance, training 50 children to nurture their artistic talents. Her dedication to the arts complements her technical prowess, showcasing her belief in a balanced approach to life and work. Mrs. Kodi's multifaceted interests and achievements make her a role model for aspiring professionals who seek to blend creativity with technology. Her commitment to continuous learning and her ability to adapt to the ever-evolving landscape of IT have positioned her as a thought leader in her field. Whether she's breaking new ground in cybersecurity or inspiring the next generation through dance, Mrs. Kodi's influence is both profound and far-reaching.

Her project leadership spans the integration of AI technologies to enhance performance and deliver complex projects on time. She specializes in designing, developing, and deploying AI-driven solutions tailored to business needs. Her expertise in API integration ensures seamless data exchange and optimal system functionality, coupled with a strong commitment to mentoring future tech leaders.

Mrs. Kodi's contributions to cybersecurity earned her the prestigious Cybersecurity Data Excellence Trailblazer Award at the World Achievers Summit. Her research has been published in respected journals such as IGI Global and IJISAE, reflecting her dedication to technology for social impact. As a judge for NCWIT and a volunteer with Future City, she actively supports the empowerment of young innovators in technology and engineering.

Looking ahead, Mrs. Kodi envisions AI and machine learning transforming enterprise efficiency and innovation. Her journey exemplifies how strategic vision and technical expertise can redefine enterprise technology and inspire the future.
